Good Women Of China:

The Good Women of China Xinran, 2008-11-26 When Deng Xiaoping's efforts to open up China took root in the late 1980s Xinran recognized an invaluable opportunity. As an employee for the state radio system she had long wanted to help improve the lives of Chinese women. But when she was given clearance to host a radio call-in show she barely anticipated the enthusiasm it would quickly generate. Operating within the constraints imposed by government censors, *Words on the Night Breeze* sparked a tremendous outpouring and the hours of tape on her answering machines were soon filled every night. Whether angry or muted, posing questions or simply relating experiences, these anonymous women bore witness to decades of civil strife and of halting attempts at self-understanding in a painfully restrictive society. In this collection by turns heartrending and inspiring, Xinran brings us the stories that affected her most and offers a graphically detailed, altogether unprecedented work of oral history.

The Good Women of China Xinran, 2009 This work presents women's stories collected by Xinran Xue when she was hosting a radio phone-in programme about women's lives in China. The stories reveal what it means to be a woman in today's China, telling of almost inconceivable suffering as well as love in the face of cruelty and politics.

Good Women of China Proof Xinran Xinran, 2002-07 *Women and China's Revolutions* Gail Hershatter, 2018-09-04 If we place women at the center of our account of China's last two centuries, how does this change our understanding of what happened? This deeply knowledgeable book illuminates the places where the Big History of recognizable events intersects with the daily lives of ordinary people, using gender as its analytic lens. Leading scholar Gail Hershatter asks how these events affected women in particular and how women affected the course of these events. For instance, did women have a 1911 revolution? A socialist revolution? If so, what did those revolutions look like? Which women had them? Hershatter uses two key themes to frame her analysis. The first is the importance of women's visible and invisible labor. The labor of women in domestic and public spaces shaped China's move from empire to republic to socialist nation to rising capitalist power. The second is the symbolic work performed by gender itself. What women should do and be was a constant topic of debate during China's transformation from empire to weak state to partially occupied territory to nascent socialist republic to reform era powerhouse. What sorts of concerns did people express through the language of gender? How did that language work and why was it so powerful? Drawing on decades of Hershatter's groundbreaking scholarship and mastery of a range of literatures, this beautifully written book will be essential reading for all students of China's modern history.

Chinese Women Writers in Diaspora Amy Tak-yee Lai, 2009-03-26 The mention of Chinese women writers in diaspora immediately brings to mind Jung Chang's 1952 book *Wild Swans: Three Daughters of China* (1991), which won the 1992 NCR Book Award and the 1993 British Book of the Year Award and got officially banned in China. Despite its popular reception and crucial acclaim, Chang's work has invited a lot of attacks. Among the most common is the contention that it merely focuses on the experience

of the privileged and does not tell the reader what other memoirs have not already revealed Chinese Women Writers in Diaspora is a pioneering study that focuses on four Chinese women writers currently living in the United States and England whose works have been popularly received and are in many cases highly controversial but have received little scholarly attention Xinran b 1958 Hong Ying b 1962 Anchee Min b 1957 and Adeline Yen Mah b 1937 The chapters illuminate how Xinran constructs her identity and her fellow Chinese women in dialectics of self and other how Hong Ying evokes cycles of return that blend Western and Chinese philosophical concepts how Min employs images of theatre and theatrical conventions to depict the entrapment and transgression of her protagonists and how Mah transliterates and appropriates both Western and Chinese fairy tale motifs to fashion her Chinese feminist utopia While Jung Chang's memoir seems confining it has aroused interest in the genre of Chinese female autobiography and Chinese women writers who live and write between cultures

China's Three Gorges, Xi'an and the Terracotta Warriors Simon Foster, Vivien Lougheed, 2009-10-15 This guide is based on our much larger 530 page guide to Bolivia Here we zero in on La Paz the capital and all of the nearby attractions La Paz is not a big city on the world scale but it is certainly one of the more interesting ones Built in a bowl created by the Choqueyapu River the upper parts of the city stand 1 645 ft 500 m above the lower sections Unlike any other city in the world the richer neighborhoods are located at the lower levels This is partly due to the fact that it is warmer and easier to breathe at the lower altitudes Also the pinnacles and spires of conglomerate rock and clay that have been sculptured by wind and water make a dramatic backdrop for those living below them The higher up the bowl one goes the more unstable the land becomes and the more likely a landslide will occur The plazas squares and Prado are well kept in La Paz and even in the depth of winter plants are tended to help make the city attractive Street cleaners are out every day and local merchants regularly wash the area in front of their shops On a clear day Mount Illimani a snow covered monolith can be seen as a sentry towering over the city Valley of the Moon is six miles 10 km from the center of La Paz and can be reached by joining a tour or by taking micro bus 11 or minibus 231 or 273 to Mallasilla The hillside features a maze of clay canyons and pinnacles that have been sculpted by wind and rain Narrow trails through the landscape take about an hour to walk There is also a cactus park just before the entrance The park overlooks a gorge and has paths leading around numerous types of cacti As you continue

up the road you will come to Parque National Mallasa with its bird observatory and across the road the zoo area The road passes under natural stone bridges and past Chulpani s Red Hill There is no mistaking which hill this is From Mallasa one can see across the river to the highest golf course in the world Devil s Tooth or Muela del Diablo is a huge volcanic plug sticking out of the landscape to a height of 13 000 ft 3 950 m Several trails go to the right follow the one that obviously leads to the village From there go to the left for 3 miles about half a kilometer to the foot of the rock Climbers are occasionally found on the east face Canyon de Palca or Valle de Animas is a deep canyon that was carved by the Rio Palca centuries ago To get there take a bus going to Huni from Plaza Belzu on Avenida Mexico in San Pedro There are huge pinnacles and wind carved conglomerates The trail continues along the bottom of the canyon to a natural obelisk Just past the obelisk is a rock that has the appearance of a human hiding in a cave The rock is called the hermit of the canyon Continue along the canyon to its end and climb to your left up to the village of Palca This is a long day hike All of the detailed information you need is here about the hotels restaurants shopping sightseeing But we also lead you to new discoveries turning corners you haven t turned before helping you to interact with the world in new ways That s what makes our Adventure Guides unique An excellent addition to the Adventure Guide series packed with detail from where to stay and eat to where to shop for local crafts and how to enjoy historic sites This guide surveys the wildlife and outdoor opportunities of the country which range from tropical jungle to high plains deserts Hiking and viewing opportunities blend with cultural insights Highly recommended The Midwest Book Review *Proceedings of the 18th Conference of the Simone de Beauvoir Society* Andrea Duranti,Matteo Tuveri,2017-01-06 On April 14 1986 Simone de Beauvoir died in Paris She was the prettiest Existentialist who during her long and intense life had observed described analytically deconstructed and effectively changed the world that surrounded her one word at a time An engaged intellectual like her life partner and comrade Jean Paul Sartre she took actively part in most of the main social and political struggles of the 20th century including first and foremost women s emancipation and self determination as well as the decolonisation of French Algeria and the denouncement of American imperialism in Vietnam and the marginalisation of elderly people in contemporary societies This collection of essays arising from the 18th International Conference of the Simone de Beauvoir Society held in Cagliari Italy in June 2010 provides a major contribution to the field of Beauvoirian studies with up to date research provided by scholars from a variety of disciplines that range from French literature to gender studies from philosophy to social sciences offering a multifaceted overview on the state of the art of research on the life and the works of Simone de Beauvoir 30 years after her demise

Social Media in Industrial China Xinyuan Wang,2016-09-13 Life outside the mobile phone is unbearable Lily 19 factory worker Described as the biggest migration in human history an estimated 250 million Chinese people have left their villages in recent decades to live and work in urban areas Xinyuan Wang spent 15 months living among a community of these migrants in a small factory town in southeast China to track their use of social media It was here she witnessed a second

migration taking place a movement from offline to online As Wang argues this is not simply a convenient analogy but represents the convergence of two phenomena as profound and consequential as each other where the online world now provides a home for the migrant workers who feel otherwise homeless Wang's fascinating study explores the full range of preconceptions commonly held about Chinese people their relationship with education with family with politics with home and argues why for this vast population it is time to reassess what we think we know about contemporary China and the evolving role of social media
