Women of

the Catacombs ,2021-03-15 The memoirs presented in Women of the Catacombs offer a rare close up account of the underground Orthodox community and its priests during some of the most difficult years in Russian history The catacomb church in the Soviet Union came into existence in the 1920s and played a significant part in Russian national life for nearly fifty years Adherents to the Orthodox faith often referred to the catacomb church as the light shining in the dark Women of the Catacombs provides a first hand portrait of lived religion in its social familial and cultural setting during this tragic period Until now scholars have had only brief scattered fragments of information about Russia s illegal church organization that claimed to protect the purity of the Orthodox tradition Vera Iakovlevna Vasilevskaia and Elena Semenovna Men who joined the church as young women offer evidence on how Russian Orthodoxy remained a viable alternative presence in Soviet society when all political educational and cultural institutions attempted to indoctrinate Soviet citizens with an atheistic perspective Wallace L Daniel s translation not only sheds light on Russia s religious and political history but also shows how two educated women maintained their personal integrity in times when prevailing political and social headwinds moved in an opposite direction The Ways of Russian Theology - Part II Georges Florovsky, Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> How to bring the life and activities of theological students to the Church They should arouse religious and theological independence in them Now let the guardians of the church instead of scolding the academy its professors and students instead of intensely searching for heresies in their writings and misconduct in their behavior indicate ways to introduce this condition But life is not studied in a theological school On the contrary young people already separated from their estates by life are even more clogged from it by seminary pedagogy Naturally it s not life s fighters zealots of truth but dry theorists artificially raised resonators who will leave the school should they be given the message of life heal the brokenhearted release the tormented to freedom Rev Anthony Khrapovitsky True these words were spoken a little later in 1896 but they could have been spoken earlier Here pastoral jealousy is sharply confronted and diverges from official and official unbelief Since the mid 80s this pastoral awakening the renewal of the pastoral ideal has already been very noticeable This was most evident in the St Petersburg Academy when Yanyshchev was replaced as rector by Arseniy Bryantsev vposl Archbishop of Kharkov The Academy Inspector was transferred from Kazan then still Archimandrite Anthony Vadkovsky 1846 1912 afterwards Metropolitan of St Petersburg He was a man of great cordial sympathy and benevolence Around him there is a circle of zealots of a monastic feat the so called Squad After a twenty year hiatus tonsure again begins in the student community The ascetic ideal at the same time internally merges with the pastoral vocation this was a new feature *Conversing with the Great Russian Elders* various Orthodox elders, via Kiyv Optina Sankt Peterburg and Moscow to Talabsk Zalit DONATE https://www.paypal.com/donate/hosted_button_id_VYUHBNF6FPB5Q <https://vidjambov.blogspot.com/2025/03/full-list-of-book-titles-as-of-2025.html>

The Refuge Ignatius Brianchaninov, 2019-12-01 Prayer is a refuge of God's great mercy to the human race. The refuge is a place of inner stillness and peace where the heart is fully opened to the embrace of God's love. It is a return to the ancient paradise from which the human race in Adam had to depart because of disobedience to the command of God. The Refuge is an exposition of the concrete actions we should take if we truly desire to live with and in God. It weaves together meditations on scripture from the Psalms in particular and amplifies these with the wisdom of early Christian saints in particular the ascetical writings of St John of the Ladder, St Macarius the Great and St Isaac the Syrian. It is an active exhortation for us to reacquire the original nobility with which God fashioned us in the beginning. *The Arena* Ignatius

Brianchaninov, 2012-09-01 One of the most important and accessible texts of Eastern Orthodox Christian teaching on the spiritual life, this book draws upon the ascetic and mystical doctrine of the Greek Fathers and greats of the Orthodox Christian church. In an age alienated from spiritual culture and rooted in materialism, these teachings pose both a challenge and an invitation to those seeking heightened spirituality. This book is essential reading for anyone who desires a profound spiritual journey based upon an encounter with Christ as God. Lake of Fire - Hope for the Wicked One Day? - Essays in First Christianity

Jonathan Ramachandran, 2019-01-01 Christ-Centered Universalism has been a Hope in First Christianity among the earliest orthodox Christians as testified even as late in St Augustine of Hippo's infamous quote in that even he didn't call them as heretics but soft-hearted Christians who did not deny Holy Scripture. A form of Christian Universalism by Origen of Alexandria may have been condemned by a later council. For protestants please take note that both St Augustine and that later council consists of members who Pray to Virgin Mary something which is absent from even Origen of Alexandria. Therefore just because something is majority by later early Christianity it does not necessarily mean that it was First Christianity Doctrine. In light of this we discuss various viewpoints, quotes by Church Fathers and Ancient Christian Writings in support of this Hope. Since the time lapse and loss of records to these First Christians being replaced by later Christianity is hard to trace or prove due to scarcity of evidences, nevertheless we endeavour to present as much as we can including some rarely known quotes within Christian Universalism. Hopefuls itself. An example of a set of rare quotes which point to Christ-Centered Universalism in this book which may not be popularly known is that by St Hillary of Poitiers the Champion of Trinity in the West and a set of interesting quotes likewise by St Ignatius of Antioch who was a direct disciple of St John the Apostle of Christ himself. We see traces of such an understanding in a quote by St Justin Martyr toward the Wicked being made subject to obey God eventually as one child while St Irenaeus of Lyons has a few interesting quotes especially those that relate to the Concept of Ages. Ages Olam to come where in a particular instance St Irenaeus clearly shows that the strongest phrase ages of Ages refers to the subset ages out of a larger set of Ages implying limitedness. Just like God of Abraham does not limit God to Abraham, only the phrase God's Glory to the Age Aeon Olam singular need not limit God's Glory to one Age only but may be highlighting it for that Age unknown long time period. We do not need to teach it as a

100% certain doctrine but we may hope for it as the Bible Verses can also be understood consistently to present this Hope in some Way One Day we will know and all things are possible with God Who Alone Decides Peace to you **The Threshold**

Ignatius Brianchaninov, 2023-09-12 Death is a great sacrament It is the birth of a person from this earthly temporary life into eternity Throughout human history the existence and nature of a world beyond that which is visible to our material eyes has been a subject of intense debate In this third volume of St Ignatius's collected works the saint addresses the widespread lack of comprehension of this unseen realm and expounds the necessity of understanding it correctly in accordance with the Truth that is the Orthodox Faith He examines the mystical boundaries that govern the life of a Christian the one between life and death and the other between the visible physical realm and the invisible to most but no less real spiritual realm He draws deeply on the patristic teachings of Christian saints of the first millennium in particular St Basil the Great St Isaac the Syrian St John of Damascus and St John of the Ladder He weaves in quotations from the Psalms and other Scriptural texts as well as liturgical hymns He exhorts his readers to prepare themselves to cross the threshold into their final heavenly home to cross from earthly into eternal life Included here is St Ignatius's Homily on Death one of his most popular writings in its original language The reader will also encounter St Ignatius's teachings on the nature of the soul and the essence of incorporeal beings the latter theologoumena being a point of contention between the author and his contemporary St Theophan the Recluse The text is complemented by a comprehensive Scripture index a subject index and a short biography of the author
