Lords of the Ice Moons Michael Carroll,2018-10-08 What happens with something becomes someone In the aftermath of an asteroid impact Earth's power grid is damaged nearly beyond recovery The survival of our world may well depend on energy sources collected from an abandoned undersea settlement beneath the icy surface of Enceladus Earth raised Colonel Carter Rhodes in charge of Earth's recovery efforts calls upon Gwen Bar a Venusian engineer to regain control of the deserted moon outpost and collect fuel for Earth's collapsing power grids However what Gwen discovers churning in

Enceladus's subsurface waters brings her and Colonel Rhodes straightforward plans to a crashing halt Soon Gwen finds herself in the middle of an interplanetary standoff Win and give the last humans on Earth a chance to survive Lose and risk the permanent dismantling of human society across the Solar System Forced to take sides in this war for power resources and species survival Gwen must make choices that not only affect her own life but also force her to question what life itself might really mean Will the promise of Enceladus energy be enough to salvage what is left of Earth's society Are these humans worthy of salvation

The Common Core in Action Deborah J. Jesseman, 2015-06-19 This book addresses Common Core State Standard curriculum resources to assist the school librarian in collaborating with classroom teachers Librarians are being asked to understand the Common Core State Standards CCSS and their implications to programming and instruction as well as to collection development planning Using lesson plans originally published in *School Library Monthly* this title builds upon them adding many additional plans that address CCSS issues The plans will help you implement the standards and can also be used as stepping stones to facilitate planning conversations and collaboration with teachers to co teach lessons correlated with the standards The book begins with an overview of the CCSS what they are how are they different from the content standards and what the implications are for schools where the state has adopted them including what the CCSS mean for collection development It then goes on to explore the opportunities the CCSS present for the school librarian looking at how you can become a leader in employing the process The majority of the book is devoted to reproducible lesson plans organized by curricular area or topic and grade level for ease of use

Folktales Retold Amie A. Doughty, 2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with
