Good Offices In The Light Of Swiss International Practice And Experience:

'Good Offices' in the Light of Swiss International Practice and Experience Raymond R. Probst,2024-02-19 **Between Neutrality and Solidarity: Swiss Good Offices in Afghanistan from 1979 to 1992** Liliane Stadler,2024-02-12 After 1979 Switzerland became increasingly involved in Soviet occupied Afghanistan as a provider of humanitarian aid and good offices It delivered aid to the region hosted Soviet prisoners of war and eventually mediated between the Afghan regime and the mujahideen What is puzzling about this development is that initially following the Soviet invasion both government and parliament refused to become diplomatically involved in Afghanistan on account of Swiss neutrality The present study investigates how and why this changed between 1979 and 1992 While the practical impact of Switzerland s good offices was modest the crisis revealed that Switzerland continued to struggle to balance the competing imperatives of permanent neutrality and international solidarity in an increasingly multilateral world **"Good Offices" in the Light of Swiss International Practice and Experience** Raymond Probst,1989-08-03 Contents **Swiss Foreign Policy, 1945-2002** J. Gabriel,T. Fischer,2003-09-09 Swiss Foreign Policy 1945 2002 presents for the first time a comprehensive collection of eight essays addressing the post war foreign policy of Switzerland The essays deal with a diverse range of issues general foreign policy and neutrality defense and security policy relations with the United Nations the Swiss policy of good offices relations with the International Committee of the Red Cross Swiss human rights policy arms control and non proliferation and foreign economic policy Through these essays the dualistic nature of Swiss foreign policy being at once both strongly internationalist and strongly unilateralist is examined **International Dispute Settlement** J. G. Merrills,1998-11-26 Previous editions published 2nd 1991 and 1st 1984 **Barbed Wire Diplomacy** Neville Wylie,2010-03-25 This book examines how the UK government protected the lives interests and well being of its POWs in Nazi Germany The comparatively good treatment of British POWs in Germany has been explained in terms of self interest Wylie presents a more nuanced picture of Anglo German relations and the politics of prisoners of war *Charles Edward of Saxe-Coburg* Alan R. Rushton,2018-10-09 Charles Edward was ruler of the German Duchy of Saxe Coburg and Gotha president of the German Red Cross and the grandson of Queen Victoria He was closely allied with the rise of Adolf Hitler and the implementation of eugenic policies designed to improve German racial health When war began in 1939 Hitler ordered a secret program of murder by poison gas and starvation to eliminate the mentally and physically handicapped ballast people approximately 250 000 people were eventually killed Readers in medicine law sociology and history will be interested in this tragic story of a weak willed but powerful Nazi leader who facilitated this murderous program even though one of his own relatives died in the euthanasia scheme Although Charles Edward traveled to neutral countries during the war he did nothing to broadcast the inhumane treatment of his own and thousands of other families whose relatives disappeared into the murder machine **The Challenge of Neutrality** Georges André Chevallaz,2001-01-01 Prominent historian and former President of the Swiss

Confederation Georges Andr Chevallaz begins his study of Swiss neutrality during World War II with two essential questions Why in the face of German imperialism with its authoritarian totalitarian and racist ideology did Switzerland declare neutrality Why did it not join the camp of democracies or the other European nations who resolved to hold firm against the Germans Chevallaz s provocative and insightful book presented here for the first time in English attempts to answer these questions Chevallaz further offers an even handed reevaluation of the role of the principal actors in Swiss politics of the time notably Marcel Pilet Golaz head of the Department of Foreign Affairs and General Henri Guisan
