Busy Woman Seeks Wife Annie Sanders, 2025-05-01

To a casual observer Londoner Alex Hill is every inch the calm and collected executive of a global sportswear company. In reality she's constantly frantic with barely enough time to take out the trash. When her demanding mother, a 1960s style icon, has a bad fall and has to move in with her indefinitely, Alex realizes she needs someone more committed than a maid: what she needs is a wife. An ad in the local paper soon produces a young woman who seems both enthusiastic and capable. But something odd is definitely happening behind the scenes of Alex's new perfectly ordered existence. Someone distinctly male is charming her mother as well as doing all the ironing. He's no one Alex would ordinarily ever notice, never mind date. But now she can't help wondering if her new wife could perhaps have husband potential.

Instructions for Bringing Up Scarlett Annie Sanders, 2011-06-09. It's not the promises we make that count; it's the ones we keep. Alice is living the life she always dreamed of: a travel guide writer, her life is one of carefree adventure with no ties, no constraints, and no worries. Virginia finally has everything she ever wanted: The loving husband, the beautiful daughter, and the successful career. Life hasn't always been easy, but she knows that her family can weather any storm. They have been best friends since university, so much so that Virginia trusts Alice with all she holds dearest. Then tragedy strikes, and Alice finds she must honour a rash promise she made to her friend. It's then she discovers that it can be the people you think you know best who hold the most closely guarded secrets.

Warnings Of Gales Annie Sanders, 2010-04-22. Three women rent a holiday house in Cornwall for the summer. Each brings with her children baggage in every sense and expectations. Imogen, who organised the holiday, is frighteningly capable and a bit of a control freak. With three children who are at the centre of her world, she's determined that this holiday will be perfect. But is Imogen's tidy life quite as happy as it seems? Sophie is Imogen's oldest friend, dating back to the days when they would chat long after lights out at their Home Counties boarding school. Sophie knows she should be feeding her offspring organic couscous, but they love McDonald's apple pies too much, and where's the harm in that? But is there more to Sophie than dogged loyalty to her rather overbearing old mate? And then there's Jo, an acquaintance of Sophie's roped in at the last minute when the first choice of housemate pulled out. An east London GP and single mother, and very easy going with her son, she appears to be the polar opposite to Imogen. A group holiday seemed such a good idea back in January.

Against Meritocracy Jo Littler, 2017-08-16. Meritocracy today involves the idea that whatever your social position at birth, society ought to offer enough opportunity and mobility for talent to combine with effort in order to rise to the top. This idea is one of the most prevalent social and cultural tropes of our time, as palpable in the speeches of politicians as in popular culture. In this book, Jo Littler argues that meritocracy is the key cultural means of legitimation for contemporary neoliberal culture, and that whilst it promises opportunity, it in fact creates new forms of social division. *Against Meritocracy* is split into two parts. Part I explores the genealogies of meritocracy within social theory, political discourse, and working cultures. It traces the dramatic U-turn in meritocracy's meaning from socialist slur to a contemporary ideal of how a society should be organised. Part II uses a series of case studies to analyse the cultural pull of popular parables of progress, from reality TV to

the super rich and celebrity CEOs from social media controversies to the rise of the mumpreneur Paying special attention to the role of gender race and class this book provides new conceptualisations of the meaning of meritocracy in contemporary culture and society Masterclass: Get Your Book Published Katherine Lapworth,2014-06-27 LEARN HOW TO FIND A PUBLISHER AND GET YOUR BOOK PUBLISHED Do you have a completed manuscript ready for submission Are you looking to successfully publish or self publish your work Do you have the level of understanding of the publishing industry Whether you want to take a traditional route into print or want to digitally self publish this book will give you the advice you need on everything from submitting manuscripts to garnering reviews and promoting your work It covers everything from polishing a final draft to managing your finances and is also full of case studies advice and tips from industry insiders from both traditional publishing and successful self publishing backgrounds ABOUT THE SERIES The Teach Yourself Creative Writing series helps aspiring authors tell their story Covering a range of genres from science fiction and romantic novels to illustrated children s books and comedy this series is packed with advice exercises and tips for unlocking creativity and improving your writing And because we know how daunting the blank page can be we set up the Just Write online community at tyjustwrite for budding authors and successful writers to connect and share **How To Write Your First Novel** Sophie King,2011-07-01 Let best selling novelist Sophie King guide you through the whole process of writing your first novel and getting it published This revised edition takes aspiring novelists through the steps of writing a novel from finding that initial idea to keeping the plot going and crafting the perfect ending With helpful exercises in each chapter you will learn how to Develop a brilliant idea for your first novel Create characters that will make your novel come alive Plot your novel so that your readers simply have to turn the page Unravel the mysteries of viewpoint Create realistic dialogue and settings so your readers feel they are there Find your own voice Most importantly the book includes tips and advice on how to get published This new edition also includes a ten step guide to revision so that you can polish your novel to be the best it can be **The Judge's List** John Grisham,2022-06-21 1 NEW YORK TIMES BESTSELLER John Grisham returns to Florida where The Whistler s Lacy Stoltz takes on a cold case that reveals a judge s darkest secrets One of the best crime reads of the year a world class shocker worth staying up all night to finish The Wall Street Journal In The Whistler Lacy Stoltz investigated a corrupt judge who was taking millions in bribes from a crime syndicate She put the criminals away but only after being attacked and nearly killed Three years later and approaching forty she is tired of her work for the Florida Board on Judicial Conduct and ready for a change Then she meets a mysterious woman who is so frightened she uses a number of aliases Jeri Crosby s father was murdered twenty years earlier in a case that remains unsolved and that has grown stone cold But Jeri has a suspect whom she has become obsessed with and has stalked for two decades Along the way she has discovered other victims The man Jeri holds responsible for all these deaths is brilliant patient and always one step ahead of law enforcement He is the most cunning of all serial killers He knows forensics police procedure and most important he knows the law He is a
