Gragg, 2023-10-01

The story of Moe Sedway the eponymous shadow to Benjamin Bugsy Siegel from his days as Bugsy's right hand associate to his suspected role in Bugsy's unsolved disappearance and the role Sedway played in the creation of modern Las Vegas Early in the Prohibition era Moe Sedway became part of the New York organized crime gang led by Meyer Lansky and Benjamin Bugsy Siegel A loyal and highly effective operative for Siegel Sedway eventually gained monopoly control of the race wire service in Las Vegas and also became an effective casino manager of the Las Vegas Club El Cortez and the Rex Club A breach in their relationship led to rumors that Sedway had gained Lansky's approval for a hit on Siegel The unsolved mystery of who murdered Bugsy in 1947 has spawned numerous theories about the identity of the hitman but regardless of who pulled the trigger Bugsy's death opened the way for Moe to flourish as his own man at last Long overshadowed by Bugsy in the annals of organized crime in America Moe Sedway is now at last brought out into the light in this riveting tale of the sensational life and times of one of Vegas's most mysterious and little known figures

The Strip Stefan Al, 2017-03-10 The transformations of the Strip from the fake Wild West to neon signs twenty stories high to starchitecture and how they mirror America itself The Las Vegas Strip has impersonated the Wild West with saloon doors and wagon wheels it has decked itself out in midcentury modern sleekness It has illuminated itself with twenty story high neon signs then junked them After that came Disney like theme parks featuring castles and pirates followed by replicas of Venetian canals New York skyscrapers and the Eiffel Tower It might be noted that forty two million people visited Las Vegas in 2015 ten million more than visited the real Paris More recently the Strip decided to get classy with casinos designed by famous architects and zillion dollar collections of art Las Vegas became the implosion capital of the world as developers driven by competition got rid of the old to make way for the new offering a non metaphorical definition of creative destruction In The Strip Stefan Al examines the many transformations of the Las Vegas Strip arguing that they mirror transformations in America itself The Strip is not as popularly supposed a display of architectural freaks but representative of architectural trends and a record of social cultural and economic change Al tells two parallel stories He describes the feverish competition of Las Vegas developers to build the snazziest most tourist grabbing casinos and resorts with a cast of characters including the mobster Bugsy Siegel the eccentric billionaire Howard Hughes and the would be political kingmaker Sheldon Adelson And he views the Strip in a larger social context showing that it has not only reflected trends but also magnified them and sometimes even initiated them Generously illustrated with stunning color images throughout The Strip traces the many metamorphoses of a city that offers a vivid projection of the American dream
