Department of Printed Books,1899 **The Structure of Matthew's Gospel** David Bauer,2015-01-29 This book addresses a central issue confronting the reader of the Gospel Professor Bauer describes the impasse that has been reached in recent investigation of the structure of Matthew and demonstrates that an appreciation of literary design can provide a way forward After identifying rhetorical features that relate to literary structure he devotes the major part of his book to a systematic examination of such features as they appear in the Gospel in order to gain a fresh insight into the shape of the work This study is valuable both for its comprehensive and judicious review of the question of structure in Matthew s Gospel and for the new direction which it establishes **Catalogue of Printed Books** British Museum,1894 **The Mystery of Manna** Dan Merkur,2000 Moses told the Israelites that after eating manna they would see the glory of God And indeed they did Dan Merkur posits that this event was an initiation into a psychedelic mystery cult that induced spiritual visions through eating bread containing psychoactive fungus This practice he reveals was a continuation of an ancient tradition of visionary mysticism The Bibliographer's Manual of English Literature William Thomas Lowndes,1887 *Second Supplement to the Catalogue of Books in the Mercantile Library of the City of New York* Anonymous,2023-03-29 Reprint of the original first published in 1872 **Second Supplement to the Catalogue of Books in the Mercantile Library of the City of New York** Mercantile Library Association of the City of New-York,1869

Alter,2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
