White,2005-05-05 The world Methodist community now numbers over 75 million people in more than 130 countries The story of Methodism is fascinating and multi faceted because there are so many distinct traditions within it some stemming directly from Britain and some arising in the United States In this book the authors address the issue of what holds all Methodists together and examine the strengths and diversity of an influential major form of Christian life and witness They look at the ways in which Methodism has become established throughout the world examining historical and theological developments and patterns of worship and spirituality in their various cultural contexts The book reflects both the lasting contributions of John and Charles Wesley and the on going contribution of Methodism to the ecumenical movement and inter religious relations It offers both analysis and abundant resources for further study Orthodox and Wesleyan Spirituality S. T. Kimbrough,2002 In 1999 on the campus of St Vladimir s Seminary leading Orthodox and Methodist scholars clergy and laity met to explore the roots of spirituality in both traditions This volume explores the primary themes addressed at that consultation holiness and perfection the impact

and influence of the Eastern Church upon John and Charles Wesley the founders of Methodism and the common foundational ground upon which the Wesleys and many of the Eastern Fathers stood While there is much to be done toward establishing the direct channels of influence the discourses of this volume will serve well the cause of discovering commonalities as well as differences in their theology and practice One will find here foundation stones for building bridges of understanding and the deepening of spirituality

Respectable Methodism Daniel F. Flores, 2023-03-07 The Wesleyan Methodist movement entered American history as a fragment of British Methodism It quickly took on a new identity in the early republic and grew into a vibrant denomination in the nineteenth century The transitions from the rugged pioneer religion modeled by Bishop Francis Asbury to the urbane religion of industrial America was by design the goal of influential leaders of the Methodist Episcopal Church Nathan Bangs was perhaps one of the most significant of such leaders He rose from obscurity to the ranks of power and influence by refining patterns of worship expanding denominational publishing and structuring ministerial education This study is concerned with the development of respectability in American Methodism It also explores questions on how Bangs and other leaders dealt with in house conflicts

on issues related to race slavery and the poor A Living Tradition Dr. Mary Elizabeth Mullino Moore, 2013-09-17 This book engages in a critical recovery and reconstruction of the Wesleyan theological legacy in relation to current theological concepts and Christian practices with the intent to present opportunities for future directions The contributors address urgent questions from the contexts in which people now live particularly questions regarding social holiness and Christian practices To that end the authors focus on historical figures John Wesley Susanna Wesley Harry Hoosier and Richard Allen historical developments such as the ways in which African Americans appropriated Methodism and theological themes such as holistic healing work and vocation and prophetic grace The purpose is not to provide a comprehensive historical and theological coverage of the tradition but to exemplify approaches to historical recovery and reconstruction that follow appropriately the mentorship of John Wesley and the living tradition that has emerged from his witness Contributors W Stephen Gunter Richard P Heitzenrater Diane Leclerc William B McClain Randy L Maddox Rebekah L Miles Mary Elizabeth Mullino Moore Amy G Oden and Elaine A Robinson Preaching Prophetic Care Phillis Isabella Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation's complicity in social injustice and with a bracing call for repentance The twenty seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community Rather than contributing to the polarization so rampant in today's social world the preacher seeks to help the congregation build bridges along which concern for justice can travel The contributions honor the work of the late Dale Andrews a scholar of preaching and practical theology at the Divinity School Vanderbilt University whose seminal work inspires the notions of prophetic care and building bridges to justice Table Matters Felicia Howell LaBoy, 2017-11-09 In many churches the work of evangelism and social justice is relegated to clergy staff or special committees Rarely do most members of the laity believe they should or even want to engage in the tasks of evangelism and social justice In this volume LaBoy contends that participation in baptism and Eucharist mandates for all Christians and those who are Wesleyan in their orientation in particular that evangelism and social justice are not optional but in fact integral to their worship and witness She argues that this understanding and practice of the integration of sacraments evangelism and social justice are what can help churches deal with contemporary issues of decline and church disenfranchisement by both congregants and those beyond church walls LaBoy further argues that making the sacraments central to the worship life of congregations is what made early Methodists great evangelists and advocates for social justice
