Gottfried Keller: Romeo und Julia auf dem Dorfe** Thomas Koebner, 2009     **The Waiting Water** Alexander Sorenson, 2024-09-15 The Waiting Water

addresses one of the most recurrent and troubling motifs in German Realist literature death by drowning Characters find themselves before bodies of water presented with the familiar realm above the surface and the unobservable uncanny domain beneath it With somber regularity they then disappear into the depths Alexander Sorenson explores the role that these hidden deaths in water play within a literary movement that set out precisely to reveal universal truths about human life The poetics of submergence he argues revolve around two concepts fundamental to Poetic Realism order and sacrifice Focusing on texts by Adalbert Stifter Gottfried Keller Marie von Ebner Eschenbach and Theodor Storm along with material from earlier and later epochs The Waiting Water shows that the pervasive symbolism of drowning scenes in German Realism which typically occur in zones of narrative invisibility on the social periphery reveals the extent to which realist narrative uses the natural environment to work through deeply embedded and hidden tensions that troubled the social and moral life of the age     **Readers and Their Fictions in the Novels and Novellas of Gottfried Keller** Gail K. Hart, 2020-05-01 This study seeks to alter our understanding of Keller's realism by problematizing the act of reading within fiction The story of reading in Keller's fiction is a self conscious meditation on the schism between life and its literary representation and it emphasizes the incapacity of that representation to actually and substantially influence the life it is based on This has

consequences for the didactic writer The act of reading here generally involves a collision between fiction and its other and a move or tragic failure to move toward an acceptance and affirmation of the non correspondence between life and literature a process that renders moral didacticism a quixotic project This position runs counter to the prevailing view of Keller as a consciously didactic author who tried to create a credible copy of reality in order to revise and repair the real world by inspiring readers to make the depicted improvements in their nonfictional universe     **Romeo und Julia auf dem Dorfe.**

**The Saving Line** Márton Dornbach,2020-12-15 Walter Benjamin and Theodor Adorno both turned to canonical literary narratives to determine why the Enlightenment project was derailed and how this failure might be remedied The resultant works Benjamin s major essay on Goethe s Elective Affinities and Adorno s meditation on the Odyssey in Dialectic of Enlightenment are centrally concerned with the very act of narration M rton Dornbach s groundbreaking book reconstructs a hitherto unnoticed wide ranging dialogue between these foundational texts of the Frankfurt School At the heart of Dornbach s argument is a critical model that Benjamin built around the concept of caesura a model Adorno subsequently reworked Countering an obscurantism that would become complicit in the rise of fascism the two theorists aligned moments of arrest in narratives mired in unreason Although this model responded to a specific historical emergency it can be adapted to identify utopian impulses in a variety of works The Saving Line throws fresh light on the intellectual exchange and disagreements between Benjamin and Adorno the problematic conjunction of secular reason and negative theology in their thinking and their appropriations of ancient and modern legacies It will interest scholars of philosophy and literature critical theory German Jewish thought classical reception studies and narratology     *Die Bedeutung gesellschaftlicher Normen und Werte und die Schuldfrage in Gottfried Kellers "Romeo und Julia auf dem Dorfe"* Daniel Krohne,2007 Studienarbeit aus dem Jahr 2002 im Fachbereich Germanistik Neuere Deutsche Literatur Note 2 0 Heinrich Heine Universit t D sseldorf Abteilung f r Neuere Germanistik Veranstaltung Deutsche Erz hlungen des 19.Jahrhunderts 5
