El Sobrante:

El Sobrante Donald Bastin, 2011 El Sobrante is a semirural community in Contra Costa County situated between the towns of Richmond Pinole and Orinda In Spanish el sobrante means the surplus but is more commonly translated as the leftovers The name is derived from the Rancho El Sobrante which was carved from land surrounded by Mexican land grants Unlike many of its neighbors El Sobrante never attracted any large company or business interest that would have determined its pattern of growth As a result the town was free to develop in a way that reflects the wishes and hopes of its residents Its people take pride that their community is a quiet place with small businesses unpretentious homes and open space where people can walk ride horses or simply enjoy nature In the Matter of the Survey of the Rancho "El Sobrante," Castro Confirmees United States.
