Gangsta Bone:

It's a Hell of a Thing Tim McDowell, 2019-03-20 Billy River has hit rock bottom Ten years earlier he achieved his dream of fighting in Madison Square Garden but the great Hector Gomez turned his dream into trauma disfiguring Billy's face and leaving him with a disabling brain injury Downing double shots of Jack in a smoky bar and shadowboxing with his failed life Billy shares the story of his shattered life with a dancer and the bouncer Billy has lost his identity his wife is about to divorce him his son despises him and God seems like an impotent voyeur watching his suffering Billy fears he is becoming his father the man he called the wrath of God and that he will end up like his sister who committed suicide With the help of his two unlikely companions Billy fights to save his family discover a God capable of blowing the roof off his heart and come to terms with his childhood traumas His son's disappearance and near death experience is a turning point for Billy and his friends as they face choices and events that could lead to Billy's self destruction or renewal through forgiveness *Hoodlum*

K'wan, 2025-09-23 He set out to be the good son but the streets had a different plan Born to one of the city's most notorious crime families Shai Clark has always managed to be a good kid A college hoops star Shai shunned the world that his father had created and focused on his dreams of going pro Tommy Shai's trigger happy older brother is next in line for the throne and rules under his father through brute force But Poppa has bigger plans for Shai The situation soon turns ugly when Poppa is murdered and Tommy is removed from the equation Suddenly Shai finds himself at the head of his father's empire and the streets are thrown into chaos It is then that he must decide whether to pursue his own dreams or put his father's affairs in order Unable to sit idly by while the Clarks underworld empire is pillaged Shai takes up his father's mantle and brings his game to the streets He quickly learns that there are two sides to every coin and the streets hold no mercy for the weak *Hoodlum* chronicles three generations of Trinidadian immigrants and their rise to power in the New York City heroin trade A K'wan classic [Love to Hate](#) Jody Roy, 2002-08-27 Why is the simple impulsive question we ask when confronted by horrible acts of hatred and violence Why do students shoot fellow students or employees their coworkers Why do mothers drown their children or husbands stalk and kill their wives Love to Hate challenges us to turn this question upon ourselves at a deeper level Why as a culture are we so fascinated by these acts Why do we bestow celebrity on the perpetrators while allowing the victims to fade into a second death of obscurity Are we as Pope John Paul II famously accused a culture of death And if so how can we break free of this unacknowledged aspect of the cycle of violence Unlike those who point solely to media imagery splintered families or lax gun control laws in search of the roots of America's endemic violence Jody M Roy suggests that we all must be held responsible She argues that we reveal our love affair with hatred and violence in the ways we think and speak in our daily lives and in our popular culture The very words we use function as building blocks of callousness and contempt betraying our immersion in subtexts of violence and hatred These subtexts are further revealed in our complex attitudes toward street gangs school shooters serial killers and hate groups and the paroxysms of violence they

unleash As spectators driven by our impulse to watch we become an integral part of the equation of violence In the book s final section Freeing Ourselves of Our Obsession with Hatred and Violence Roy offers practical steps we can take as parents consumers and voters to free ourselves from linguistic and cultural complicity and to help create in America a culture of life
