Dolores Haro Gil,2025-09-24 La tradición gastronómica más que un arte de la transformación de alimentos constituye una expresión viva de la cultura y la historia de un pueblo Este estudio no solo busca recuperar un conjunto de recetas olvidadas sino que también intenta entender los componentes socioculturales y económicos que envolvían a sus habitantes en aquel entonces Las recetas seleccionadas no son meras instrucciones culinarias son relatos que contienen información sobre los ingredientes locales disponibles las técnicas de cocina de la época y las tradiciones que han dado forma a la identidad de la región La recopilación de las recetas tradicionales para este estudio proviene de un recetario perteneciente a Encarnación Rodríguez que contiene 163 recetas que están agrupadas según su tipología Se acompaña el recetario de una presentación de la obra dos capítulos introductorios que ayudan a entender el género literario en el que nos movemos y el contexto del recetario objeto de estudio en esta obra así como un glosario de términos culinarios útiles para su interpretación *Luz*
