Goodbye Tsugumi:

Goodbye Tsugumi Banana Yoshimoto, 2015-09-15 In this witty perceptive novel a young woman moves to Tokyo and encounters the world of university enrollment and impending adulthood. Elle Banana Yoshimoto's novels of young life in Japan have made her an international sensation. *Goodbye Tsugumi* is an offbeat story of a deep and complicated friendship between two female cousins that ranks among her best work. Maria is the only daughter of an unmarried woman. She has grown up at the seaside alongside her cousin Tsugumi, a lifelong invalid, charismatic, spoiled, and occasionally cruel. Now Maria's father is finally able to bring Maria and her mother to Tokyo, ushering Maria into a world of university, impending adulthood, and a normal family. When Tsugumi invites Maria to spend a last summer by the sea, a restful idyll becomes a time of dramatic growth as Tsugumi finds love and Maria learns the true meaning of home and family. She also has to confront both Tsugumi's inner strength and the real possibility of losing her. *Goodbye Tsugumi* is a beguiling, resonant novel from one of the world's finest young writers.

Exploring the Self, Subjectivity, and Character across Japanese and Translation Texts Senko K. Maynard, 2022-01-17 From the perspective of philosophical contrastive pragmatics, this study investigates our multiple selves as manifested in how we use language. Based on analyses of original and translation texts of Japanese and English literary works, the Japanese self is proposed as being fundamentally empty and yet richly populated with multiple subjective aspects, characters, and characteristics. Incorporating the concept of emptiness drawn from Japanese philosophical traditions and postmodernism primarily developed in the West, selves evidenced in grammar, style, and variation are investigated, applying interpretive resources of linguistic subjectivity, character, and character speak. Expressive gaps found in source and target texts across two languages lead us toward different ontological views and guide us to engage in the rethinking of the concept of self.

Literature into Film Linda Costanzo Cahir,2014-12-24 For most people film adaptation of literature can be summed up in one sentence The movie wasn t as good as the book This volume undertakes to show the reader that not only is this evaluation not always true but sometimes it is intrinsically unfair Movies based on literary works while often billed as adaptations are more correctly termed translations A director and his actors translate the story from the written page into a visual presentation Depending on the form of the original text and the chosen method of translation certain inherent difficulties and pitfalls are associated with this change of medium So often our reception of a book based movie has more to do with our expectations and reading of the literature than with the job that the movie production did or did not do Avoiding these biases and fairly evaluating any particular literary based film takes an awareness of certain factors Written with a formalistic rather than historical approach this work presents a comprehensive guide to literature based films establishing a contextual and theoretical basis to help the reader understand the relationships between such movies and the original texts as well as the reader s own individual responses to these productions To this end it focuses on recognizing and appreciating the inherent difficulties encountered when basing a film on a literary work be it a novel novella play or short story Individual chapters deal with the specific issues and difficulties raised by each of these genres providing an overview backed up by case studies of specific film translations Films and literary works receiving this treatment include The Unbearable Lightness of Being The Manchurian Candidate 1962 Lady Windemere s Fan by Oscar Wilde and Shakespeare s Henry V Interspersed throughout the text are suggestions for activities the film student or buff can use to enhance his or her appreciation and understanding of the films Instructors considering this book for use in a course may request an examination copy here
