Good People:

   Why Good People Do Bad Things Gerard Vanderhaar,2013-08-09 Why Good People Do Bad Things sheds new light on the ethical dilemmas of modern life It shows how people of good will who are generally thoughtful caring and reasonably well balanced can unwittingly contribute to the evils present in our social systems In exposing these situations this book also offers the hope that these same good people can take a fresh look at the world around them In doing so they can then see the potential of our world as well as its defects and determine to be part of the solution rather than part of the problem   *When Good People Have Affairs* Mira Kirshenbaum,2024-05-01 A wise and welcome addition to the self help literature on infidelity Janis Abrahms Spring Ph D author of After the Affair A world renowned therapist Mira Kirshenbaum has treated thousands of men and women caught in the powerful drama over what to do when an affair reaches into their emotional lives Now in When Good People Have Affairs Kirshenbaum puts her unsurpassed experience into one clear calming place She gives readers everything they need to cut through the thickets of fear hurt and confusion to find their ways to happier more solid relationships with the person who s right for them For example Kirshenbaum identifies seventeen types of affairs helping readers figure out which type they re in and what it means Is it a See if affair Ejector seat affair Distraction affair Unmet needs affair Panic affair Kirshenbaum encourages honest answers to such questions as What am I missing in my marriage How do I decide between two people when it s like comparing an apple to an orange How do I decide to end my marriage end my affair or end them both She leads readers through six easy to navigate steps that will take anyone from anxiety to clarity When Good People Have Affairs will be a lifeline to any man or woman who feels caught between two lovers and its insights are indispensable to anyone else touched by an affair Kirshenbaum brings us practical steps for understanding affairs and utilizing the mistakes we make for a deeper healing Rabbi Ted Falcon Ph D rabbi of Bet Alef An Inclusive Spiritual Synagogue in Seattle and co author of Judaism for Dummies   *Good People in an Evil Time* Svetlana Broz,2020-09-22 In the 1990s Svetlana Broz granddaughter of former Yugoslav head of state Marshal Tito volunteered her services as a physician in war torn Bosnia She discovered that her patients were not only in need of medical care but that they urgently had a story to tell a story suppressed by nationalist politicians and the mainstream media What Broz heard compelled her to devote herself over the next several years to the collection of firsthand testimonies from the war These testimonies show that ordinary people can and do resist the murderous ideology of genocide even under the most terrible historical circumstances We are introduced to Mile Plakalovic a magnificent humanist who drove his taxi through the streets of Sarajevo picking the wounded up off the sidewalk and delivering food and clothing to young and old even when the bombing was at its worst We meet Velimir Milosevic poet who traveled with an actor and entertained children as they hid in basements to avoid the bombing and gunfire and we hear the stories of countless others who put themselves in grave danger to help others regardless of ethnic background Faced with a world in which unspeakable crimes not only went unpunished but were rewarded with glory

profit and power the Bosnians of all faiths who testify in this book were starkly confronted with the limits and possibilities of their own ethical choices Here in their own words they describe how people helped one another across ethnic lines and refused the myths promoted by the engineers of genocide This book refutes the stereotype of inevitable natural enmities in the Balkans and reveals the responsibility of individual actions and political manipulations for the genocide it is a searing portrait of the experience of war as well as a provocative study of the possibilities of resistance and solidarity The testimonies reverberate far beyond the frontiers of the former Yugoslavia This compelling book is essential reading for anyone who wants to understand the reality on the ground of the ethnic conflicts of the late twentieth and the twenty first centuries   Billions of Good People Will Burn in Hell! A Fascinating Trip to Humans Manufacturing Site Dinesh N. Verma,2018-08-09 A plane hijacked to a mysterious land And there he spoke Initially human beings were conceived to be created as four legged animals But suddenly it occurred to the Creative Team that if they too were made like other species then who would take care of the rest of living beings on earth And then on second thoughts they were created as a two legged species with special provision of a fertile brain and highly effective vocal cords the two special attributes Little did we know that by bestowing brains to humans the Creator was providing them with two invisible horns within their skull which would prove to be far more lethal with rapacity to lock their invisible horns with those of others and little did we know that the gift of speech would become a more dangerous weapon to fight and destroy others than even the most lethal arms and ammunitions *The Ghost-dance Religion and the Sioux Outbreak of 1890* James Mooney,1991-01-01 Responding to the rapid spread of the Ghost Dance among tribes of the western
