El Color De Mi Entorno:

El Color de Mi Entorno VV Staff,2001-02-02 *Mi Cuajara* Lola M. Laben,2021-10-05 The 1960s don't seem that long ago to many of us. Given how crowded and closely connected the world of the present is, it's hard to imagine there were places then that had been settled and cultivated for four hundred years but as recently as the 1980s had no electricity, no plumbing, and very little traffic except for horses, donkeys, and mostly bare feet. The valley of the Rio Mira in Ecuador was such a place. Jesuit priests brought slaves including Lola Laben's ancestors to farm sugarcane almost four hundred years ago. Slavery was abolished but the work continued. Agrarian reform came. Lola's parents became land owners and the work continued. Lola was born in a mud house identical to the ones her slave ancestors had been born in for generations. She helped her parents farm a little farther downriver in the same manner that her ancestors had farmed. She explored her tropical paradise and wondered about faraway places and listened to the news of the outside world, the world beyond her valley and the city where the train came to and from three times a week. Fate determined that the outside world would find her and she now resides in the most thoroughly modern and up-to-date nation on the planet. Guess what? Her childhood was full of wonder, beauty, adventure, and freedom even though survival was less certain. This book recounts the world that Lola was born into and how her heritage prepared her to meet the challenges of her future. **Tres semillas de granada** Rose

Mary Salum,2020-06-19 Estoy sentada en el salón de clases de mi infancia. El sol ha depositado algunas líneas diagonales sobre los pupitres de mis compañeras. Un lado se ve sombreado, el otro brillante. Estamos atentas en apariencia al sopor que causa la voz monótona del maestro. Nos habla de las culturas prehispánicas de nuestro pasado común de nuestros orígenes. Hay algo de eso que no reconozco que se me impone como un artificio porque no enlaza con las historias que me han contado en casa sobre mi pasado. Algo se disloca. En el vacío que ha dejado ese desprendimiento, las versiones de mis padres y abuelos sobre nuestros orígenes se imponen. Nos hablan de los fenicios, de la Primera Guerra Mundial, de la hambruna de los barcos que salen de Beirut con destino a América, de su decisión final de quedarse en México, de las paradas en Cuba, Tampico, Veracruz y otros puertos, de la necesidad de asimilarse para no ser llamados turcos, del aturdimiento que inflige el idioma ajeno. El maestro llama nuestra atención pero a mí no me interesan sus historias. No suenan reales. Ni mucho menos.

Buscando Dentro Del Caos César Pellicer, Cesar Pellicer,2012-09 Buscando dentro del caos es un registro de las diversas etapas que el personaje central debió superar para producir el cambio necesario de sus limitaciones personales, familiares, educativas, culturales y sociales, comprender el sistema que lo asfixia y lo limita para encontrar el porqué de su necesidad de transformarse y ser capaz de realizar su función específica dentro del universo que lo contiene al que él modifica con cada uno de sus actos. Proceso que se realiza en su interior mediante la comprensión y el control de su toma de conciencia. *Los Colores de la Santa Muerte: Guía Completa de Significados, Rituales y Protecciones* JULIO
