How do you cope with impossible people The author offers clear and direct answers for dealing with relationships that give so little but demand so much Gender, Sex and Gossip in Ambridge Cara Courage, Nicola Headlam, 2019-04-05 The Archers Academics are joined by former The Archers editor Alison Hindell and actor Dr Charlotte Connor a k a Susan Carter to examine the power of gossip in Ambridge portrayals of love marriage motherhood female education and career expectations women s mental health and the hard won right of women to play cricket **Living Stories** Donald Capps, In Living Stories Donald Capps makes a forceful case for the importance of pastoral counseling in the life of a congregation Arguing convincingly for a paradigmatic revolution Capps offers a radically new model that gives systematic and constructive attention to the way people actually story their lives inspirationally paradoxically or miraculously Through such engagement pastors can help people discover their own stories discern the shape and direction of those stories and move constructively to find new understandings or more hopeful possibilities in their life situations Gossip and Gender Marianne Bjelland Kartzow, 2009-12-15 This book suggests that gossip can be used as an interpretive key to understand more of early Christian identity and theology Insights from the multi disciplinary field of gossip studies help to interpret what role gossip plays especially in relation to how power and authority are distributed and promoted A presentation of various texts in Greek Hebrew and Latin shows that the relation between gossip and gender is complex to gossip was typical for all women and risky for elite men who constantly had to defend their masculinity Frequently the Pastoral Epistles connect gossip to false teaching as an expression of deviance On several occasions it is argued that various categories of women have to avoid gossip to be entrusted duties or responsibilities Old wives tales are associated with heresy contrasted to godliness in which one had to train one self Other passages clearly suggest that the false teaching resembles feminine gossip by use of metaphorical language profane words will spread fast and uncontrolled like cancer what the false teachers say is tickling in the ear and their mouth must be stopped or silenced The Pastoral Epistles employ terms drawn from the stereotype of gossip as rhetorical devices in order to undermine the masculinity and hence the authority of the opponents Good Gossip Robert F. Goodman, Aharon Ben-Ze'ev, 1994 Twenty two scholars from several disciplines turn a professional eye to this much maligned yet heavily practiced form of conversation They show how it contributes to community cohesion and helps individuals better understand their own predicaments problems and personal idiosyncrasies in light of knowledge about the life experiences of others **ICGCS 2021** Jendrius Jendrius , Bernadette P. Extraordinarily Ordinary Erin A. Meyers, 2020-02-14 Extraordinarily Ordinary offers a critical analysis of the production of a distinct form of twenty first century celebrity constructed through the exploding coverage of reality television cast members in Us Weekly magazine Erin A Meyers connects the economic and industrial forces that helped propel Us Weekly to the top of the celebrity gossip market in the early 2000s with the ways in which reality television cast members fit neatly into the social and cultural norms that shaped the successful gossip formulas of the magazine Us Weekly's construction of the extraordinarily ordinary celebrity within its gossip narratives is a significant symptom of the broader intensification of discourses of ordinariness and the private in the production of contemporary celebrity in which fame is paradoxically grounded in just being yourself while simultaneously defining what the right sort of self is in contemporary culture
