Got Em Down Store Lum Abner:

Lum and Abner Randal L. Hall, 2021-12-14 In the 1930s radio stations filled the airwaves with programs and musical performances about rural Americans farmers and small town residents struggling through the Great Depression One of the most popular of these shows was Lum and Abner the brainchild of Chester Chet Lauck and Norris Tuffy Goff two young businessmen from Arkansas Beginning in 1931 and lasting for more than two decades the show revolved around the lives of ordinary people in the fictional community of Pine Ridge based on the hamlet of Waters Arkansas The title characters who are farmers local officials and the keepers of the Jot Em Down Store manage to entangle themselves in a variety of hilarious dilemmas The program s gentle humor and often complex characters had wide appeal both to rural southerners who were accustomed to being the butt of jokes in the national media and to urban listeners who were fascinated by descriptions of life in the American countryside Lum and Abner was characterized by the snappy verbal comedic dueling that became popular on radio programs of the 1930s Using this format Lauck and Goff allowed their characters to subvert traditional authority and to poke fun at common misconceptions about rural life The show also featured hillbilly and other popular music an innovation that drew a bigger audience As a result Arkansas experienced a boom in tourism and southern listeners began to immerse themselves in a new national popular culture In Lum and Abner Rural America and the Golden Age of Radio historian Randal L Hall explains the history and importance of the program its creators and its national audience He also presents a treasure trove of twenty nine previously unavailable scripts from the show s earliest period scripts that reveal much about the Great Depression rural life hillbilly stereotypes and a seminal period of American radio **Forsyth County** Annette

Bramblett, 2002 The northern Georgia reaches were once home to the Cherokee Nation who as early as 1731 lived among the fertile lands and were linked to other native inhabitants by a meager trading path The first European settlers and traders arriving in 1797 introduced agriculture to the area as families established homes and farms along the Georgia Road Forestry thrived necessitating mills and factories while the poultry industry and high quality cotton attracted waves of new settlers The county s scenic splendor has drawn people away from urban centers appealing to new residents and visitors with a relaxed and rural beauty Today Forsyth County proudly boasts of its recognized status as the nation s fastest growing county Originally the home of significant amounts of gold particularly through the Dahlonega Gold Belt and the Hall County Gold Belt Forsyth County prospered as settlers quickly commanded the area The costs may have outweighed the gains at times however and hardships befell the county through racial tension economic trials and extreme population fluctuations Nevertheless the county has persevered and its people have shown both strength of character and spirit Including new and unpublished data this book explores the important advances in education economy and historic preservation in Forsyth County as well as the tragic events related to the expulsion of the African American population in 1912 and the Brotherhood Marches in 1987 **Kentucky Off the Beaten Path®** Zoe Strecker, Jackie Sheckler Finch, 2009-07-01 Go beyond the usual

tourist attractions to discover hidden treasures in the Bluegrass State **Ain't That a Knee-Slapper** Tim Hollis,2010-07-27
 There was a time when rural comedians drew most of their humor from tales of farmers daughters hogs hens and hill country high jinks Lum and Abner and Ma and Pa Kettle might not have toured happily under the Redneck marquee but they were its precursors In Ain t That a Knee Slapper Rural Comedy in the Twentieth Century author Tim Hollis traces the evolution of this classic American form of humor in the mass media beginning with the golden age of radio when such comedians as Bob Burns Judy Canova and Lum and Abner kept listeners laughing The book then moves into the motion pictures of the 1930s 1940s and 1950s when the established radio stars enjoyed second careers on the silver screen and were joined by live action renditions of the comic strip characters Li l Abner and Snuffy Smith along with the much loved Ma and Pa Kettle series of films Hollis explores such rural sitcoms as The Real McCoys in the late 1950s and from the 1960s The Andy Griffith Show The Beverly Hillbillies Green Acres Hee Haw and many others Along the way readers are taken on side trips into the world of animated cartoons and television commercials that succeeded through a distinctly rural sense of fun While rural comedy fell out of vogue and networks sacked shows in the early 1970s the emergence of such hits as The Dukes of Hazzard brought the genre whooping back to the mainstream Hollis concludes with a brief look at the current state of rural humor which manifests itself in a more suburban redneck brand of standup comedy **Down Mason City's Memory Lane** Dale C. Fancher,2007-07 Mason City Illinois a tiny rural community in the heart of the Midwest is the setting for Dale Fancher s book of reflections and memories of a day gone by A lifelong resident of Mason City Fancher has a keen mind and a heart for the quaint easily lost memories of youth From bathing in a galvanized washtub to trailing behind the ice delivery truck to beg shards of ice on a hot day from fishing at Salt Creek at night and listening to the bobcats to World War II blackouts Reading Fancher s book one becomes familiar with local characters like Kenny Hanover still barbering after fifty years and Edna Sylvie the barefoot taxi lady Told as a series of Remember when and Did you ever snippets reading this book is like flipping through an old family photo album **Country Music Humorists and Comedians** Loyal Jones,2008-10-08 An exhaustive reference detailing the mirth and music of country music humorists and comedians **A Guide to the South's Quirkiest Roadside Attractions** Kelly Kazek,2022-10-03 If you re in Nashville or Austin or Mobile and you have the urge to see something strange connoisseur of the offbeat Kelly Kazek has you covered Cruise the South from Louisville s enormous collection of the world s largest things to Miami s Burger Museum to Odessa s Stonehenge replica If you re around Hot Springs Arkansas you might want to bop into the Alligator Farm and Petting Zoo to see where Babe Ruth s first five hundred foot homer came crashing down And if you re looking to make contact with the unusual why not visit the UFO Welcome Center in Bowman South Carolina Wherever you are in the South there s something strange or stupendous nearby and this catalogue of noteworthy curiosities and significant landmarks makes sure you don t miss a thing **Encyclopedia of Unaired Television Pilots, 1945-2018** Vincent Terrace,2018-10-09 Covering the years 1945 2018 this alphabetical listing

accomplishments of individuals such as Sen J William Fulbright and architect E Fay Jones remain intertwined with the university and the world. Students remain the lifeblood of the university though participating in traditions like homecoming Senior Walk and Razorback athletics with fierce pride. The photographs in this collection tell the stories of the first 125 years of the University of Arkansas.

Up South in the Ozarks Brooks Blevins, 2023-02 *Up South in the Ozarks* Dispatches from the Margins is a collection of essays from Brooks Blevins that explore southern history and culture using the author's native Ozarks region as a focus. From migrant cotton pickers and fireworks peddlers to country store proprietors and shape note gospel singers, Blevins leaves few stones unturned in his insightful journeys through a landscape wedged betwixt and between the South and the Midwest and grasping for the West to boot.

Those Great Old-Time Radio Years Aubrey J. Sher PH.D., 2013-08-15 *Those Great Old-Time Radio Years* takes the listener on a memorable ride from the invention of the radio into its nostalgic Golden Age when the author brings back memories of programs that developed a listener's power of imagination before television made its debut. The book is comprised of an Introduction and eleven chapters, each headed by a picture that aptly pertains to it. The eleven chapters cover the following subjects: 1 The Golden Age of Radio 2 Adventure Mystery and Suspense 3 Broadcasting News Sports Gossip and Disc Jockeys 4 Children's Programs 5 Comedy and Variety 6 Music 7 Quiz and Panel 8 Sitcom 9 Soap Opera 10 Theater and 11 Western.

From Radio to Television Vincent Terrace, 2022-10-20 The early years of television relied in part on successful narratives of another medium as studios adapted radio programs like *Boston Blackie* and *Defense Attorney* to the small screen. Many shows were adapted more than once like the radio program *Blondie* which inspired six television adaptations and 28 theatrical films. These are but a few of the 164 programs covered in this volume. Each program entry contains a detailed story line, years of broadcast, performer, and character casts, and principal production credits where possible. Two appendices, *Almost a Transition and Television to Radio* and a performer's index, conclude the book. This first of its kind encyclopedia covers many little-known programs that have rarely been discussed in print, e.g. *Real George* based on *Me and Janie*. Volume One based on *Quiet Please* and *Galaxy* based on *X Minus One*. Covered programs include *The Great Gildersleeve*, *Howdy Doody*, *My Friend Irma*, *My Little Margie*, *Space Patrol*, and *Vic and Sade*.

Arkansas/Arkansaw Brooks Blevins, 2010-06-01 What do Scott Joplin, John Grisham, Gen Douglas MacArthur, Maya Angelou, Brooks Robinson, Helen Gurley Brown, Johnny Cash, Alan Ladd, and Sonny Boy Williamson have in common? They're all Arkansans. What do hillbillies, rednecks, slow trains, bare feet, moonshine, and double wides have in common? For many in America, these represent Arkansas more than any other state's success stories do. In 1931, H. L. Mencken described AR, not AK, folks as the apex of moronia. While in 1942, a *Time* magazine article said Arkansas had developed a mass

inferiority complex unique in American history Arkansas Arkansaw is the first book to explain how Arkansas's image began and how the popular culture stereotypes have been perpetuated and altered through succeeding generations Brooks Blevins argues that the image has not always been a bad one He discusses travel accounts literature radio programs movies and television shows that give a very positive image of the Natural State From territorial accounts of the Creole inhabitants of the Mississippi River Valley to national derision of the state's triple wide governor's mansion to Li'l Abner the Beverly Hillbillies and Slingblade Blevins leads readers on an entertaining and insightful tour through more than two centuries of the idea of Arkansas One discovers along the way how one state becomes simultaneously a punch line and a source of admiration for progressives and social critics alike Winner 2011 Ragsdale Award **Arkansas Mischief** Jim McDougal, Curtis

Wilkie, 2015-07-21 Until his recent death in federal prison Jim McDougal was the irrepressible ghost of the Clintons Arkansas past As Bill Clinton's political and business mentor McDougal with his knowledge of embarrassing real estate and banking deals bribes and obstructions of justice has long haunted the White House Jim McDougal's vivid self portrait completed only days before his death and coauthored by veteran journalist Curtis Wilkie takes on the rich particularity of character and plot to reveal the hidden intersections of politics and special interests in Arkansas and the betrayals that followed It is the story of how ambitious men and women climbed out of rural obscurity and how friendships break down and lives are ruined

the legislature and went home because there were no other bills that concerned him The fishermen who stumbled across pearls in a landlocked lake The girl singer who rode in a small RV behind the star until she became the star The sad journey down the trail of broken promises And the greatest worm fiddler of them all For Pirtle other voices in other towns have all been joined together to form the traveler s story
