Elections U S A:

Elections USA Philip Davies,1992 An analysis of the 1988 Presidential election in the United States Emphasizing that this was the first time for 20 years that the public had been called upon to choose between candidates of whom none was the incumbent President the book deals with ballots and the party system now and in the past *Internet Election Campaigns in the United States, Japan, South Korea, and Taiwan* Shoko Kiyohara,Kazuhiro Maeshima,Diana Owen,2017-10-17 This book investigates how institutional differences such as the roles of political parties and the regulation of electoral systems affect the development of Internet election campaigns in the U S Japan Korea and Taiwan It examines whether or not the Americanization of elections is evident in East Asian democracies While Japan is a parliamentary system the U S and Korea are presidential systems and Taiwan is a semi presidential system that has a president along with a parliamentary system Furthermore the role of the presidency in the U S Korea and Taiwan is quite different Taking these variations in political systems into consideration the authors discuss how the electoral systems are regulated in relation to issues such as paid advertisements and campaign periods They argue that stronger regulation of election systems and shorter election periods in Japan characterize Japanese uniqueness compared with the U S Korea and Taiwan in terms of Internet election campaigns
