the day. Am so grateful
for all that you've done
for me today. Father,
may you send me your
Holy Angels to guide

Mighty Name I pray,

Amen

community you have to wash the dishes with them after the Sunday coffee hour That is where the big questions are asked and discussed That is where the learning happens and the deep spiritual experiences can form disciples This book tries to provide ministers seminarians or interested Christians with food for thought for some of the typical questions you would encounter when washing the dishes with parishioners Do you believe in the Bible Are not all religions the same What about heaven and hell This book tries not to give finished answers but intends to help the reader to develop an answer themselves

Letters from a Black and White World Teresa Price, 2013-11-27 A rare glimpse into the training and life of a mid twentieth century nun a story told on two levels actual letters written as it was experienced interspersed with narrative and retrospective comments Overall the book is a love story of a girl seeking God and dedicating her life to His service The story begins on a hot July day when the seventeen year old candidate arrives at the novitiate in Missouri Candid letters reveal the gradual transformation from a frivolous teen to a dedicated religious The letters chronicle her efforts to cope with the rigorous training and lifestyle and ultimately her failure to conform Psychological effects and consequences of the lifestyle are discussed Retrospective comments enhance the story explaining customs and practices of the Old World spirituality of the times Details of the Church reforms enacted in the 1960s that brought dramatic needed change are included The system of belief customs and practices of the times sheds light on the scandalous abuse and secrecy issues in the news today The author sums up her experiences in these words Some would argue but I believe there is such a thing as a temporary vocation I see my seven and a half years in the convent as such a precious time of protection for me at a most vulnerable time in my life Unaware of my motivation at the time I've come to realize I entered the convent seeking peace and escape from the pain of losing my sister The Lord called me aside just for a time and during that time I learned to love and trust Him unreservedly I felt a deep happiness but as is the course of things I eventually suffered the emotional consequences of denying those feelings of loss guilt and anger and not allowing myself to grieve

The Ten Commandments of God Albert Joseph Mary Shamon, 2003-06 When the courts of this country banned the posting of the Ten Commandments in classrooms and public buildings Fr Shamon wrote The Ten Commandments of God He looked at each of them and asked the question Why Why must I pray Why must I honor my father and mother Why can't I steal and so on Fr Shamon shows that the Ten Commandments are rooted in common sense and good judgment basically justice and rights and defend the dignity of man and woman and are geared to protecting parents life spouse property and reputation A nation committed to law and order is committing civil euthanasia by outlawing the Ten Commandments from the public forum This book gives a powerful argument for the return of the Ten Commandments to our nation
