Department of Printed Books, 1968 *The British Library General Catalogue of Printed Books to 1975* British Library, 1984 *El Greco - The Cretan Years* Nikolaos M. Panagiotakes, translated by John C. Davis, 2016-12-05 Exploring all the available sources this study which until now was only available in Greek presents us with an account of El Greco's life up to the time he left Crete for Italy in 1567 at the age of twenty six already an accomplished professional painter Nikolaos Panagiotakes provides a thorough assessment of earlier research on Crete of the 16th century then goes on to present new conclusions on the life of El Greco deriving from the author's firsthand reading of Venetian archive material including questions relating to his birthplace family name religious affiliation and apprenticeship as a painter The evidence indicates that El Greco was an established professional master painter earlier than had previously been thought and also that he had a family before leaving Crete thus perhaps explaining why he did not later marry Jerónima de las Cuevas with whom he had a son in Toledo This work marks a valuable contribution to El Greco scholarship particularly in its thoroughly substantiated assessment of the evidence regarding the formative years in the life of El Greco one of the greatest of all European artists **Spanish 4, Galleria de arte y Vida, Student Edition** McGraw Hill, 1996-01-29 Galería de arte y vida expands your advanced student's knowledge of the Spanish language with a perfect blend of literature structure and conversation Students travel the Spanish speaking world to read selections from classic and contemporary Hispanic

literature to view masterpieces of painting and sculpture and to meet the many changing faces that make up Hispanic culture Galer a de arte y vida is composed of twelve cuadros or units Each cuadro is structured around a universal theme such as El arte La fantas a El humor smo El indio For example in La mujer students reflect on the influence of women in today s society Each cuadro includes four major sections Para preparar la escena provides background material to introduce the unit theme Para presentar la lectura focuses on the literary content and authors and directs the students approach to the selection by means of pre reading activities Para entablar conversaci n contains questions that promote conversation and relate personal experience to the readings and cuadro theme Selecci n contains a rich variety of authors and literary genres including short stories plays songs excerpts from novels plays and poetry Para continuar conversando improves students communicative skills by generating discussion topics related to the central themes of the readings

Eric Storm,2016-05-24 Originally published in Dutch and translated to Spanish for the fourth centenary celebration of the death of El Greco in 2014 this book is a comprehensive study of the rediscovery of El Greco seen as one of the most important events of its kind in art history The Nationalization of Culture versus the Rise of Modern Art analyses how changes in artistic taste in the second half of the nineteenth century caused a profound revision of the place of El Greco in the artistic canon As a result El Greco was transformed from an extravagant outsider and a secondary painter into the founder of the Spanish School and one of the principle predecessors of modern art increasingly related to that of the Impressionists due primarily to the German critic Julius Meier Graefe s influential History of Modern Art 1914 This shift in artistic preference has been attributed to the rise of modern art but Eric Storm a cultural historian shows that in the case of El Greco nationalist motives were even more important This study examines the work of painters art critics writers scholars and philosophers from France Germany and Spain and the role of exhibitions auctions monuments and commemorations Paintings and associated anecdotes are discussed and historical debates such as El Greco s supposed astigmatism are addressed in a highly

readable and engaging style This book will be of interest to both specialists and the interested art public **Bibliotheca Hispana; Revista de Información y Orientación Bibliográficas.
