Desde la escritura el canto y el baile su minuciosa observación y creatividad atraen la atención tanto de los amantes del tango como de quienes sin conocerlo empiezan a relacionarse con él. En este libro cuenta la experiencia de bailar tango en Buenos Aires. Describe el fenómeno sociocultural la relación hombre mujer y la pasión por el baile.

El bazar de los abrazos Sonia Abadi, 2001-01-01 **Twelve Minutes of Love** Kapka Kassabova, 2011-11-03
Kapka Kassabova first set foot in a tango studio ten years ago and from that moment she was hooked. With the beat of tango driving her on and the music filling her head she danced across the world from Auckland to Edinburgh from Berlin to Buenos Aires putting in hours of practice for fleeting moments of dance floor ecstasy suffering blisters and heartbreak along the way. Here in sparkling spring heeled prose Kapka takes us inside the esoteric world of tango to tell the story of the dance from its Afro roots to its sequined stars and back. Twelve Minutes of Love is a timeless tale of exile and longing death and desire love and belonging.

Argentine Queer Tango Mercedes Liska, 2016-12-24 Argentine Queer Tango Dance and Sexuality Politics in Buenos Aires investigates changes in tango dancing in Buenos Aires during the first decade of the twenty-first century and its relationship to contemporary social and cultural transformations. Mercedes Liska focuses on one of the proposed alternatives to conventional tango queer tango which proposes to rethink one of the alleged icons of a national culture from a feminist conception and to imagine social transformation processes from bodily experiences. Specifically this book analyzes the value of bodily experiences the redefinition of the mind body relationship and the transformation in the dynamics of the dance from the heteronormative movements of tango. In doing so Liska addresses the ways in which bodily techniques and gender theories are involved in the denaturing and corporeality decoding of tango and its historical senses as well as the connections between different tango dance practices spread throughout the world.

Touching and Being Touched Gabriele Brandstetter, Gerko Egert, Sabine Zubrik, 2013-10-29 Touch is a fundamental element of dance. The time forms and contact zones of touch are means of expression both of self reflexivity and the interaction of the dancers. Liberties and limits creative possibilities and taboos of touch convey insights into the aesthetics of the different forms of dance into their dynamics and communicative structure as well as into the production and regulation of affects. Touching and Being Touched assembles seventeen interdisciplinary papers focusing on the question of how forms and practices of touch are connected with the evocation of feelings. Are these feelings evoked in different ways in tango Contact improvisation European and Japanese contemporary dance. The contributors to this volume dance literature and film scholars as well as philosophers and neuroscientists provide in-depth discussions of the modes of transfer between touch and being touched. Drawing on the assumptions of various theories of body emotion and senses how can we interpret the processes of tactile touch and of being touched emotionally. Is there a specific spectrum of emotions activated during these processes within both the spectator and

the dancer How can the relationship of movement touch and emotion be analyzed in relation to kinesthesia and empathy

Escamas Remeditos Castellari, 2023-05-17 Escamas es un vaivén de relatos cortos en el que la inocencia debe correrse para que el fuego interno pueda tomar partido y en el que la autora se sumerge en el proceso personal de animarse a resignar lo conocido para encontrar lo nuevo. El amor la frustra en las expectativas sociales y el paso del tiempo se plasman en una mirada crítica de lo propio y lo colectivo. Es una lectura con humor irónico y sensibilidad donde los fantasmas propios y ajenos convergen. Es una búsqueda por encontrar una perspectiva diferente que ya no resuene tan ajena. Es una invitación a compartir la narrativa de lo cotidiano atravesada por experiencias. Es la reivindicación del cambio de piel. Y es también en el proceso para dejar atrás la textura pequeña de un cuerpo que desea expandirse.

Khronos Jorge Ariel Castillo, 2021-07-08 Para qué sirve correr. El autor nos invita a viajar hacia lo más profundo de este deporte que viene ganando adeptos a oídas. ¿Qué significa ser un corredor? Existen distintos tipos. Cómo funciona su mente en el momento de entrenarse y competir. En qué sentido mejora la vida de quien decide practicar este deporte. Cuáles son los desafíos que debe enfrentar para lograrlo. Los deportistas debemos cuidar, preparar y conocer nuestro cuerpo y nuestra mente para poder entender el deporte y entendernos como seres humanos completos. Es deportista quien comprende que el entrenamiento hace bien a todos los sistemas y quien conoce los cuidados imprescindibles para poder llevarlo a cabo. Correr no es para humanos dotados físicamente. Correr es para personas responsables, comprometidas y humildes.

PolíticaMente Incorrecto Sergio Lotauro, 2021-10-13 Desde hace unos años vengo notando una marcada tendencia a la polarización en la forma de pensar. Se ha instalado y enquistado la idea de que hay una manera correcta de considerar los diferentes problemas que nos aquejan como sociedad y que implica en sí mismo un meta problema pues se erige por encima de todos los demás y los engloba y nos arrastra a un estado de mayor de enojo, desesperanza y frustración en un contexto social e histórico en el que el mundo necesita que seamos inteligentes, creativos, críticos y que procuremos ver las dificultades de la vida cotidiana desde un ángulo diferente libre de la influencia siempre nefasta del pensamiento nico. Necesitamos aprender a tomar distancia del miedo de la inflexibilidad del fanatismo y de las ideas preconcebidas por otros como políticamente correctas. Estas reflexiones reflejan mi manera de pensar sobre diferentes temas como el estrés, la autoestima, la inteligencia, la ciencia, el feminismo, la bondad, las emociones, el amor y la salud mental. No pretendo agotar en su complejidad ninguna de estas cuestiones sino dar el punto inicial para que el resto corra por cuenta de ustedes. En tiempos en que la política lo ha invadido todo, busco desmantelar creencias e ideologías instaladas con fuerza en nuestra sociedad. No lo hago por capricho o para provocar, sino a partir de la mayoría de las veces de investigaciones y de datos que provienen de la filosofía, la sociología, la psicología experimental y una pizca de neurociencia cognitiva. Mi mirada es poco complaciente y tal vez sientan que desafía el sentido común y la sabiduría convencional. Pregono la idea de que podremos salir adelante tanto a nivel individual como social cuando podamos renunciar al pensamiento colectivo, desarrollar al máximo el juicio crítico y asumir nuestra responsabilidad en cada

Strangers' Arms Beatriz Dujovne,2011-09-07 The tango is easily the most iconic dance of the last century its images as familiar as an old friend But are they the whole story Peeling back the poster propaganda that has always characterized the tango publicly this intimate study shows the invisible heart of the dance and the culture that raised it Drawing on direct experience and conversations with dancers it reveals much about the role of the tango in Argentinean culture Instructors

Ilegible, hijo de flauta Gabriele Morelli, 2014-04-21

En el presente libro se publica por primera vez el texto completo del guion surrealista Ilegible hijo de flauta escrito por Juan Larrea Bilbao 1895 Ciudad de Córdoba Argentina 1980 con la colaboración de Luis Buñuel Calanda 1900 Ciudad de México 1983 Larrea entregó una sinopsis de este relato escrito en 1928 perdido después y retomado en 1947 a Buñuel quien entusiasmado por su contenido político decide utilizarlo para un film. Pero el proyecto de película que seguía Larrea quiso abrir horizontes independientes de tiempo y espacio tras varias etapas e intentos fracasar finalmente a consecuencia de las distintas posiciones ideológicas de los dos autores. La presente edición proporciona y coteja las distintas versiones de Larrea y Buñuel reuniendo la correspondencia incluida sobre el tema para conocer nuevas escenas preparadas por Larrea con su hija Luciane presenta la adaptación filmica realizada por Buñuel con otros materiales e incluye finalmente la versión inglesa del guion destinada a los productores americanos. Ilegible hijo de flauta supone una extraordinaria pieza surrealista cuyo argumento se adoba con motivos irrationales e ingredientes simbólico religiosos propios del universo político de Larrea sin dejar de exhibir la indudable impronta de Buñuel.
