Eisler A Biographie German:

Recomposing German Music Elizabeth Janik, 2005 This book is a social history of musical life in Berlin it investigates the tangled relationship between music and politics in 20th century Germany emphasizing the division of Berlin's musical community between east and west in the early Cold War era **A Political Biography of Arkadij Maslow, 1891-1941**

Mario Kessler, 2020-04-30 This book is a political biography of Arkadij Maksimovich Maslow 1891-1941 a German Communist politician and later a dissident and opponent to Stalin Together with his political and common law marriage partner Ruth Fischer Maslow briefly led the Communist Party of Germany the KPD and brought about its submission to Moscow Afterwards Fischer and Maslow were removed from the KPD leadership in the fall of 1925 and expelled from the party a year later Henceforth they both lived as communist outsiders persecuted by both Hitler and Stalin Maslow escaped to Cuba via France and Portugal and was murdered under dubious circumstances in Havana in November 1941 He died as a communist dissident committed to the cause of a radical socialist labor movement that lay in ruins Kessler considers Maslow's role in pivotal events such as the Bolshevik Revolution in Soviet revolutionary parties and organizations through to the rise of Stalinism and Cold War anti communism What results is a deep dive into the life of a key yet understudied figure in dissident communism **Edinburgh German Yearbook 5** Laura Bradley, Karen Leeder, 2011-10 While Bertold Brecht became

identified internationally as the cultural figurehead of the GDR his relationship with the authorities was always complex This book examines his activities in the GDR and the regime's marginalizing response and posthumous appropriation of his legacy **Jazz & the Germans** Michael J. Budds, 2002 Many commentators have observed that the influence of jazz and related popular musics on musical practice beyond American borders should be considered one of the most dynamic developments of the twentieth century This collection of essays concentrates on American influences in Germany where such unlikely foreign elements enjoyed a remarkable vogue for much of the past century not only in the realm of popular culture but in the realm of the arts as well Against the tumultuous social and political upheavals of modern Germany there evolved a fascinating musical sound track that introduced German musicians and their public to ragtime spirituals the blues later dance music and jazz with resulting opportunities for imitation and assimilation In this volume American scholars from various academic perspectives are joined by German musician scholars **Hanns Eisler Political Musician** Albrecht Betz, 1982-06-10

Albrecht Betz divides Eisler's life and music into four periods in this English edition of a work originally published in German in 1976 **Hanns Eisler's Art Songs** Heidi Hart, 2018 Traces Hanns Eisler's art songs through the political crises of the twentieth century presenting them as a way to intervene in the nationalist appropriation of aesthetic material *Operas in German: A Dictionary* Margaret Ross Griffel, 2018-01-23 With nearly three thousand new entries the revised edition of *Operas in German: A Dictionary* is the most current encyclopedic treatment of operas written specifically to a German text from the seventeenth century through 2016 Musicologist Margaret Ross Griffel details the operas composers scores librettos first

performances and bibliographic sources Four appendixes then list composers librettists authors whose works inspired or were adapted for the opera librettos and a chronological listing of the entries in the A Z section The bibliography details other dictionaries and encyclopedias performance studies collections of plot summaries general studies on operas sources on locales where opera premieres took place works on the history of operas in German and selective volumes on individual opera composers librettists producers directors and designers Finally two indexes list the main characters in each opera and the names of singers conductors producers composers directors choreographers and arrangers The revised edition of *Operas in German* provides opera historians musicologists performers and opera lovers with an invaluable resource for continued study and enjoyment

Music and German National Identity Celia Applegate, Pamela Potter, 2002-08 Concert halls all over the world feature mostly the works of German and Austrian composers as their standard repertoire composers like the three Bs of classical music Bach Beethoven and Brahms all of whom are German Over the past three centuries many supporters of German music have even nurtured the notion that the German speaking world possesses a peculiar strength in the cultivation of music This book brings together seventeen contributors from the fields of musicology ethnomusicology history and German literature to explore these questions how music came to be associated with German identity when and how Germans came to be regarded as the people of music and how music came to be designated the most German of arts Unlike previous volumes on this topic many of which focused primarily on Wagner and Nazism the essays here are wide ranging and comprehensive examining philosophy literature politics and social currents as well as the creation and performance of folk music art music church music jazz rock and pop The result is a striking volume adeptly addressing the complexity and variety of ways in which music insinuated itself into the German national imagination and how it has continued to play a central role in the shaping of a German identity Contributors to this volume Celia Applegate Doris L Bergen Philip Bohlman Joy Haslam Calico Bruce Campbell John Daverio Thomas S Grey Jost Hermand Michael H Kater Gesa Kordes Edward Larkey Bruno Nettl Uta G Poiger Pamela Potter Albrecht Riethmüller Bernd Sponheuer Hans Rudolf Vaget

The Oxford Handbook of Faust in Music Lorna Fitzsimmons, Charles McKnight, 2019-07-08 Since its emergence in sixteenth century Germany the magician Faust's quest has become one of the most profound themes in Western history Though variants are found across all media few adaptations have met with greater acclaim than in music Bringing together more than two dozen authors in a foundational volume *The Oxford Handbook of Faust in Music* testifies to the spectacular impact the Faust theme has exerted over the centuries The Handbook's three part organization enables readers to follow the evolution of Faust in music across time and stylistic periods Part I explores symphonic choral chamber and solo Faust works by composers from Beethoven to Schnittke Part II discusses the range of Faustian operas and Part III examines Faust's presence in ballet and musical theater Illustrating the interdisciplinary relationships between music and literature and the fascinating tapestry of intertextual relationships among the works of Faustian music themselves the volume suggests that rather than merely retelling the story

of Faust these musical compositions contribute significant insights on the tale and its unrivalled cultural impact *Quiet Invaders Revisited* Günter Bischof, 2017-07-12 österreichische Einwanderung in die USA Die vorliegende Publikation beleuchtet das Thema der Migration von Österreichern in die USA genauer das bis heute ein immer noch sehr unerforschtes Gebiet ist Seit kurzer Zeit erlebt die Forschung allerdings einen neuen Aufschwung es herrscht großes Interesse vor allem in der Biografieforschung Die vorliegenden Beiträge basieren auf einer Tagung die im Juni 2015 in Wien zum gleichnamigen Thema stattgefunden hat Es handelt sich hauptsächlich um Fallstudien über emigrierte Österreicher die ihre Heimat aus wirtschaftlichen politischen oder karrieretechnischen Gründen verlassen haben Alle mussten sich mit einer schwierigen Einwanderungspolitik der USA auseinandersetzen trotzdem ist den meisten von ihnen eine erfolgreiche Integration in die amerikanische Gesellschaft gelungen The essays in this book argue that the United States served as a great attraction for economic betterment to Austrian migrants before and World War I yet a third of these migrants actually remigrated Remigration was less likely after World War I as the economic situation deteriorated in Europe and the political situation landscape became desperate for Jews and the opponents of the Hitler regime Most of the Austrians migrating to the U S in the World War II era stayed For the roughly 30 000 Jews who had been brutally kicked out of their homes after the Anschluss and managed to snag immigration papers to the U S returning to desperately poor and still anti-Semitic Austria was not an option These case studies show that integrating and assimilating into the American mainstream often was a difficult process that might take two generations Many of the intellectuals and academics never fully felt at home in the U S as they viewed American culture shallow and American values too materialistic **Music after Hitler, 1945-1955** Toby Thacker, 2017-07-05 The political control of music in the Third Reich has been analysed from several perspectives and with ever increasing sophistication However music in Germany after 1945 has not received anything like the same treatment Rather there is an assumption that two separate musical cultures emerged in East and West alongside the division of Germany into two states with differing economic and political systems There is a widely accepted view of music in West Germany as free and in the East subject to party control Toby Thacker challenges these assumptions asking how and why music was controlled in Germany under Allied Occupation from 1945 1949 and in the early years of semi-sovereignty between 1949 and 1955 The re-education of Germany after the Hitler years was a unique historical experiment and the place of music within this is explored here for the first time While emphasizing political economic and broader social structures that influenced the production and reception of different musical forms the book is informed by a sense of human agency and explores the role of salient individuals in the reconstruction of music in post-war Germany The focus is not restricted to any one kind of music but concentrates on those aspects of music professional and amateur live and recorded which appeared to be the mostly highly charged politically to contemporaries Particular attention is given to denazification and to the introduction of international music Thacker traces the development of a divide between Communist and liberal democratic

understandings of the place of music in society The contested celebrations of the Bach Year in 1950 are used to highlight the role of music in the broader cultural confrontation between East and West Thacker examines the ways in which central governments in East and West Germany sought to control and influence music through mechanisms of censorship and positive support The book will therefore be of interest not only

Confronting the National in the Musical Past Elaine Kelly, Markus Mantere, Derek Scott, 2018-04-19 This significant volume moves music historical research in the direction of deconstructing the national grand narratives in music history of challenging the national paradigm in methodology and thinking anew about cultural traffic cultural transfer and cosmopolitanism in the musical past The chapters of this book confront or subject to some kind of critique assumptions about the importance of the national in the musical past The emphasis therefore is not so much on how national culture has been constructed or how national cultural institutions have influenced musical production but rather on the way the national has been challenged by musical practices or audience reception

A Jewish Communist in Weimar Germany Ralf Hoffrogge, 2017-07-10 Walter Benjamin derided Werner Scholem as a rogue in 1924 Josef Stalin referred him as a splendid man but soon backtracked and labeled him an imbecile while Ernst Thälmann chairman of the Communist Party of Germany KPD warned his followers against the dangers of Scholemism For the philosopher and historian Gershom Scholem however Werner was first and foremost his older brother The life of German Jewish Communist Werner Scholem 1895 1940 had many facets Werner and Gerhard later Gershom rebelled together against their authoritarian father and the atmosphere of national chauvinism engulfing Germany during World War I After inspiring his younger brother to take up the Zionist cause Werner himself underwent a long personal journey before deciding to join the Communist struggle Scholem climbed the party ladder and orchestrated the KPD's Bolshevisation campaign only to be expelled as one of Stalin's opponents in 1926 He was arrested in 1933 and ultimately murdered in the Buchenwald concentration camp seven years later This first biography of Werner Scholem tells his life story by drawing on a wide range of original sources and archive material long hidden beyond the Iron Curtain of the Cold War era First published in German by UVK Verlagsgesellschaft as *Werner Scholem eine politische Biographie 1895 1940* Konstanz 2014

Modernism on File C. Culleton, 2008-02-04 Modernism on File Writers Artists and the FBI 1920 1950 brings together important new scholarship focused on J Edgar Hoover's FBI and its institutional presence in shaping and directing American print film and art culture From Harlem to Hollywood Hoover and his bureau workers were bent on decontaminating America's creativity and this collection looks at the writers and artists who were tagged tracked and in some cases trapped by the FBI Contributors detail the threatening aspects of political power and critique the very historiography of modernism acknowledging that modernism was on trial during those years

The Cambridge Companion to the Lied James Parsons, 2004-07-01 Beginning several generations before Schubert the Lied first appears as domestic entertainment In the century that follows it becomes one of the primary modes of music making By the time

German song comes to its presumed conclusion with Richard Strauss's 1948 *Vier letzte Lieder* this rich repertoire has moved beyond the home and keyboard accompaniment to the symphony hall This is a 2004 introductory chronicle of this fascinating genre In essays by eminent scholars this Companion places the Lied in its full context at once musical literary and cultural with chapters devoted to focal composers as well as important issues such as the way in which the Lied influenced other musical genres its use as a musical commodity and issues of performance The volume is framed by a detailed chronology of German music and poetry from the late 1730s to the present and also contains a comprehensive bibliography

Stalin's American Spy Tony Sharp, 2014-05-15 Stalin's American Spy tells the remarkable story of Noel Field a Soviet agent in the US State Department in the mid 1930s Lured to Prague in May 1949 he was kidnapped and handed over to the Hungarian secret police Tortured by them and interrogated too by their Soviet superiors Field's forced confessions were manipulated by Stalin and his East European satraps to launch a devastating series of show trials that led to the imprisonment and judicial murder of numerous Czechoslovak German Polish and Hungarian party members Yet there were other events in his very strange career that could give rise to the suspicion that Field was an American spy who had infiltrated the Communist movement at the behest of Allen Dulles the wartime OSS chief in Switzerland who later headed the CIA Never tried Field and his wife were imprisoned in Budapest until 1954 then granted political asylum in Hungary where they lived out their sterile last years This new biography takes a fresh look at Field's relationship with Dulles and his role in the Alger Hiss affair It sheds fresh light upon Soviet espionage in the United States and Field's relationship with Hede Massing Ignace Reiss and Walter Krivitsky It also reassesses how the increasingly anti-Semitic East European show trials were staged and dissects the lessons which Stalin sought to convey through them

"Music after Hitler, 1945-1955" Toby Thacker, 2017-07-05 The political control of music in the Third Reich has been analysed from several perspectives and with ever increasing sophistication However music in Germany after 1945 has not received anything like the same treatment Rather there is an assumption that two separate musical cultures emerged in East and West alongside the division of Germany into two states with differing economic and political systems There is a widely accepted view of music in West Germany as free and in the East subject to party control Toby Thacker challenges these assumptions asking how and why music was controlled in Germany under Allied Occupation from 1945-1949 and in the early years of semi-sovereignty between 1949 and 1955 The re-education of Germany after the Hitler years was a unique historical experiment and the place of music within this is explored here for the first time While emphasizing political economic and broader social structures that influenced the production and reception of different musical forms the book is informed by a sense of human agency and explores the role of salient individuals in the reconstruction of music in post-war Germany The focus is not restricted to any one kind of music but concentrates on those aspects of music professional and amateur live and recorded which appeared to be the mostly highly charged politically to contemporaries Particular attention is given to denazification and to the introduction of international

music Thacker traces the development of a divide between Communist and liberal democratic understandings of the place of music in society The contested celebrations of the Bach Year in 1950 are used to highlight the role of music in the broader cultural confrontation between East and West Thacker examines the ways in which central governments in East and West Germany sought to control and influence music through mechanisms of censorship and positive support The book will therefore be of interest not only

Programming the Absolute Berthold Hoeckner,2021-03-09 *Programming the Absolute* discusses the notorious opposition between absolute and program music as a true dialectic that lies at the heart of nineteenth century German music Beginning with Beethoven Berthold Hoeckner traces the aesthetic problem of musical meaning in works by Schumann Wagner Liszt Mahler and Schoenberg whose private messages and public predicaments are emblematic for the cultural legacy of this rich repertory After Romanticism had elevated music as a language beyond language the ineffable spurred an unprecedented proliferation of musical analysis and criticism Taking his cue from Adorno Hoeckner develops the idea of a hermeneutics of a moment which holds that musical meaning crystallizes only momentarily in a particular passage a progression even a single note And such moments can signify as little as a fleeting personal memory or as much as the whole of German music Although absolute music emerged with a matrix of values the integrity of the subject the aesthetic autonomy of art and the intrinsic worth of high culture that are highly contested in musicology today Hoeckner argues that we should not completely discard the ideal of a music that continues to offer moments of transcendence and liberation Passionately and artfully written Hoeckner s quest for an essayistic musicology displays an original intelligence willing to take interpretive risks It is a provocative contribution to our knowledge about some of Europe s most important music and to contemporary controversies over how music should be understood and experienced *Acta Musicologica*,2002

Chaplin and American Culture Charles J. Maland,2021-01-12 Charles Maland focuses on the cultural sources of the on and off love hate affair between Chaplin and the American public that was perhaps the stormiest in American stardom

Ignite the flame of optimism with is motivational masterpiece, Find Positivity in **Eisler A Biographie German** . In a downloadable PDF format (PDF Size: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.

Eisler A Biographie German Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Eisler A Biographie German PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Eisler A Biographie German PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of Eisler A Biographie German free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Eisler A Biographie German Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Eisler A Biographie German is one of the best book in our library for free trial. We provide copy of Eisler A Biographie German in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Eisler A Biographie German. Where to download Eisler A Biographie German online for free? Are you looking for Eisler A Biographie German PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Eisler A Biographie German. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Eisler A Biographie German are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products

categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Eisler A Biographie German. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Eisler A Biographie German To get started finding Eisler A Biographie German, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Eisler A Biographie German So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Eisler A Biographie German. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Eisler A Biographie German, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Eisler A Biographie German is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Eisler A Biographie German is universally compatible with any devices to read.
