**The A to Z of Horror Cinema** Peter Hutchings,2009-09-02 Horror is one of the most enduring and controversial of all cinematic genres Horror films range from the subtle and the poetic to the graphic and the gory but what links them all is their ability to frighten disturb shock provoke delight irritate amuse and bemuse audiences Horror s capacity to serve as an outlet to capture the changing patterns of our fears and anxieties has ensured not only its notoriety but also its long term survival and its international popularity Above all however it is the audience s continual desire to experience new frights and evermore horrifying sights that continue to make films like The Exorcist A Nightmare on Elm Street Halloween Night of the Living Dead The Texas Chainsaw Massacre Psycho Ringu and The Shining captivate viewers The A to Z of Horror Cinema traces the development of horror cinema from the beginning of the 20th century to the present day This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries Entries cover all the major movie villains including Frankenstein and his monster the vampire the werewolf the mummy the zombie the ghost and the serial killer the film directors producers writers actors cinematographers make up artists special effects technicians and composers who have helped to shape horror history significant production companies and the major films that have come to stand as milestones in the development of the horror genre and the different national traditions in horror cinema as well as horror s most popular themes formats conventions and cycles

**Play It Again, Sam** Andrew Horton,Stuart Y. McDougal,2024-03-29 This title was originally published in 1998 Play It Again Sam is a timely investigation of a topic that until now has received almost no critical attention in film and cultural studies the cinematic remake As cinema enters its second century more remakes are appearing than ever before and these writers consider the full range Hollywood films that have been recycled by Hollywood such as The Jazz Singer Cape Fear and Robin Hood foreign films including Breathless and Three Men and a Baby which Hollywood has reworked for American audiences and foreign films based on American works among them Yugoslav director Emir Kusturica s Time of the

Gypsies which is a makeover of Coppola's Godfather films As these essays demonstrate films are remade by other films Alfred Hitchcock went so far as to remake his own The Man Who Knew Too Much and by other media as well The editors and contributors draw upon narrative film and cultural theories and consider gender genre and psychological issues presenting the remake as a special artistic form of repetition with a difference and as a commercial product aimed at profits in the marketplace The remake flourishes at the crossroads of the old and the new the known and the unknown Play It Again Sam takes the reader on an eye opening tour of this hitherto unexplored territory This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1998    **The Horror Film** Peter Hutchings,2014-09-11 The Horror Film is an in depth exploration of one of the most consistently popular but also most disreputable of all the mainstream film genres Since the early 1930s there has never been a time when horror films were not being produced in substantial numbers somewhere in the world and never a time when they were not being criticised censored or banned The Horror Film engages with the key issues raised by this most contentious of genres It considers the reasons for horror's disreputability and seeks to explain why despite this horror has been so successful Where precisely does the appeal of horror lie An extended introductory chapter identifies what it is about horror that makes the genre so difficult to define The chapter then maps out the historical development of the horror genre paying particular attention to the international breadth and variety of horror production with reference to films made in the United States Britain Italy Spain and elsewhere Subsequent chapters explore The role of monsters focusing on the vampire and the serial killer The usefulness and limitations of psychological approaches to horror The horror audience what kind of people like horror and what do other people think of them Gender race and class in horror how do horror films such as Bride of Frankenstein The Texas Chainsaw Massacre and Blade relate to the social and political realities within which they are produced Sound and horror in what ways has sound contributed to the development of horror Performance in horror how have performers conveyed fear and terror throughout horror's history 1970s horror was this the golden age of horror production Slashers and post slashers from Halloween to Scream and beyond The Horror Film throws new light on some well known horror films but also introduces the reader to examples of noteworthy but more obscure horror work A final section provides a guide to further reading and an extensive bibliography Accessibly written The Horror Film is a lively and informative account of the genre that will appeal to students of cinema film teachers and researchers and horror lovers everywhere    **The Vampire Goes to College** Lisa A. Nevárez,2013-12-03 This collection of original essays presents pedagogical tools methods and approaches for incorporating the figure of the vampire into the learning environment of the college classroom in the hopes of ushering the Undead out of the coffin and into the classroom The essays foster

interdisciplinary collaboration and dialogue and serve as a collective resource for those currently teaching the vampire as well as newcomers to vampire studies. Opening with a foreword by Sam George the collection is organized around such topics as historicizing the vampire, teaching the diverse vampire and engaging the student learner. Interwoven throughout the volume are strategies for incorporating writing instruction and generating conversations about texts texts defined broadly so as to include film and other media. The vampire allows instructors to explore timeless themes such as life and death, love and passion, immortality and monstrosity and Otherness.
