children's book *The Little Prince* holds a unique place in the world of literature. With guidance from the original watercolors, the story is straightforward. A young traveler visits several planets, including Earth. On these planets, he meets grownups who don't make sense and eventually the author, who has crash-landed in the Sahara desert. Along the way, he makes friends and discovers the meaning of love. Throughout are the themes of imagination, loneliness, and remembrance. With clear and succinct prose that hews to the original while avoiding becoming awkward and obscure after 80 years, this new translation makes the work come alive.

The Little Prince Antoine De Saint-Exupéry, 2017-10. It's the Sahara Desert and a pilot has crashed his plane. When suddenly a young boy with golden hair and a loveable laugh and who claims to have fallen to Earth appears before him and asks him to draw a sheep, what does he do? He draws it.
