Good By To Stony Crick:

Good-by to Stony Crick Kathryn Kilby Borland, Helen Ross Speicher, 1974 When the family is forced by fire and poverty to leave their Appalachian home Jeremy finds city life in Chicago and its effect on his family hard to bear The Chicago of Fiction James A. Kaser, 2011-02-01 The importance of Chicago in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In *The Chicago of Fiction A Resource Guide* James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included **The Spirits of Cricket** James Knight, 2024-07-27 It's the start of an Australian summer and a drought is raging in the bush For strapping farm boy Jack Riordan swinging a cricket bat is his favourite escape from daily hardships But what happens when an Indian family arrives in the small town of Stony Creek to begin a new life Suddenly Jack is no longer the top player in the district That honour belongs to Ajeet Sharma who quickly becomes the star of the local school Despite jealousies and misunderstandings the boys must somehow work together on the field As their journey progresses they learn each has painful secrets that have affected their lives What are they And what can the boys learn from them The answers come from the strength of human spirit From the author of *My Life* Brett Lee comes the story of Ajeet and Jack and the unpredictable fortunes of the Stony Creek Public School cricket team *The Spirits of Cricket* brings the Australian bush India and cricket all to life It's about embracing who we are Josh Hazlewood Australian fast bowler
