Christian Schafferer

Election Campaigning:

Campaigning in America Robert J. Dinkin, 1989-06-30 Discusses the changing nature of vote getting techniques during the past 250 years Covers state and local elections and national campaigns and the different practices common to each type of election

Election Campaigning in East and Southeast Asia Christian Schafferer, 2017-05-15 At the end of the last century political marketing appeared to have become a global phenomenon with an increasing number of electoral campaigns resembling those of the United States Comparative research has shown the existence of a so called Americanization of election campaign practices This book examines the nature of electoral campaigns in East and Southeast Asia Based on the analyses of developments in Japan Taiwan South Korea Malaysia and the Philippines it examines whether there is an Asian style of election campaigning Contributing to the fields of media studies and comparative politics the book offers an insight into the various changes in election campaigning that occurred in the East and Southeast Asia during the process of democratization and modernization It sheds new light on the causes and consequences of the worldwide proliferation of US election campaigning and provides the academic world with previously unpublished material on the electoral strategies of Asian political parties

Internet Election Campaigns in the United States, Japan, South Korea, and Taiwan Shoko Kiyohara, Kazuhiro Maeshima, Diana Owen, 2017-10-17 This book investigates how institutional differences such as the roles of political parties and the regulation of electoral systems affect the development of Internet election campaigns in the U S Japan Korea and Taiwan It examines whether or not the Americanization of elections is evident in East Asian democracies While Japan is a parliamentary system the U S and Korea are presidential systems and Taiwan is a semi presidential system that has a president along with a parliamentary system Furthermore the role of the presidency in the U S Korea and Taiwan is quite different Taking these variations in political systems into consideration the authors discuss how the electoral systems are regulated in relation to issues such as paid advertisements and campaign periods They argue that stronger regulation of election systems and shorter election periods in Japan characterize Japanese uniqueness compared with the U S Korea and Taiwan in terms of Internet election campaigns

Political Campaigning, Elections and the Internet Darren Lilleker, Nigel Jackson, 2013-03 This book offers an in depth comparative analysis of how interactive Web 2 0 online tools including weblogs social networking sites and file sharing sites are utilised by candidates and parties during three recent election campaigns in France Belgium the US and the UK

Campaign Professionalism during Egypt's 2012 Presidential Election Dalia Elsheikh, 2018-04-09 This book presents the first analytical study of the levels of professionalism of campaigns in the 2012 Egyptian presidential elections It considers the extent to which the election was professionalised and how far the levels of professionalism impacted the democratisation process of Egypt It provides the story of the five main campaigns by applying the professionalisation index to analyse their structures hardware and strategies software The book also evaluates the application of the professionalization index to nascent democracies and the

impact of campaign professionalism on such democracies The book encourages further studies within similar fragile democratic systems as well as offering campaigners practical guidance when approaching future elections

MEDIA AND POLITICAL MARKETING Dr. ANJU ELIZABETH CHERIAN ,Dr. BENSON KUNJUKUNJU ,2022-05-10 India s democracy certainly faces many challenges even after that our country remain as robust and proud democracy The modern political marketing landscape provides myriad opportunities to connect with the potential voters and shape their opinion favourable to the oncerned political parties Political parties adopt various marketing strategies and other judicious tactics to improve their vote share and also to control the media the fourth wheel of democracy In this book authors are making an earnest attempt to unfold the various marketing strategies adopted by the different political parties the role of media in promoting demoting the political party perception of voters towards the various election strategies and media the main player during the elections In the era of post truth discourse this book will be an eye opener for the various political parties media and voters The book also deals with the functions approaches and more over the various marketing strategies like STP SOSTAC and 7P s in political marketing

Social Media and Election Campaigns Gunn Enli,Hallvard Moe,2017-10-02 This book aims to further the research in the fields of social media and political communication by moving beyond the hype and avoiding the most eye catching and spectacular cases It looks at stable democracies without current political turmoil small countries as well as large continents and minor political parties as well as major ones Investigating emerging practices in the United States Europe and Australia both on national and local levels enables us to grasp contemporary tendencies across different regions and countries The book provides empirical insights into the diverse uses of different social media for political communication in different societies Contributors look at the ways in which novel arenas connect with other channels for political communication and how politicians as well as citizens in general use social media services Presenting state of the art methodological approaches drawing on a combination of qualitative and quantitative analyses the book brings together an interdisciplinary group of researchers in order to address emerging practices of the mediation of politics campaign communication and issues of citizenship and democracy as expressed on social media platforms This book was originally published as a special issue of Information Communication Society

Social Media Campaigning in Europe Darren G. Lilleker,Karolina Koc-Michalska,Ralph Negrine,Rachel Gibson,Thierry Vedel,Sylvie Strudel,2020-06-04 Studies of election campaigns have shown an increased employment of websites weblog tools email and social media by political campaigners as well as the use of similar platforms by citizens to find information communicate about elections or engage more generally in political issues This comprehensive volume explores the ways in which social media is used on the one hand as a campaigning tool and on the other by local citizens It aims to develop a more holistic and Eurocentric research agenda by capturing both supply and demand practices at the European level The authors employ both single and multination case studies furthering debates on how political actors and voters embrace the new information and communication environment

in what ways and for what purposes The book offers new perspectives on social media campaigning within European democracies thereby contributing to a more global and comprehensive understanding of how campaigning is affected and might be enhanced by developing an interactive digital strategy This book will be of great interest to students of both politics and media studies It was originally published as a special issue of the Journal of Information Technology Politics *The media and the presidential elections in Russia 2000* Igor Eremin,2000 Campaigns and Elections Kanti Shukla,2025-01-03 Campaigns and Elections A Simple Guide provides a clear and concise overview of politics elections and the importance of campaigns We explore how elections occur the code of conduct qualities of a good leader and how politicians address regular challenges to improve their country or region Our book covers the types of elections and the election process highlighting the significance of women s participation in breaking stereotypes and contributing to the welfare of society We describe how elections and campaigns take place their main concepts and the role of media as a mediator between the public and political parties We focus on key concepts such as election types participation and registration of political leaders and parties the election process in different countries campaign strategies and the importance of voters voting and polling Additionally we emphasize the qualities of a deserving leader This book offers a comprehensive understanding of elections and politics on a global scale promoting freedom cultural diversity economic development and public welfare **Thirty Years of Political Campaigning in Central and Eastern Europe** Otto Eibl,Miloš Gregor,2019-10-15 This edited volume maps the development of the use of political campaigning and marketing techniques in countries of the former Communist Bloc over the last thirty years Focusing on the shift from propaganda to political marketing and from manipulation to persuasion the book consists of a series of case studies of countries in Central Europe Eastern Europe the Baltics and the Balkans that outline the history development and current state of political marketing in each country The authors explore political parties and their behaviour ahead of elections and show the changes in political culture and practices that parties have undergone in order to create more or less successful campaigns **Electoral Campaigns, Media, and the New World of Digital Politics** David Taras,Richard Davis,2022-03-22 Today political leaders and candidates for office must campaign in a multimedia world through traditional forums newspapers radio and television as well as new digital media particularly social media Electoral Campaigns Media and the New World of Digital Politics chronicles how Twitter Facebook Reddit email and memes are used successfully and unsuccessfully to influence elections Each of these platforms have different affordances and reach various audiences in different ways Campaigns often have to wage different campaigns on each of these mediums In some instances they are crucial in altering coverage in the mainstream media In others digital media remains underutilized and undeveloped As has always been the case in politics outcomes that depend on economic and social conditions often dictate people s readiness for certain messages However the method and content of those messages has changed with great consequences for the health and future of democracy This book answers several questions How do candidates parties reach

audiences that are preoccupied inattentive amorphous and bombarded with so many other messages How do they cope with the speed of media reporting in a continuous news cycle that demands instantaneous responses How has media fragmentation altered the campaign styles and content of campaign communication and general campaign discourse Finally and most critically what does this mean for how democracies function

Parties, Candidates, and Constituency Campaigns in Canadian Elections Anthony Sayers, 2011-11-01 Political scientists have traditionally examined the democratic process at the macro level With its unique micro level focus *Parties Candidates and Constituency Campaigns in Canadian Elections* provides the first systematic analysis of the local constituency campaigns that are the basis of elections and democracy in Canada By taking a detailed look at campaigns in seven B C ridings during the 1988 free trade election the last under the old three party system Anthony Sayers develops a typology of candidates and campaigns The dynamics of local associations nominations and campaigns including those of former prime minister Kim Campbell and New Democrat Svend Robinson as well as key strategic events and the role of the media are reconstructed from interviews with candidates campaign managers party strategists volunteers and journalists The 1993 and 1997 elections are then invoked to show that the insights drawn about the nature of constituency politics remain relevant to the new party system This important contribution to the study of Canadian elections forcefully argues that knowledge of the dynamics at the local level is essential to a full understanding of Canadian polity its underlying social basis and the factors that determine successful election campaigns As such *Parties Candidates and Constituency Campaigns in Canadian Elections* will intrigue not only political scientists and students of Canadian politics but also election candidates and party strategists

Campaigning for President 2012 Dennis W. Johnson, 2013-06-26 In this important and timely volume Dennis W Johnson has assembled an outstanding team of political scientists and political professionals to examine one of the fiercest and most closely fought presidential elections of our time Like its predecessor *Campaigning for President 2008* *Campaigning for President 2012 Strategy and Tactics* focuses on political management It is written by both elections campaign scholars and practitioners who highlight the role of political consultants and campaigns while also emphasizing the strategy and tactics employed by the candidates the national political parties and outside interests The contributors explore the general mood of the electorate in the 2012 election the challenges Obama faced after his first term the primaries money communication the important issues of the election and finally the election itself

Campaigning in Radical Right Heartland Oliver Gruber, 2014 Immigration and ethnic diversity are contentious political issues in contemporary Europe Both increasingly structure the campaigning strategies of political parties This book provides insights into the processes driving party politicization It presents findings from the heartland of the radical right studying competition on migration and diversity in Austria since the 1970s It reveals how parties adapt their electoral priorities to changes in the party system and the socio structural conditions The findings document the evolution of a new dimension of political competition and how niche parties can impact on mainstream party politicization in the electoral

arena Oliver Gruber is post doctoral researcher and lecturer at the Department of Political Science at the Universities of Vienna and Innsbruck Routledge Handbook of Internet Politics Andrew Chadwick, Philip N. Howard, 2010 The politics of the internet has entered the social science mainstream This volume is concerned with theoretical conceptual debates political institutions practices how the internet creates new policy problems for liberal democratic non liberal democratic states not to mention their roles in the global system **Neighborhood Associations and Local Governance in Japan** Robert J. Pekkanen, Yutaka Tsujinaka, Hidehiro Yamamoto, 2014-06-20 Although local neighborhood associations are found in many countries Japan s are distinguished by their ubiquity scope of activities and very high participation rates making them important for the study of society and politics Most Japanese belong to one local neighborhood association or another making them Japan s most numerous civil society organization and one that powerfully shapes governance outcomes in the country And they also often blur the state society boundary making them theoretically intriguing Neighborhood Associations and Local Governance in Japan draws on a unique and novel body of empirical data derived from the first national survey of neighborhood associations carried out in 2007 and provides a multifaceted empirical portrait of Japan s neighborhood associations It examines how local associational structures affect the quality of local governance and thus the quality of life for Japan s citizens and residents and illuminates the way in which these ambiguous associations can help us refine civil society theory and show how they contribute to governance As well as outlining the key features of neighbourhood associations the book goes on to examine in detail the way in which neighbourhood associations contribute to governance in terms of social capital networks with other community organizations social service provision cooperation with local governments and political participation This book will be welcomed by students and scholars of Japanese politics Japanese society anthropology urban studies as well as those interested in social capital and civil society Elections in Latin America Kevin Pallister, 2024-02-27 Even as several Latin American countries have regressed to authoritarian rule in the first two decades of the twenty first century elections remain permanent and vital features of the region s political life Kevin Pallister provides an accessible overview of elections throughout Latin America including formal electoral institutions informal practices and the behavior of voters and candidates Through a wide ranging synthesis of scholarly literature and sources it offers a descriptive and analytical look at how elections in the region work from the legal rules of the game to the final counting of the votes and provides an even handed discussion of its complexities such as electoral integrity gender quotas the role of social media corruption in campaign finance and how elections can be instruments of both democracy and autocracy This comprehensive narrative from Mexico to Argentina is complemented with illustrative examples case studies and data By understanding how elections in Latin America work as flawed but indispensable institutions of democracy students and other readers will enhance their knowledge of contemporary Latin American politics and the important process of democratization in the region Handbook of Research on New Media Applications in Public Relations and Advertising

Esiyok, Elif,2020-08-07 As competition between companies increases the need for effective public relations and advertising campaigns becomes imperative to the success of the business However with the introduction of new media the nature of these campaigns has changed Today s consumers have more awareness and diversified ways to obtain knowledge and through new media they can provide feedback An understanding of how to utilize new media to promote and sustain the reputation of an organization is vital for its continued success The Handbook of Research on New Media Applications in Public Relations and Advertising is a pivotal reference source that provides vital research on the application of new media tools for running successful public relations and advertising campaigns While highlighting topics such as digital advertising online behavior and social networking this book is ideally designed for public relations officers advertisers marketers brand managers communication directors social media managers IT consultants researchers academicians students and industry practitioners Cybernetic Avatar Hiroshi Ishiguro,Fuki Ueno,Eiki Tachibana,2024-11-15 This open access book presents a vision of a future where avatars play an integral role in shaping the fabric of our interconnected society The book introduces the authors ongoing efforts to advance avatar technologies and is structured into nine chapters Chapter 1 discusses the potentially revolutionary impact of cybernetic avatars CAs as a new medium of communication liberating individuals from physical barriers and creating more flexible work environments Chapters 2 3 and 4 present developments in CAs with advanced autonomous functionality Chapters 5 and 6 discuss the creation of a CA platform that connects multiple operators and CAs Chapter 7 explores the physiological and neuroscientific effects of avatars and other media on operators and users Finally Chapters 8 and 9 discuss the societal implementation of CAs This book is stemmed from one of the Moonshot R D projects funded by the Japan Science and Technology Agency JST
