Election Campaigning Japanese Style:

Election Campaigning Japanese Style Gerald L. Curtis, 1983 Study of a young conservative's nine month political campaign yields insights into the many dimensions of the Japanese electoral process [Election Campaigning, Japanese Style](#) Gerald L. Curtis, 1971

The Japanese Way of Politics Gerald L. Curtis, 1988 Yasuhiro Nakasone **Election Campaigning in East and Southeast Asia** Christian Schafferer, 2017-05-15 At the end of the last century political marketing appeared to have become a global phenomenon with an increasing number of electoral campaigns resembling those of the United States Comparative research has shown the existence of a so called Americanization of election campaign practices This book examines the nature of electoral campaigns in East and Southeast Asia Based on the analyses of developments in Japan Taiwan South Korea Malaysia and the Philippines it examines whether there is an Asian style of election campaigning Contributing to the fields of media studies and comparative politics the book offers an insight into the various changes in election campaigning that occurred in the East and Southeast Asia during the process of democratization and modernization It sheds new light on the causes and consequences of the worldwide proliferation of US election campaigning and provides the academic world with previously unpublished material on the electoral strategies of Asian political parties **Internet Election Campaigns in the United States, Japan, South Korea, and Taiwan** Shoko

Kiyohara, Kazuhiro Maeshima, Diana Owen, 2017-10-17 This book investigates how institutional differences such as the roles of political parties and the regulation of electoral systems affect the development of Internet election campaigns in the U S Japan Korea and Taiwan It examines whether or not the Americanization of elections is evident in East Asian democracies While Japan is a parliamentary system the U S and Korea are presidential systems and Taiwan is a semi presidential system that has a president along with a parliamentary system Furthermore the role of the presidency in the U S Korea and Taiwan is quite different Taking these variations in political systems into consideration the authors discuss how the electoral systems are regulated in relation to issues such as paid advertisements and campaign periods They argue that stronger regulation of election systems and shorter election periods in Japan characterize Japanese uniqueness compared with the U S Korea and Taiwan in terms of Internet election campaigns **Japanese Democracy and Lessons for the United States** Ray

Christensen, 2020-02-25 This book presents a collection of lessons on how best to run elections and politics using examples from the Japanese experience and showing how elections operate in a non Western democracy Featuring extensive data and evidence from both Japan and the United States the themes covered include one party rule ballot security and voting procedures election regulations malapportionment and gerrymandering court interventions voter attachments and distortions of the public will by election rules In so doing the analysis challenges conventional wisdom in both Japan and the United States highlighting surprising and counterintuitive findings from decades of observation This book also explicitly compares Japan to other similarly situated democracies Japan is therefore not treated as a standalone case but rather the

lessons from Japan are contextualized for greater understanding and can be used to inform discussions about comparative elections and democracy Offering practical advice in relation to elections and the functions of democracy Japanese Democracy and Lessons for the United States will be useful to students and scholars of Japanese US and comparative politics

Japanese Contemporary Politics Akio Igarashi, 2018-06-27 In the postwar period Japanese politics has evolved considerably with issues of gender representation and household economics becoming increasingly salient Meanwhile since the end of the Cold War Japan has joined other developed states in the process of decentralization and deindustrialization Yet its restructuring has come at a slower pace as the Japanese bureaucracy attempts to retain a more traditional approach This book a translated and updated version of the author's 2010 monograph *Nihon seijiron* traces these developments in Japanese politics from the end of the Asia Pacific wars to the present day Examining each of the key stages of transition it looks at four aspects of Japanese politics high politics interest centered politics life centered politics and globalization It also provides up to date analysis of contemporary themes including the Abe administration's challenge to international politics and coverage of nuclear issues Written by an experienced Japanese scholar this book ultimately demonstrates how globalization has transformed the nature of local politics as well as national security However as seen in the recent triple disaster of 2011 a chapter on which has been added Japanese politics retains traditional practices that have led to corruption scandal and political mistrust among the electorate Offering a comprehensive introduction to Japanese politics this book will be invaluable reading for students and scholars of Japanese politics and comparative and Asia politics in general

Green Politics in Japan Lam Peng-Er, 2005-06-22 An important comparative study of Japanese politics that reveals that green issues have yet to displace the traditional urban politics of post industrial Japan This is unlike the rise of green parties and politics in Europe Unlike Europe it seems that political values in Japan are still informed by the conservative values of hierarchy and deference

Japanese Politics and Government Alisa Gaunder, 2023-02-27 The revised 2nd edition of this successful textbook explores Japanese politics in the postwar era from theoretical and comparative perspectives After providing historical context it offers an in depth exploration of postwar political institutions political reform in the 1990s the policymaking process and the politics of economic growth and stagnation By delving into Japan's international relations the book sheds light on Japan's security and foreign policies and Japan's role in Asia The textbook concludes by addressing what has changed since party alternation in 2009 the triple disaster in March 2011 and the global Covid pandemic Themes and questions addressed throughout the text include How and why did Japan modernize so successfully when so many other countries fell prey to colonialism and authoritarianism What explains the Japanese economic miracle and its subsequent economic stagnation What accounts for Japan's successful democratization In the international realm why has Japan achieved economic superpower status without achieving political superpower status What is the future trajectory of Japanese politics Connecting Japan to larger themes in comparative politics and linking Japan's history institutions policymaking process and

international relations to experiences and structures in other countries this book is essential reading for students of Japanese or Asian Politics

Local Political Participation in Japan Dani Daigle Kida, 2018-08-06 How Do Japanese Citizens Participate Politically Most Japanese citizens perhaps with a bit of a chuckle would answer that average Japanese do not participate in politics While political attitudes in other countries have fluctuated corresponding to social political and economic climates of the times in Japan a consistently negative view of politics has persisted since the late 1960s Japanese citizens perceive their government much more critically than citizens of neighboring countries While many Japanese citizens participate in specific political acts such as signing candidate support cards attending political rallies or directly contacting politicians they largely do not view these activities as political participation Kida examines why this is the case whether there is a connection between negative views of politics and how Japanese people self identify their political participation how Japanese citizens attempt to exact change or influence policy how the government engages citizens in political participation and the relationship between citizens attitudes towards government and levels of political participation Kida explores political participation on the local level to better understand the sources of political attitudes While participation studies have been conducted in Japan most are centered in large urban areas focusing on either extreme forms of participation such as protests or concentrated on single issue participation such as the environmental or women s movements This book in contrast explores what every day regular in the system political participation looks like in a small traditional Japanese city using Oita a small city in Kyushu as a case study It focuses especially on the role local institutions and politicians play in influencing the kinds of participation available and subsequently the attitudes created about participation

Introduction to Japanese Politics Louis D. Hayes, 2017-08-07 Introduction to Japanese Politics now in its fully updated sixth edition is a comprehensive and current review of political and public policy developments in Japan Since the previous edition Japan s economic policy has undergone significant change with a prolonged period of deflation having altered the dynamics of the Japanese economy At the same time the Abe administration has expanded Japan s international security participation previously limited by the constitution while China s activities in the South China Sea have impinged upon Japan s territorial claims This classic introduction to the Japanese political system has been revised and fully updated in this sixth edition to take into account these widespread changes in the country s political life Building on the structure and content of the previous edition this new edition covers An overview of Japan s geographical setting and history Japan s political institutions processes and actors Recent organizational ideological and policy changes in the LDP since its return to power The country s distinctive social order and its educational healthcare and public safety systems The increasingly contentious realm of foreign relations and security issues including China s expanding role and the effect of North Korea s development of nuclear weapons This broad ranging textbook continues to be essential reading for students of Japanese politics international politics and Japanese studies

The Cambridge History of Japan John Whitney Hall, 1988 This comprehensive work surveys the historical

events and developments in Japan's polity economy society and culture The Japanese Voter Scott C. Flanagan, Shinsaku Kohei, Ichiro Miyake, Bradley M. Richardson, 1991-09-25 This survey of the major factors that influence voting behaviour in Japan demonstrates through a wide range of examples that there are recognizable bases of comparison between Japanese and Western voting behaviour It also produces a number of contrasts with voting in the West **Japan's Postwar Party Politics** Masaru Kohno, 2020-11-10 In this sophisticated theoretical work Masaru Kohno presents a systematic reexamination of the evolution of party politics in Japan since the end of the second World War Because of the long one party dominance by the Liberal Democratic Party Japan's parliamentary democracy has often been viewed as unique in the developed world and most of the existing studies of Japanese party politics have addressed such determinants as its political culture historical background and socio ideological cleavages According to the author these explanations do not adequately account for some of the most important changes that took place in Japanese party politics during the postwar period This study advances an alternative set of interpretations based on a microanalytic approach that highlights the incentive and bargaining power of individual political actors and their competitive and strategic behavior under existing institutional constraints According to Kohno the evolution of political life in postwar Japan depends on the same factors that are acknowledged to be at work in other industrialized nations He reveals through detailed case studies of government formation processes and statistical examinations of candidate nomination patterns that the microanalytic approach can establish forward looking and internally consistent interpretations of the postwar development of Japanese party politics Because Japan has usually been treated as a country of unique cultural historical and societal characteristics the analyses of this study point to the broader applicability of the microanalytic approach in the field of comparative politics especially for the exploration of party competition in advanced industrial democracies **Political Opposition and Local Politics in Japan** Kurt Steiner, Ellis S. Krauss, Scott E. Flanagan, 2014-07-14 Japan's national government and most of its local governments have been in conservative hands for more than three decades Recently however the strength of progressive opposition forces has been increasing at the local level The contributors to this volume analyze this increasing opposition to determine whether it is a temporary phenomenon or portends permanent changes Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Mixed-Member Electoral Systems in Constitutional Context** Nathan F. Batto, Chi Huang, Alexander C. Tan, Gary W. Cox, 2016-04-11 Reformers have promoted mixed member electoral systems as the best of both worlds In this volume internationally recognized political scientists evaluate the ways in which the introduction of a mixed member electoral system affects the configuration of

political parties The contributors examine several political phenomena including cabinet post allocation nominations preelectoral coalitions split ticket voting and the size of party systems and faction systems Significantly they also consider various ways in which the constitutional system especially whether the head of government is elected directly or indirectly can modify the incentives created by the electoral system The findings presented here demonstrate that the success of electoral reform depends not only on the specification of new electoral rules per se but also on the political context and especially the constitutional framework within which such rules are embedded

Critical Readings on the Liberal Democratic Party in Japan Robert Pekkanen, 2018-10-02 This work collects decades of the best published scholarship in English on the unequivocally most successful political party in Japanese history the Liberal Democratic Party the LDP Governing Japan for almost the entirety of the post war period the LDP also has a claim to be the most successful political party in any post war democracy Seminal articles in this collection explore the key aspects of the LDP the party's evolution since its founding in 1955 key facets of the LDP's internal organization including factions and koenkai the LDP in policy making including its relationship with the bureaucracy and interest groups as well as its policy making committee apparatus and party leadership including the premierships of Junichiro Koizumi and Shinzo Abe

The Japanese Party System Ronald J Hrebener, 2019-07-09 This is a nuts and bolts textbook in the best sense of the term It is bound to be a great boon both to teachers and students of contemporary Japanese politics from the Foreword by Haruhiro Fukui This timely volume is the first book in nearly twenty five years to focus on the party system of Japan In the past two decades the Japanese political scene has undergone a dramatic transformation What had been a two party system proliferated during the 1960s and 1970s into a seven party system This book provides a comprehensive look at all of Japan's current major and minor national level parties For the first time in English detailed analyses are presented on the Democratic Socialists the Clean Government party Komeito and the New Liberal Club Thorough coverage is provided for parties in the 1955 System the ruling Liberal Democratic party and the two long term opposition parties the Socialists and the Communists Many of the new miniparties that have appeared in recent elections are also discussed Japanese Political Parties gives readers a solid understanding of party histories leadership and internal organization as well as a look at prospects for the future The party discussions are preceded by three chapters on the laws and political forces affecting Japanese politics Chapter 1 describes the basic characteristics of the Japanese party system since 1945 and provides an overview of Japanese voting behavior and political values Chapter 2 describes the rules of the game the electoral laws and discusses the ongoing political problem of malapportionment Chapter 3 interprets data on political finance in contemporary Japan Along with a wealth of information and interpretation the authors offer insight into the common patterns Japan shares with democracies around the world placing the Japanese system within the larger context of world party systems Designed for courses on Japanese politics this text should also prove useful to students of comparative politics and political parties

Party Politics in Japan Ronald J. Hrebener, Akira

Nakamura,2014-09-19 The Japanese political system is a parliamentary democracy and was the first western style government in Asia when the parliamentary system was adopted in the 1880s It has a multiparty system free elections and a parliament that functions much the same way that any other democratic parliament functions however for much of its existence the Japanese party system has been dominated by one party This fact is crucial to understanding contemporary politics in Japan especially since the long term ruling party the Liberal Democratic Party is once again back in power This book presents an up to date analysis of the political parties that make up the Japanese party system and their impact on Japanese politics and government Given that the executive branch is selected as a result of the pattern of party numbers in the parliament to understand Japanese politics and policy one must first know the nature of the ruling and opposition parties and their leaders Indeed in the past decade the quality of Japan s government has been closely associated with the strengths and weaknesses of Japan s prime ministers and the dominant party in the system This book focuses on a central question why Japanese politics and government has been so dysfunctional in the past two decades With this question in mind the chapters provide key background information on Japanese politics and political parties discuss each of the major political parties that have governed Japan since 1955 and finally examine the December 2012 House of Representatives elections that returned the LDP to power and the differences between the First 1955 1993 and the Second Post War Party Systems 1993 Party Politics in Japan provides a comprehensive analysis of the past sixty years of Japanese party politics As such it will be of great interest to students and scholars of Japanese politics and Asian politics as well as to those interested in political parties and political systems more broadly

The Rise and Fall of Japan's LDP Ellis S. Krauss,Robert Pekkanen,2011 Explains how the persistence of party institutions factions PARC koenkai and the transformed role of party leadership in Japan contributed both to the LDP s success at remaining in power for 15 years and its downfall

Election Campaigning Japanese Style Introduction

In the digital age, access to information has become easier than ever before. The ability to download Election Campaigning Japanese Style has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Election Campaigning Japanese Style has opened up a world of possibilities. Downloading Election Campaigning Japanese Style provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Election Campaigning Japanese Style has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Election Campaigning Japanese Style. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Election Campaigning Japanese Style. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Election Campaigning Japanese Style, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Election Campaigning Japanese Style has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Election Campaigning Japanese Style Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Election Campaigning Japanese Style is one of the best book in our library for free trial. We provide copy of Election Campaigning Japanese Style in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Election Campaigning Japanese Style. Where to download Election Campaigning Japanese Style online for free? Are you looking for Election Campaigning Japanese Style PDF? This is definitely going to save you time and cash in something you should think about.
