

Eleanor Of Castile

John Carmi Parsons, British Library

Eleanor Of Castile:

Eleanor of Castile John Carmi Parsons,1995 Eleanor of Castile thus becomes a study in the construction of the imagery of one woman's power and her society's perception of that imagery Parsons also considers the evolution of the queen's posthumous legend as her reputation was fashioned and refashioned in response to changing opinions on women and power

Eleanor of Castile Jean Powrie,1990 **Liber domini Johannis de Berewyk de expensis in garderoba Regine anno regni Regis Edwardi VIII** John Carmi Parsons,British Library,1977 *Eleanor of Castile* Sara Cockerill,2014-09-15 The untold story of the remarkable woman behind England's greatest medieval king Edward I *Facts Illustrative of the Life and Times of Queen Eleanor of Castile* J. Burt, **Queen Eleanor of Castile. Some New Facts Illustrative of Her Life and Times** Joseph Burt,187? **Eleanor of Castile, Queen of England, and the Monuments Erected in Her Memory. [With Illustrations.]** James GALLOWAY (M.D.),1909 **Eleanor of Castile 1290-1990** David Parsons,1991

Eleanor of Castile Michael Prestwich,1990 **Eleanor of Castile, Queen of England** Sir James Galloway,1909 **On the Death of Eleanor of Castile, Consort of King Edward the First, and the Honours Paid to Her Memory** Joseph Hunter,1841 **Lays of Alma, and Other Poems** Julia Tilt,1856 **Women in the Medieval Court** Rebecca

Holdorff,2022-04-06 A surprising look at women who wielded power in medieval Europe from queens to concubines to abbesses Medieval society might expect the elite women who decorated its courts to play the role of Queen Guinevere but many of these women had very different ideas Great queens who sometimes ruled in their own right fought wars and forged empires Noblewomen acted behind the scenes to change the course of politics Far from cloistered off from the world powerful abbesses played the role of kingmaker And concubines had a role to play as well both as political actors and as mothers of children who might change a country's destiny They experienced tremendous success and dramatic downfalls This book tells the stories of women from across medieval Europe from a Danish queen who waged political war to form a Scandinavian empire to a Tuscan countess who joined her troops on the battlefield Whether they wielded power in battle from a convent or from a throne or even in the bedchamber these women were far from damsels in distress waiting for their knights in shining armor *The Court and Household of Eleanor of Castile in 1290* John Carmi Parsons,1977 **She**

Wolves Elizabeth Norton,2011-08-26 Some of the queens featured in *She Wolves* are well known and have been the subject of biography Eleanor of Aquitaine Emma of Normandy Isabella of France and Anne Boleyn for example others have not been written about outside academic journals The appeal of these notorious queens apart from their shared taste for witchcraft murder adultery and incest is that because they were notorious they attracted a great deal of attention during their lifetimes *She Wolves* reveals much about the role of the medieval queen and the evolution of the role that led ultimately to the reign of Elizabeth I and a new concept of queenship **Visions and ruins** Joshua Davies,2018-04-11 *Visions and ruins* explores the production of cultural memory in the Middle Ages and the uses the medieval past has been put to in modernity Working with

texts in Old English Middle English and Latin as well as visual and material culture it traces connections in time place language and media to explore the temporal complexities of cultural production and subject formation The book interrogates critical poetic artistic and political archives to reveal exchanges of cultural energy and influence between past and present offering new ways of knowing the medieval past and the contemporary moment [Norman to Early Plantagenet Consorts](#) Aidan Norrie, Carolyn Harris, J.L. Laynesmith, Danna R. Messer, Elena Woodacre, 2023-05-16 This book examines the emergence of the queen consort in medieval England beginning with the pre Conquest era and ending with death of Margaret of France second wife of Edward I in 1307 Though many of the figures in this volumes are well known such as Eleanor of Aquitaine and Eleanor of Castille the chapters here are unique in the equal consideration given to the tenures of the lesser known consorts including Adeliza of Louvain second wife of Henry I Margaret of France wife of Henry the Young King and even Isabella of Gloucester the first wife of King John These innovative and thematic biographies highlight the evolution of the office of the queen and the visible roles that consorts played which were integral to the creation of the identity of early English monarchy This volume and its companions reveal the changing nature of English consortship from the Norman Conquest to today *Power of the Weak* Jennifer Carpenter, Sally-Beth MacLean, 1995 Covering the eleventh through sixteenth centuries these essays suggest that influence and power may have paradoxically been available to women despite and sometimes precisely because of their subordinate position in society Striking for its range of scholarship this collection explores the power and independence relationships and influence of medieval queens holy women mothers widows Jewish conversas and others Latin and Anglo Norman hagiography confessors manuals coronation rituals responsa literature and legal theory are represented An intriguing exploration of a basic paradox of medieval society and an excellent blend of theory and gender studies with detailed work relevant for social and political history Joel Rosenthal author of Patriarchy and Families of Privilege in Fifteenth Century England JENNIFER CARPENTER is a lecturer in history at the University of Otago Dunedin New Zealand **Transregal Kingship in the Thirteenth Century** Jörg Peltzer, Nicholas Vincent, 2025-08-15 Transregal Kingship in the Thirteenth Century explores a wide spread European phenomenon rulership over multiple kingdoms or a kingdom in combination with major non royal lordships elsewhere Perceptions of royal authority and kingly sovereignty changed significantly during the thirteenth century and as the role played by kingdoms as sovereign polities was strengthened the framework for transregal kingship shifted This volumes investigates the consequences examining the theory perception and administrative practices of transregal kingship Intended to provide a coherent picture that itself may facilitate comparisons the work focuses on four distinct but significantly intertwined polities The Empire France The Angevin Empire and the Papacy Despite its frequent occurrence transregal kingship played a relatively small role in contemporary political thought and transregal practice took a great variety of forms showing rulers and the ruled adapting to circumstance rather than pursuing any pre conceived grand strategy Meanwhile the ruler s frequent physical absence

provoked the creation of multiple forms of vice regal power In the Empire it also led to an increased use of arbitration as a means to solve disputes at regional level Finally an analysis of architecture and the built environment suggests that such things exhibit a fascinating combination of the political and the merely fashionable

Lives of England's Reigning and Consort Queens H. Eugene Lehman, 2011-10-13 This book Lives of Reigning and Consort Queens of England Englands History through the Eyes of its Queens is a factual narrative on lives of Norman Plantagenet Tudor Stuart Hanover and Windsorqueens covering a millenium of English History The biographical portraits start at the close of the Dark Ages with the Norman Conquest of 1066 and continue to Modern Time in the life of present Queen Elizabeth II This narratiev of fifty short chronologicalbiographies gives a view ijnto life and courtly customs from an age far removed from the present toward the way of life we know today Through the lives of these women one sees Englands history unroll Although the narratives are brief they bring individuals to life withoutjudgmental prejudice as unique personalities One of the fifty personalities 7 were reigning queens 38 were queen consort wives of moonarchs and 5 were wives of favorites who did not reign but who played a significant role during the life of a ruling king This sample of wo0men on the throne or close to the throne is too large to expect any single quality can characterize them all Some served as exemplary reigning queens or as consorts whom actively supported a sovereign husband or son Some assertively played the part of regent as a significantr power behind the throne Some influened historic events forr eliegious reasons Many avoided political involvement but ahd great influemnce on culture and custom Some had personal qualities that made them inherently interesting and desetrving of friendship A relatively small number of the queens were entirely unsuited to be queens Some queen consorts resisted familiarity and remain enigmatic effigies Some were apwns manipulated by historic events of the time and deprived them of opportunity to elave a personal mark of hsitory Others served chiefly as supportive mothers and wives

The Top Books of the Year Eleanor Of Castile The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
