Gospel Church And Kingdom Comparative Studies In World Mission Theology:

Gospel Church and Kingdom James A. Scherer, 2004-06-17 What is the goal of mission What strategies are needed today How do evangelism and social problems relate What is the role of dialog between Christians and non Christians These questions and more are the concerns of Protestant evangelical Lutheran and Roman Catholic churches Dr Scherer analyzes the various approaches of churches in mission and sharpens the biblical goal of making disciples of all nations Mission to the World Tormod Engelsviken, Ernst Harbakk, Rolv Olsen, Thor Strandenaes, 2009-11-01 *The Missional Church in Perspective (The Missional Network)* Craig Van Gelder, Dwight J Zscheile, 2011-05-01 In this book two leading ministry experts place the missional church conversation in historical perspective and offer fresh insights for its further development They begin by providing a helpful review of the genesis of the missional church and offering an insightful critique of the Gospel and Our Culture Network s seminal book Missional Church which set the conversation in motion They map the diverse paths this discussion has taken over the past decade identifying four primary branches and ten sub branches of the conversation and placing over one hundred published titles and websites into this framework The authors then utilize recent developments in biblical and theological perspectives to strengthen and extend the conversation about missional theology the church s interaction with culture and cultures and church organization and leadership in relation to the formation of believers as disciples Professors students and church leaders will value this comprehensive overview of the missional movement It includes a foreword by Alan J Roxburgh *Holistic Mission* Hannes Wiher, 2022-05-16 For the last 50 years one of the most important discussions in global evangelicalism has concerned the idea of holistic mission which proposes the integration of verbal evangelism and social engagement within Christian mission This book examines how key terms such as evangelism and mission have been understood in contemporary evangelical declarations from 1966 to 2011 in the Bible and in the missiological debate It adopts an in depth approach to the historical biblical and theological analysis The main thesis is that the different conceptions of evangelism and mission in general and that of holistic mission in particular have their root in the worldview of the various theologians and Christian leaders preparing these statements The book evaluates the missiological conceptions of evangelism and mission proposed in the various declarations in the light of the Bible so as to derive a biblical understanding of evangelism and mission The Practice of Mission in Global Methodism David W. Scott, Darryl W. Stephens, 2021-04-19 This book brings together Methodist scholars and reflective practitioners from around the world to consider how emerging practices of mission and evangelism shape contemporary theologies of mission Engaging contemporary issues including migration nationalism climate change postcolonial contexts and the growth of the Methodist church in the Global South this book examines multiple forms of mission including evangelism education health and ministries of compassion A global group of contributors discusses mission as no longer primarily a Western activity but an enterprise of the entire church throughout the world This volume will be of interest to researchers studying missiology
