### ABSTRACT

Social security means the overall security for a person in the family, work place and society. Social security is a system to meet the basic needs as well as contingencies of life in order to maintain an adequate standard of living. It is not a charity rather a right. But women workers are living below the minimum accepted standards without adequate facilities and having very lower income that did not meet their daily needs of life. Objective of the study to know the present status of women workers in unorganized sector and to know the social Security Act in India, the study is based on purely from secondary sources collected from different articles newspaper and websites.

**KEYWORDS:** Social Security, Unorganized

### 1. INTRODUCTION

Social security is that government, which is the symbol and representative of society is responsible for fixing a minimum standard of living for all its citizens. Social Security is an instrument for social transformation and progress. The term "Unorganized" is often used in the Indian context to refer to the vast numbers of women and men engaged in different forms of employment. According to ILO "Social Security is the protection which society provides for its members through a series of Public measure, against the economic and social distress that otherwise would be caused by the stoppage or substantial reduction of earning resulting from sickness, maternity, employment, injury, unemployment, invalidity, old age and death."

Social Security of women have been widely and repeatedly discussed by the media and the government of India from time to time. However all the government acts are gender sensitive, although never dimensions have been added to make ensure women rights in the modern. Society the Hindu Marriage Act of 1956 explains the divisions of property in a Hindu joint family and explains the right of women. The maternity leaves for working class women. In case of separation, the women are give equal rights and the highest degree of emotional. Security hence there are many laws have been enacted by the government agencies to provide in built support to the society especially the women.

### 2. Review of Literature

The ILO definition (1972) incorporated the idea that informal sector had untapped development potential because of its flexibility and potential for creative response to economic change. The only specificity being absence of workers rights and social security in every other way, both form part of an integral whole.

According to G. Rajendran and S. Hema (2015) concluded that they are the most vulnerable and deprived section of the society in the need of protection, security, benefits and assistance.

Anthony P. D'Souza (2013) focused the status and contribution of unorganized sector focused more on the

challenges and problems faced by the youth in selecting job as self-employment.

### 3. Objective of the Study

1. To study the present status of women workers in unorganized sector
2. To study the social security Act in India

### 4. Methodology

Data sources the study is based on purely secondary data collected from newspaper and websites etc.

### 5. Analysis and Interpretation

The Indian council of social science research, New Delhi has made several studies in a wide range of occupations in the unorganized sector on women. Studies which were conducted in the various part of the country reveals the awful conditions of the women labourers in the unorganized sector. It has been observed that a significant percentage of the jobs in this sector are managed by women drawn from lower caste and lower class women. Ignorance, tradition bound attitudes, illiteracy, lack of skills, seasonable nature of employment, heavy physical work of different types, long hours of work with limited payment, discrimination in wage structures of men and women, lack of guarantee of minimum wage, lack of job security, lack of comprehensive legislation to cover these labourers in unorganized informal sector., lack of minimum facilities at the work-site, ill-treatment, migration and disintegration of families, bondage and alienation, etc. are the characteristics of the employment women in the sector.

Most of the women are found to be employed in agricultural activities and in the unorganized sector. The employment of women is high in the unorganized sector such as part time helpers in households, construction center, match and beedi industries etc. An estimate by the world bank show that 90% of the women working in the unorganized sector are not included in the official statistics and then work is undocumented and considered as disguised wage work, unskilled, low paying and do not provide benefits to the workers. Statistics show that vast majority of Indian work in

**Women, Work, and Patriarchy in the Middle East and North Africa** Fariba Solati, 2017-03-20 This book investigates why the rate of female labor force participation in the Middle East and North Africa is the lowest in the world Using a multidisciplinary approach the book explains that the primary reason for the low rate of female labor force participation is the strong institutions of patriarchy in the region Using multiple proxies for patriarchy this book quantifies the multi dimensional concept of patriarchy in order to measure it across sixty developing countries over thirty years The findings show that Middle Eastern and North African countries have higher levels of patriarchy with regards to women s participation in public spheres compared with the rest of the world Although the rate of formal female labor force participation is low women across the region contribute greatly to the financial wellbeing of their families and communities By defining a woman s place as in the home patriarchy has made women s economic activities invisible to official labor statistics since it has caused many women to work in the informal sector of the economy or work as unpaid workers thus creating an illusion that women in the region are not economically active While religion has often legitimized patriarchy oil income has made it affordable for many countries in the region

The Top Books of the Year Elderly Women A Study Of The Unorganised Sector The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. Elderly Women A Study Of The Unorganised Sector : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Elderly Women A Study Of The Unorganised Sector : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
