Good One Erm:

Good One, Erm Garry Disher,2013-05-01 Good One Erm is a warm and moving story of cranky neighbours and family love by the author of The Bamboo Flute It s not easy moving house and making new friends Especially not when the neighbours think you re weird And not when Ermyntude your grand piano sends wolfdogs and comets after the man next door And sirens and horses and roosters and barn owls It s not easy when you know you ll never see your father again will you ever be able to play the grand piano without him And will Ermyntude let you play music any more anyway **A**

Nigel C. Hunt,2010-05-13 Many millions of people are affected by the trauma of war Psychologists have a good understanding of how experiences of war impact on memory but the significance of external environmental influences is often disregarded Memory War and Trauma focuses on our understanding of the psychosocial impact of war in its broadest sense Nigel C Hunt argues that in order to understand war trauma it is critical to develop an understanding not only of the individual perspective but also of how societal and cultural factors impact on the outcome of an individual s experience This is a compelling book which helps to demonstrate why some people suffer from post traumatic stress while other people don t and how narrative understanding is important to the healing process Its multidisciplinary perspective will enable a deeper understanding of both individual traumatic stress and the structures of memory **English Unlimited Intermediate B**
