leading poets and musicians In this engrossing memoir Robson looks back at both his publishing career and life as a poet Stories abound whether it be driving Muhammad Ali around Britain coping with Michael Winner or working in the desert with David Ben Gurion Time spent joyously laughing with Maureen Lipman and Alan Coren while undertaking an exciting poetry reading tour with Ted Hughes and packing the Royal Festival Hall for a historic poetry and jazz concert Jeremy recounts treasured and life long friendships with the poets and writers Dannie Abse Alan Sillitoe Vernon Scannell Laurie Lee Yevgeny Yevtushenko Elie Wiesel and Frederic Raphael Well known and celebrated as both publisher and poet Jeremy Robson has produced a delicious memoir that will delight the reader      **Peter Sellers** Adrian Rigelsford,2004 Since his death in 1980 the public s fascination for Sellers both off and on screen has increased dramatically Everyone can name at least one of his creations or quote their dialogue Rigelsford celebrates his extraordinary career      The Real Peter Sellers Andrew Norman,2022-01-12 Throughout the world people regard Peter Sellers purely as a comedic genius surely one of the greatest ever to have lived But the astute observer will notice that he always appeared to be acting even when being interviewed So who was Peter Sellers Sellers once said I could never be myself you see There is no Me I do not exist There used to be me but I had it surgically removed Clearly this was not intended to be taken literally Instead the inference is that somehow he had lost his sense of identity To discover the real Peter Sellers is no easy task and when we do what we encounter is a totally different persona from the comedic characters that he portrayed on the screen Sellers had celebrity status a succession of beautiful wives immense wealth magnificent motor cars expensive yachts a house in Mayfair and various palatial residences But far from being happy he was plagued by self doubt ambitious but never satisfied And so he resorted to superstition clairvoyance and drugs to get himself through the day For all Sellers worldwide fame as Inspector Clouseau many regard the film Being There in which he played the character Chance a gardener as his masterpiece In fact the film was a damning indictment of the false god of materialism Sellers obsession with the character of Chance makes it seem likely that this was the kind of person he aspired to be and wished that he had been      Laughter on Record Warren Debenham,1988-06      Parky's People Michael Parkinson,2010-10-14 A unique memoir by Sir Michael Parkinson reflecting on 100 of the most legendary encounters by the man who has met everyone who is someone Sir Michael Parkinson occupies a unique place in the public consciousness For many he is the chronicler of a generation Through his onscreen work and his intelligent thought provoking journalism he has introduced millions of people to the major names of sport of showbiz over the past five decades In Parky s People Parkinson gives us an intimate insight into the lives of great celebrities from all around the world Now an international celebrity himself the man from a humble but colourful Yorkshire mining family who can tease out the secrets of even the most reticent star guest Those featured include Muhammad Ali David Attenborough Judi Dench David Beckham and many many more Parkinson s distinguished career has involved working on highly acclaimed current affairs and film programmes His wide interests and expertise include jazz film football and cricket Witty and humorous

Parky's People makes the perfect gift      **People on People** Susan Ratcliffe, 2001 From Martin Amis on Jimmy Connors and Jane Austen on Henry VIII to Liz Hurley on Marilyn Monroe and Madonna on Eva Peron here are more than 4 000 quotations about both historical and contemporary figures from all over the world The speakers are as well known as the people they are talking about and come from a broad range of disciplines and professions including actors architects dancers historians mathematicians literary figures politicians academics sports personalities and scientists We read Margot Fonteyn's praise of Fred Astaire His technique is astounding yet everything is accomplished with the air of someone sauntering through the park on a spring morning Albert Einstein on Madame Curie Very intelligent but as cold as a herring El Greco on Michaelangelo He was a good man but did not know how to paint And Barbara Streisand in defense of Bill Clinton We elected a President not a Pope All the quotations about an individual are brought together in an entry headed by a brief description making it possible to compare what different people have said about one particular person A detailed author index gives a context line from each quotation biographical information on authors and an overview of their comments often revealing their personalities A colorful source of information on famous personalities past and present People on People is an entertaining read perfect for browsing      **The Spectator** ,1980      **The Life and Death of Peter Sellers** Roger Lewis, 2025-07-17 A fascinating tragic and instructive story vividly told Sunday Telegraph Roger Lewis in his no holds barred biography exposes a Peter Sellers the world little knows Recognized as the greatest British comic since Charlie Chaplin Sellers was the grand master of fifty five films from Dr Strangelove to Being There and the Pink Panther hits But shadowing his phenomenal career was a history of increasingly bizarre behaviour involving psychotic violence compulsive promiscuity drug abuse and humiliating self destructive obsessions with people including Princess Margaret Sophia Loren Liza Minnelli and each of his four wives Ann Hayes Britt Ekland Miranda Quarry and Lynne Frederick He alternately showered his wives and children with gifts and then threatened to kill them Sellers fluidity as an actor made for a terrifying madness that grew like a slow metastasizing cancer throughout his adult life The Life and Death of Peter Sellers concludes with his premature death at the age of 54 sick at heart and alone in those sunless hotel rooms so recoiled from intimacy that no one really knew him anymore PRAISE FOR THE LIFE AND DEATH OF PETER SELLERS It is a mad book but then the subject is a madman I love Lewis's passion I recommend it Sunday Times Reinventing the genre as well as reassessing its subject with formidable intelligence this book is a remarkable achievement Literary Review      *Sight and Sound* ,1995      *The Feathered World* ,1906      *The Annual Register, Or, A View of the History and Politics of the Year ...* ,1853 Continuation of the reference work that originated with Robert Dodsley written and published each year which records and analyzes the year's major events developments and trends in Great Britain and throughout the world After 1815 the usual form became a number of chapters on Great Britain paying particular attention to the proceedings of Parliament followed by chapters covering other countries in turn no longer limited to Europe The expansion of the History came at the expense of the sketches reviews and other essays so that the

nineteenth century publication ceased to have the miscellaneous character of its eighteenth century forbear although poems continued to be included until 1862 and a small number of official papers and other important texts continue to be reproduced     Waterstone's Guide to Books Waterstone & Co,1989     Canfield Guide to Classical Recordings ,1988
