[With Portraits.]** William James MAKIN,1935      **Greta Garbo** Klaus-Jürgen Sembach,1985      The Secret Life of the Lonely Doll Jean Nathan,2025-09-23 A glamorous haunted life unfolds in the mesmerizing biography of the woman behind a classic children s book In 1957 a children s book called The Lonely Doll was published With its pink and white checked cover and photographs featuring a wide eyed doll it captured the imaginations of young girls and made the author Dare Wright a household name Close to forty years after its publication the book was out of print but not forgotten When the cover image inexplicably came to journalist Jean Nathan one afternoon she went in search of the book and ultimately its author Nathan found Dare Wright living out her last days in a decrepit public hospital in Queens New York Over the next five years Nathan pieced together a glamorous life Blond beautiful Wright had begun her career as an actress and model and then turned to fashion photography before stumbling upon her role as bestselling author But there was a dark side to the story a brother lost in childhood ill fated marriage plans a complicated controlling mother Edith Stevenson Wright herself a successful portrait painter played such a dominant role in her daughter s life that Dare was never able to find her way into the adult world Only through her work could she speak for herself in her books she created the happy family she d always yearned for while her self portraits betrayed an unresolved tension between sexuality and innocence a desire to belong and painful isolation Illustrated with stunning photographs The Secret Life of the Lonely Doll tells the unforgettable story of a woman who imprisoned by her childhood sought to set herself free through art      **Garbo. [A Biography. With Portraits.]** John BAINBRIDGE (Journalist.),Greta Garbo,1955      **Ruth Harriet Louise and Hollywood Glamour Photography** Robert Dance,Bruce Robertson,2002-05-06 When Ruth Harriet Louise joined Metro Goldwyn Mayer the studio with more stars than there are in heaven she was twenty two years old and the only woman working as a portrait photographer for the Hollywood studios In a career that lasted from 1925 until 1930 Louise born Ruth Goldstein photographed all the stars contract players and many of the hopefuls who passed through the studio s front gates including Greta Garbo Lon Chaney John Gilbert Joan Crawford Marion Davies and Norma Shearer This book which coincides with a major traveling retrospective of Louise s work organized by the Santa Barbara Museum of Art is the first collection of her exquisite photographs Containing over one hundred breathtaking images reproduced from the original negatives it attests to the talent and vision of a surprisingly unknown photographer who formed the images and helped create the popularity of some of our most enduring stars Louise

shot about one hundred thousand negatives that distilled the glamour drama and excitement of MGM's feature productions. Louise's original photographs were circulated to millions of moviegoers, magazine and newspaper readers, and fans. The movies and publicity machine that these photographs supported shaped the basic notions of stardom, glamour, and fashion in the 1920s and still affect our ideas today. Robert Dance and Bruce Robertson recreate the entire process from the moment a performer sat in front of Louise's camera to the point at which a fan pasted a star's picture into a scrapbook. They provide insight into Louise's work habits in the studio and describe the personal dynamics between Louise and the actors she photographed. They include a condensed account of the methods of other photographers, a sharp analysis of fan culture in the period, and superb readings of Louise's photographs. With its combination of well-known and rare images, all magnificently reproduced, this book is a fitting tribute to one of the most gifted and underappreciated glamour photographers of Hollywood's golden period. Note: The hardcover edition of this book does have a dust jacket. Some hardcovers of University of California Press books available in paperback do not.

**Greta Garbo** Marie Cahill, 1992 *Girls Will Be Boys* Laura Horak, 2016-02-26 2016 Choice Outstanding Academic Title Finalist for 2016 Richard Wall Memorial Award by the Theatre Library Long listed for the 2017 Kraszna Krausz Best Photography Book Award from the Kraszna Krausz Foundation. Marlene Dietrich, Greta Garbo, and Katharine Hepburn all made lasting impressions with the cinematic cross-dressing they performed onscreen. What few modern viewers realize, however, is that these seemingly daring performances of the 1930s actually came at the tail end of a long wave of gender-bending films that included more than 400 movies featuring women dressed as men. Laura Horak spent a decade scouring film archives worldwide looking at American films made between 1908 and 1934 and what she discovered could revolutionize our understanding of gender roles in the early twentieth century. Questioning the assumption that cross-dressing women were automatically viewed as transgressive, she finds that these figures were popularly regarded as wholesome and regularly appeared onscreen in the 1910s, thus lending greater respectability to the fledgling film industry. Horak also explores how and why this perception of cross-dressed women began to change in the 1920s and early 1930s, examining how cinema played a pivotal part in the representation of lesbian identity. *Girls Will Be Boys* excavates a rich history of gender-bending film roles, enabling readers to appreciate the wide array of masculinities that these actresses performed, from sentimental boyhood to rugged virility to gentlemanly refinement. Taking us on a guided tour through a treasure trove of vintage images, *Girls Will Be Boys* helps us view the histories of gender, sexuality, and film through fresh eyes.

**George Hurrell's Hollywood** Mark A. Vieira, 2025-05-01 George Hurrell 1904-1992 was the creator of the Hollywood glamour portrait, the maverick artist who captured movie stars of the most exalted era in Hollywood history with bold contrast and seductive poses. This lavishly illustrated book spans Hurrell's entire career from his beginnings as a society photographer to his finale as the celebrity photographer who was himself a celebrity and a living legend. From 1929 to 1944, Hurrell was the Rembrandt of Hollywood, creating portraits of Marlene Dietrich, Norma Shearer, Bette Davis, Carole Lombard,

and Joan Crawford that were a blend of the ethereal and the erotic His photos of Jane Russell sulking in a haystack made the unknown girl a star without a film credit to her name He immortalized leading males stars of the day from the Barrymores to Clark Gable and Gary Cooper Latter photo shoots magnified the glamour of the likes of Warren Beatty and Sharon Stone Through newly acquired photos and in depth research photographer and historian Mark A Vieira author of Hurrell s Hollywood Portraits offers not only a wealth of new images but a compelling sequel to the story presented in his earlier book on Hurrell Hurrell was himself a star rich famous successful Then at the height of his career he suffered a vertiginous fall from grace George Hurrell s Hollywood recounts for the first time anywhere Hurrell s rise from the ashes how movie still collectors and art dealers pulled the elderly artist into a nefarious world of theft and fraud how his undiminished powers gave him a second career and how his mercurial nature nearly destroyed it The photographs that motivate this tale are luminous powerful and timeless This book showcases more than four hundred most of which have not been published since they were created George Hurrell s Hollywood is the ultimate work on this trailblazing artist a fabulous montage of fact and anecdote light and shadow

upends traditional understandings of the Great War's effects on the visual arts in America      Film Stardom and the Ancient Past Michael Williams, 2018-01-13 This book offers the first comprehensive exploration of how the ancient past has shaped screen stardom in Hollywood since the silent era. It engages with debates on historical reception, gender and sexuality, nostalgia, authenticity and the uses of the past. Michael Williams gives fresh insights into divinized stardom, a highly influential and yet understudied phenomenon that predates Hollywood and continues into the digital age. Case studies include Greta Garbo and Mata Hari 1931, Buster Crabbe and the 1930s Olympian body, the marketing of Rita Hayworth as Venus in the 1940s, sculpture and star performance in Oliver Stone's *Alexander* 2004, landscape and sexuality in *Troy* 2004, digital afterimages of stars such as Marilyn Monroe and the classical body in the contemporary ancient epic genre. The author's richly layered archaeological approach uses detailed textual analysis and archival research to survey the use of the myth and iconography of ancient Greece and Rome in some of stardom's most popular and fascinating incarnations. This interdisciplinary study will be significant for anyone interested in star studies, film and cultural history, and classical reception.
