El Viejo Emigrante:

Cronica de la vida de un inmigrante en los Estados Unidos Francis Ashun, 2022-08-01 Mi libro es ciertamente oportuno considerando la difícil situación que enfrentan muchos inmigrantes en los Estados Unidos y otros países. El libro es interesante y entretenido, ofrece inspiración para personas nuevas en los EE.UU. y ayuda a educar a los estadounidenses y por extensión a los nativos de otras naciones industrializadas sobre la difícil situación de los inmigrantes y su resistencia. El libro está lleno de humor y momentos conmovedores, pero también existe la clara oportunidad de debatir con respecto a las diferencias en las tradiciones culturales y la crianza de los hijos. Es un excelente trabajo y una experiencia de vida bien escrita y un plano para cada inmigrante que llega a un país extranjero. Una valiosa contribución a la comprensión de las dificultades de los inmigrantes y su resistencia. Quieres una definición de racismo, estigma, discriminación, prejuicio, intolerancia y supervivencia. Usted debe leer este libro.

Memorias de Un Inmigrante Angelo Alfaro Sr, 2012-01-16 Es sencillamente la historia de mi vida transcurrida desde los años 50 con una niñez llena de travesuras, alegría y extravagancias de la poca y con una adolescencia truncada por querer entrar al mundo de los mayores y pretender ser grande. Etapa vivida con el machismo y la injusticia de la Sociedad de la poca a pesar de los obstáculos que la vida da haber podido absorber los buenos consejos de esa Abuela cascarrabias y los buenos momentos con el cura de mi Iglesia de origen y con todo lo bueno que este lindo país tiene. Principalmente por el amor de mi esposa hemos podido formar una familia con amor, respeto y dignidad de ser Latino. Tratamos de pasar a nuestros descendientes la felicidad de la Vida que es simplemente El Amor sin el nunca hubiéramos logrado la familia que hoy tenemos y de nuestro día. Miércoles Día de Familia. Angelo Alfaro Sr

Along These Roads We Travel Joann Rita Vega, 2021-09-09 Along These Roads We Travel and each one of us walks on a different path towards learning, suffering and happiness. These roads unite and confound themselves as we advance through life. Our job as a people is to enjoy and assist those who in one form or another have entered our road without losing sight of our own and destination. This book is a multicultural and intimate overview of humanity's intrinsically existential struggles and expectations today as well as of our responsibilities toward each other and our planet. These words are inner reflections that include a marked observation of the inequalities and suffering present on this level of life manifestation and for which we must claim responsibility. Through inner contemplation of our happy moments and devotion to a higher energy we are able to find the interconnection that Carl Jung referred to as Synchronicity which hopefully will bring us to the discovery of our true Identities and possibilities as human race capable for caring for and accepting each other.

contributing to the nation building project as they reinterpreted nineteenth century Argentina and repackaged it for a 1930s mass audience Thus a historical romance set in the tumultuous dictatorship of Juan Manuel de Rosas reveals the conflict between the message transmitted to a mass audience through popular radio drama and the work of historical revisionist intellectuals writing in the 1930s Transmitted at the same time Gonz lez Pulido s gauchesque series evokes powerful notions of Argentine national identity as it explores the relationship of the gaucho with Argentina s immigrant population and advocates for the ideal contribution of women and the immigrant population to Argentine nationhood Rea grounds her study in archival work undertaken at the library of Argentores in Buenos Aires which holds the only surviving collection of scripts of radio serials from the period Rea s book recovers the contribution that these products of popular culture made to the nation building project as they helped to shape and promote the understanding of Argentine history and cultural identity that is widely held today
