M. Duggan,2012-03-26 The 12th E Surreys were raised on 14th May 1915 by the Mayor and Borough of Bermondsey and in October the battalion joined 122nd Brigade 41st Division the last of the Kitchener divisions It remained in the same brigade throughout the war A year later May 1916 the division arrived in France where the battalion served until November 1917 when they were sent to Italy In March 1918 they returned to France where the battalion remained for the rest of the war The authors have made every effort to be accurate in their account but the main aim has been to provide a narrative not so much for the general reader as for the members of the Battalion Association and their friends In pursuit of this aim they have included plenty of yarns using the actual words of the individual narrator which they believe will prove the best part of the volume In fact this is the most anecdotal unit history I have yet come across Reading it today some ninety years later it is clear that these personal contributions add a great deal to the story bringing a feeling of reality to the scenes being described There are plenty of references to individuals references which are always welcome in what amounts to a family history telling the day to day story of a close knit battalion There is no doubt it will have brought to mind those who died and will have helped to recall incidents localities friendships and dangers shared The division was one selected for the Army of Occupation in Germany and the battalion ended its war service on garrison duty in the Rhine bridgehead 217 officers and 4 487 other ranks served with the battalion during the war and total casualties amounted to 128 officers and 2 675 other ranks

of whom 38 and 683 respectively died The appendices contain a wealth of information of great help to the researcher There is the nominal roll of officers and men who served with the battalion there is a list of cemeteries in which the dead are buried each is numbered and keyed to the Roll of Honour so the place of burial can be checked and there is the list of honours and awards This is a very comprehensive history
