*Priesthood* Leopold Sabourin (S. J.),1973      **Theology of the Priesthood** Jean Galot,2014-03 An Ignatius Press Reprint  
Ignatius Press Reprints are identical in content with the most recent print edition of the original title In order to keep important titles available at reasonable prices we reprint them digitally in small quantities We use high quality acid free paper but the books are not smyth sewn as is customary with our offset press print editions In this masterful and classic study renowned Jesuit theologian Jean Galot explains the nature of the priesthood He examines how the Jewish priesthood the perfect priestly ministry of Jesus and the role of the Twelve in the early Church helps us understand the ministerial priesthood in the Catholic Church today The book also explores the spiritual life of priests including the role of celibacy It concludes with a discussion demonstrating that the male character of the ministerial priesthood is based on the will of Jesus and that it is not contrary to the dignity of women or their role in the Church      **Priesthood** Sabourin,2018-08-14

Fundamental Theology of the Priesthood, A Cardinal Ouellet, Marc,2023 The Symposium for a Fundamental Theology of the Priesthood held at the Vatican from February 17 to 19 2022 inaugurated a new phase of theological and pastoral reflection in the context of contemporary questions regarding the ministry of priests and the priesthood of the baptized The deepening of the relationship between the two participations baptismal and ministerial in the one priesthood of Christ is fundamental for renewing the mission of the Church in the spirit of openness and dialogue of the Second Vatican Council This perspective is also pertinent for the promotion and communication of all vocations especially that of women whose charisms are yet to be fully recognized and integrated in their rightful place within the life of the Church Finally and no less important this reflection offers synodal practice a solid theological foundation for making the participation of the faithful dynamic which must not only correct the limitations and defects of the exercise of the ordained ministry but also actively and permanently exercise the gifts and charisms that the Holy Spirit has poured out on all baptized people      The Priesthood of All Believers and the Missio Dei Henry Joseph Voss,2016-10-25 The priesthood of all believers is a pillar undergirding Protestant ecclesiology Yet the doctrine has often been used to serve diverse agendas This book examines the doctrine s canonical catholic and contextual dimensions It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer s eschatological temple service and offering of spiritual sacrifices chapters 1 3 It secondly describes its catholic development by examining three paradigmatic shifts shifts especially associated with Christendom chapters 4 6 and a suppression of the doctrine s missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the missio Dei This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3

Lectio Divina 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord's Supper as the renewal of the royal priesthood

*Priesthood* Kenan Osborne, 2003-08-18 Well written and well presented Father Osborne's book is a solid overview of the history of the sacrament of holy orders not only for Roman Catholic clergy but for clergy throughout the Christian world. It will help all of those in ministry to understand the relationships between laity and clergy more deeply and it carefully delineates the deeper theological significance of women in ministry. By considering the ordained ministry from the standpoint of Jesus as the primordial minister, Priesthood enhances the multiple nature of ministry in ecumenical dialogues of our contemporary world, making them less intransigent. With the extensive discussion on ministry today, Priesthood is a welcome, timely and necessary contribution.

**Priesthood and Diaconate** Gerhard Müller, 2012-07-17 Pope John Paul II's apostolic letter *Ordinatio Sacerdotalis* confirmed that conferring Holy Orders on men only is a matter pertaining to divine revelation that has consistently been taught by the universal and ordinary Magisterium of the Church and hence is to be definitively held by all the faithful. Thus the Church's practice is not a concession to the customs of an age but is founded upon a theology of the sexes which is based on the relationship of man and woman originating in creation itself. This relationship is sanctified to the utmost in the Sacrament of Matrimony as the concrete symbol of God's love for mankind. God's own self-communication is inscribed in this marital consecration when Christ, being the representative of the Father, presents himself as the Bridegroom of the Church, his Bride. Furthermore, this spousal relationship between Christ and the Church is reflected in the Sacrament of Holy Orders and the male recipient's relation to the Church, which stands in relation to him as a feminine reality. This book thoughtfully explores the Church's understanding of the ministerial priesthood and the diaconate. Archbishop Gerhard Ludwig Müller, formerly the Bishop of Regensburg, is now Prefect of the Congregation for the Doctrine of the Faith. He has written and edited much on this topic as a member of the International Theological Commission. His writings on this subject have been combined in this present volume into a systematic presentation, expanded and updated. Müller offers us an irrefutable case based on theological sources for the Church's teaching and practice since the time of the Apostles of conferring the sacrament of Holy Orders on baptized males only.
