**I Forgive You** Serlena A. Parks, 2022-06-18 If you have ever had to struggle with forgiveness you picked up the right book Most of us have had to deal with forgiving someone or having to ask someone for forgiveness Or sadly running from the idea of forgiveness altogether Whatever the case being able to forgive has the power to change your life This book has been written by the leading of the Holy Spirit I have carried the burden of forgiveness most of my life While some subjects were hard to talk about I have shared some of my life experiences I believe God has a plan for your life and it is time to let go of everything that has held you down As we go through this book I will break down how the enemy wants to steal your joy and your life by keeping you in bondage According to John 10 10 The thief cometh not but for to steal and to kill and to destroy I am come that they might have life and that they might have it more abundantly I pray that by the time you have concluded this book your life has been changed Everything that you have hold on to will be loosed and you ll be set free Jesus came that you may have life and enjoy life in abundance Learning to forgive is for you It is the power that frees you I have used my love for others as a guide to write every word written Except God led me in the writing of this book otherwise it would not exist May you be set free No more chains

The Merola's Alice J. Adessio, 2012-06-07 This book THE MEROLA S is the story of my ancestors including both my maternal and paternal grandparents and their voyage to America on the same ship It provides current and future generations of our family with both the Petrizzi and the Merola Family Trees It also gives a little information about the Adessio family It covers seven generations of my family contains little snippets of their life and many photographs and documents of the families through the ages It includes an illustration of the S S Neustria on which they traveled from Italy to America highlighting part of the ship's manifest The book contains photographs from Italy and the United States over a period of nearly one hundred twenty five years from 1890 to 2012 My maternal grandfather and his two cousins arrived in America in 1886 They found the streets were not paved in gold but they could earn a good living and support a family here After two years they returned to Italy to find wives and came back to America in 1890 with their new brides This book is their story I had for many years wanted to create a family tree for the young people in the family many of whom live out of state those who as you spoke to them usually said Who are you speaking about Are they related and if so how are they related I created an extensive Family Tree I went back seven generations beginning in Italy and culmination in the United States I decided that I wanted to tell the young people a little bit about their ancestors so I included mini biographies of my grandparents aunts and uncles and some of my cousins who are no longer with us I also included some short stories about them At this point I decided the younger members of the family now knew where they fitted in the family and a little bit about their relative's lives but they couldn't visualize

what these people looked like so I included photographs of these ancestors I was able to collaborate with two of my cousins I wrote the bios of the relatives and e mailed them to these cousins and my sister for their clarification of what I had written I had copies of documents and many photos of the family which I included I then called my sister making her crazy saying Momma had a photograph of so and so and it looked like this see if you can find it and mail it to me She always did The information in this book was not obtained using Ancestry.com which is not the most reliable source rather the stories and facts were handed down to us by our aunts and uncles over the years and as we recalled some of our experiences growing up It depicts the life of a family of Italian immigrants their pursuit of citizenship the hardships and the challenges they faced In reading the book you can see how times and concepts change as well as the struggles of our ancestors and how they handled adversity and dealt with any obstacles they encountered It shows how with perseverance and determination they prospered and became valued citizens These people my relatives became doctors lawyers a District Attorney clothing designers pharmacists CPAs and a U N Representative to name a few There were also many teachers bookkeepers business owners and managers builders architects photo engravers and engineers It took me about two years to complete this project and deal with a publisher but I finally achieved my goal I had my book published purchased the quantity I required and upon receiving the copies sent them to all of my relatives and gave a few copies to close friends It truly was a labor of love It was very gratifying to receive notes letters phone calls and e mails from my cousin

gave all she could and some would argue she gave too much But to Lizzy nothing was too much compared to fulfilling the promise made to her great grandmother Her word meant everything to Lizzy and in the end it was her word that would change history     Family of Souls Marie Hilton,2009-08-10 This collection of poems are from many different friends and family s ideas One is from my ten year old granddaughter Erin They were given to me in hopes that I would review edit and publish them It took a lot of time and effort to make some of them into a readable poem I had to go through them line by line I did not want to lose the message that each wanted to convey Everyone is not a poet but they seem to have a lot of interesting thoughts to write about I found it comforting to know that many of them see this world as it really is I am confident that you the reader from young to old will find several of these poems to ponder and relate to the intended meaning of the individual poems Even if you don t they are worthy of your time to read I believe that in a poem you can express yourself freely which is why poems are written by many who never intend to publish the things they feel very deeply about and write them down If you have some writings stuck away somewhere get them out and dust them off and clean up the grammar You may be pleasantly surprised at what you have wrote down You may become the next poet in your time     **The Watchtower and the Cross** D. A. Shane,2024-06-13 How far would you go to pursue truth For a boy raised in the Jehovah s Witness religion truth is taken for granted But as adolescence sets in the desire for more in life impels him to seek answers to his questions outside the four walls of the local Kingdom Hall Tortured by his past and his uncertainty about the present he wanders far afield and ultimately into a booze soaked despair that he is unable to free himself from But in that powerlessness God seeks him and in the process of giving him a new lease on life lights the pathways of truth once more With this newfound faith the boy now a man journeys forth to places as diverse as Marine Corps bootcamp and Catholic seminary all the while navigating the minefield of ideologies and competing belief systems that litter our postmodern society He loses and gains family and trades his place on the Watchtower for a spot underneath the Cross     **Momma's little Angels** Louis La Russo II,     *Drowning in Her Eyes* Patrick Ford,2013-11-14 The story begins with a narrative of the early lives of the two main characters Jack Riordan and Susan Baker Jack grows up on a farm in Australia Susan in New Mexico USA Susans father is diagnosed with a terminal condition and decides to use his remaining time to take his family to Australia Here at university the two meet and fall in love Jack had always wanted to become an Army officer and joins the University Regiment In the meantime Susans father dies and her mother becomes frantic with worry that her daughters will want to marry and remain in Australia Susan falls pregnant and her mother takes the family back to the US while Jack is away in the army On his return he cannot find out where they have gone They are separated for three years During this time their love never wavers and their daughter Jacqui is born Jack is sent to fight in Vietnam where he is engaged in several key battles and is decorated for his bravery and by a stroke of good fortune comes across Susans brother Jimbo who eventually tells him what had happened to Susan and their baby Soon they are re united and Jack brings his family back to Australia     MAMA Seska

L. Graser,2020-01-04 As Princess Yahaloma slept I made my way through the wall of butterflies that surrounded us and out into the night I noticed the heaviness of the air outside of the butterflies It was hard to breathe as the air was thick and had an odd smell to it My feet seemed to slip a little as I walked because of the mist that covered the ground Feeling very uncomfortable I picked up a large stick for protection I moved through the tall grass noticing the direction we must follow in the morning Nothing moved out here There was no moon no wind no sound no nothing It was very dark only light came from the stars above I stood still watched and listened Suddenly I saw a dim flicker of light about fifty feet from where I stood Turning and looking closer I saw another dim flicker of light I moved carefully taking a few steps at a time forward and my eyes began to sharpen with a clear night vision Looking around I saw there were ugly brown butterflies some as tall as I They danced as if they had legs like a man Raising their antennas and rubbing them together made a terrible sound in the night In the middle of the ugly large butterflies stood a very tall man Wait it was the man I saw walking with Princess Yahaloma It was him Why was he dressed so oddly His black clothes had large sharp pointed spears all over them so sharp that to even come close to them you would be severely cut without even touching them I saw fire coming up from under his feet that didn t even faze him His arms outstretched shaking many shiny necklaces then

spewing vicious words against them sometimes even screaming and cursing at the necklaces then laughing loudly He threw his head backward shrieking and then dropped those beautiful necklaces into the fire I crouched down in the tall grass I didn't want anyone to see me Who and what was this Feeling scared I decided to head back to Princess Yahaloma I should have never left her What was I thinking
