Good Women Stories:

You Can't Keep a Good Woman Down Alice Walker, 1981 Fourteen short stories by the Pulitzer Prize winning author about strong women their struggles and joys *You Can't Keep a Good Woman Down* Alice Walker, 1983 A natural evolution from the earlier much acclaimed collection *In Love Trouble* these fourteen provocative and often humorous stories show women oppressed but not defeated These are hopeful stories about love lust fame and cultural thievery the delight of new lovers and the rediscovery of old friends affirmed even across self imposed color lines **Good Girls, Bad Girls of the New Testament** T. J. Wray, 2016-03-02 *Good Girls Bad Girls of the New Testament* takes readers on a powerful journey through the vast landscape of Roman occupied Judea during the first century and the genesis of Christianity This landscape serves as the backdrop for twelve amazing stories of women whose paths intersect either by providence or design with the paths of Jesus or Paul Some of these women are familiar such as Mary the mother of Jesus while others like the wife of the infamous Pontius Pilate are lesser known Whether she is popular or obscure good or bad each woman's story is an important part of the overall Christian narrative *Good Girls Bad Girls of the New Testament* invites readers to take a more nuanced look at twelve stories that feature women to explore their lives more deeply in historical context and to understand the real story that includes both men and women The book goes beyond simply telling the story of a particular biblical woman to challenge readers to explore the enduring lessons the ancient writers sought to impart These timeless lessons are as important for us today as they were thousands of years ago **Reading Alice Munro's Breakthrough Books** J.R. (Tim) Struthers, Ailsa Cox, Corinne Bigot, Catherine Sheldrick Ross, What in terms of Alice Munro's creative artistry and creative power allowed her to become the first and only short story writer the first and only Canadian and just the thirteenth woman in history to win the Nobel Prize in Literature And exactly when during Munro's career did her artistry and power advance to ensure that she would earn such world wide renown The answers lie in studying the boldly innovative yet greatly under examined group of her four mid career breakthrough books Our volume therefore provides a carefully orchestrated analysis of Munro's subtle yet potent handling of form technique and style both within individual stories and across these special collections *Reading Alice Munro's Breakthrough Books A Suite in Four Voices* not only addresses a significant vacancy in Munro criticism and by extension in all short story criticism but equally importantly offers an exciting new model for how criticism can be collectively written , *My Good Women: Lessons of Love and Faith* Julie A. McMurtry, 2015-10-13 Sometimes on the journey of life it is easy to think that we are the first to walk this path or that we are alone in our struggles This book calls us to reflect on the lives that have touched our own Thinking about the women God has placed in your life who are they And what have they taught you The hope is that when you read these stories you will find yourself reflecting on the women who have loved you protected you and formed you Like the women in the Bible they may have made cakes when their pantries were empty visited when you were expecting your children wiped your tears when the sorrow was too much or made you laugh like no one else

can May these stories make you laugh and cry and reach out to the women whose lives are squares in the quilt of your life
 May these stories fill your hearts with gratitude for the women you see every day and for the God who made us all
 Theirs are the stories of faith hope and love **Nina and the Mysterious Mailbox** Rebel Girls, Marti Dumas, 2024-10-01 Girls running for office secret leadership lessons from the past and a dash of mysterious mailbox magic Yes please Kate Messner New York Times best selling author of Breakout and the History Smashers series A school election A mysterious mailbox And a letter from Cleopatra Middle school is so weird Nina is determined to help her best friend Maya win the race for 6th grade representative But when she uses her robotics skills to spy on Maya's opponent the girls wind up in detention There they are asked to write a letter to a woman from history Nina pours her heart out to Cleopatra and instead of throwing the letter away so her parents don't find it she slips it into a battered old mailbox she and Maya find in the woods It was all just a game until a giant scroll arrives at Nina's house signed by Cleopatra herself Do the girls really have a pen pal from 2 000 years ago Will their friend Zoe ever speak to them again Why is their science teacher acting so oddly And what on Earth is a time taco

The History and Anatomy of Auctorial Self-criticism in the European Middle Ages Anita Obermeier, 1999. This study outlines the history and anatomy of the European apology tradition from the sixth century BCE to 1500 for the first time. The study examines the vernacular and Latin tales, lyrics, epics, and prose compositions of Arabic, English, French, German, Greek, Icelandic, Italian, Spanish, and Welsh authors. Three different strands of the apology tradition can be proposed. The first and most pervasive strand features apologies to pagan deities and later to God. The second most important strand contains literary apologies made to an earthly audience, usually of women. A third strand occurs more rarely and contains apologies for varying literary offenses that are directed to a more general audience. The medieval theory of language privileges an imitation of the Christian master narrative and a hierarchical medieval view of authorship. These notions express a medieval philosophical concern about language and its role and therefore the role of the author in cosmic history. Despite the fact that women apologize for different purposes and reasons, their examples illustrate on yet another level the antifeminist subtext inherent in the entire apology tradition. Overall, the apology tradition, characterized by interauctoriality, intertextuality, and intratextuality, enables self-critical authors to refer not only backward but also primarily forward, making the medieval apology a progressive strategy that engenders new literature. This study would be relevant to all medievalists, especially those interested in literature and the history of ideas.

Merriam-Webster's Encyclopedia of Literature Merriam-Webster, Inc, 1995. Describes authors' works and literary terms from all eras and all parts of the world.
