Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals *Emotional Intelligence for Success & High Performance* Granville Ed D'Souza DBA, 2019-08-20 Emotional Intelligence for High Performance is specifically for those who are seeking that extra edge in their career This book reveals 9 fundamental competencies that can be learned and developed in weeks You just have to stay focused and do the work With the rapid takeover of technology in every industry people must increasingly stand out from the hungry pack And the energy to keep up with this wave of change requires a different mindset and attitude In this book you will Learn how purpose lays the foundation for passion and energy Practice Intra personal skills such as consciousness managing emotions and optimism which are the skills that top performers possess and use constantly Discover how self efficacy and the related behaviors push performers to the front of the pack Harness your knowledge and practice of interpersonal skills such as trust connection influence and empathy These building blocks forge everlasting relationships Each competency is explained through anecdotes and stories of top performers and less notable high flyers who are making their mark on the world And you can do the same by understanding these fundamental principles which the most successful people in the world have consciously or unconsciously mastered over time **World War II in Literature for Youth** Patricia Hachten Wee, Robert James Wee, 2004-11-10 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource What Every Woman Wants in a Man/What Every Man Wants in a Woman John Hagee, Diana Hagee, 2006-12 Good communication is essential in a good marriage In this unique book bestselling author and pastor Hagee and his wife present a husband s and wife s point of view on communicating more effectively **Dare To Dream!** Sandra Mcleod Humphrey, 2009-09-25 Magical heroes like Harry Potter Spiderman or Catwoman provide plenty of entertainment for kids but in real life heroes are made of

sterner stuff than celluloid fantasies In this inspiring collection of biographies covering historical figures such as Abraham Lincoln and Helen Keller as well as contemporary figures such as Toni Morrison and Michael Jordan critically acclaimed writer and psychologist Sandra McLeod Humphrey teaches young people that heroes were once ordinary people whose strength of character helped them to achieve extraordinary things Starting with only their dreams they worked hard and overcame obstacles to make their dreams come true Some overcame physical handicaps others psychological barriers like extreme shyness or feelings of inferiority some faced racial discrimination or educational disadvantage others financial burdens In spite of these frustrations and discouragements all of these people discovered in themselves the patience perseverance and determination to pursue their dreams beyond every obstacle The message is clear No matter who you are or where you come from you too can accomplish extraordinary things as long as you dare to dream and never never never give up

A Passion for Learning Philip A. Cusick, 2005-04-03 In his engaging new book Philip Cusick puts the personal back into education by examining the educational experiences of seven eminent American Benjamin Franklin Abraham Lincoln Jane Addams W E B Du Bois Eleanor Roosevelt J Robert Oppenheimer and Dorothy Day Devoting a chapter to each Cusick describes what they learned how they learned what they called their education and how they used education to establish their place in the world More than providing just a series of personal histories Cusick argues that the discourse about education has turned into a discourse about educational institutions But his descriptions show that one can talk about education without talking about schools talk about learning without talking about the state curriculum talk about achievement without talking about test scores and talk about accountability without talking about teacher preparation

Relentless Pursuit Noliwe Rooks,2024-07-23 An intimate and searching account of the life and legacy of one of America s towering educators a woman who dared to center the progress of Black women and girls in the larger struggle for political and social liberation When Mary McLeod Bethune died tributes in newspapers around the country said the same thing she should be on the Mount Rushmore of Black American achievement Indeed Bethune is the only Black American whose statue stands in Statuary Hall in the US Capitol and yet for most she remains a marble figure from the dim past Now seventy years later Noliwe Rooks turns Bethune from stone to flesh showing her to have been a visionary leader with lessons to still teach us as we continue on our journey toward a freer and more just nation Any serious effort to understand how the Black civil rights generation found role models vision and inspiration during their midcentury struggle for political power must place Bethune at its heart Her success was unlikely the fifteenth of seventeen children and the first born into freedom Bethune survived brutal poverty and caste subordination to become the first in her family to learn how to read and to attend college She gave that same gift to others when in 1904 at age twenty nine Bethune welcomed her first class of five girls to the Daytona Florida school she had founded and which would become the university that bears her name to this day Bethune saw education as an essential dimension of the larger struggle for freedom vitally connected to the vote and to economic self sufficiency and she enlisted Eleanor Roosevelt Harry Truman Franklin D Roosevelt and many other powerful leaders in her cause Rooks grew up in Florida in Bethune s shadow her grandmother trained to be a teacher at Bethune Cookman University and her family vacationed at the all Black beach that Bethune helped found in one of her many community empowerment projects The story of how Bethune succeeded in a state with some of the highest lynching rates in the country is in Rooks s hands a moving and astonishing example of the power of a mind and a vision that had few equals Now when the stakes of the long struggle for full Black equality in this country are particularly evident and centered on the state of Florida it is a gift to have this brilliant and lyrical reckoning with Bethune s journey from one of our own great educators and

scholars of that same struggle **Eleanor Roosevelt's Views on Diplomacy and Democracy** Dario Fazzi, Anya Luscombe, 2020-06-29 This volume fills a void in current studies of Eleanor Roosevelt Offering a comprehensive analysis of Roosevelt as a diplomat during the Cold War era it is particularly insightful in analyzing her position on United States race relations while at the United Nations It provides a new look at Roosevelt's leadership from an American perspective played out on a global stage Maurine H Beasley Professor Emerita University of Maryland College Park USA My grandmother was an ardent small d democrat as well as a Democrat but she didn't think we were very mature in our living of it This well written and illuminating collection of essays focused on what ER thought it meant to be a global citizen offers a unique perspective of her views on a host of issues Let us hope these fresh insights can inspire young people today to construct that better world to which she dedicated much of her life Anna Eleanor Roosevelt This book focuses on Eleanor Roosevelt's multifaceted agenda for the world It highlights her advocacy of human rights multilateral diplomacy and transnationalism and it emphasizes her challenge to gendered norms and racial relations The essays of this collection describe Eleanor Roosevelt as a public intellectual a politician a public diplomat and an activist She was undeniably one of the protagonists of the twentieth century and a proactive interpreter of the many changes it brought about She went through two world wars the harshness of the Great Depression and the emergence of nuclear confrontation and she deciphered such crises as the product of misleading nationalism and egoism Against them she offered her commitment to people's education as an example of civic engagement which she considered necessary for the functioning of any democratic order Such was the world Eleanor Roosevelt envisioned and tried to build symbolically and practically one where people the citizens of the world may really be at the center of international affairs **A Passionate Life** Ellen Carol DuBois, Vinay Lal, 2017-06-30 Kamaladevi Chattopadhyay 1903 1988 was a remarkable woman of many passions and gifts She played an important role in the struggle for Indian independence and was similarly a key figure in the international socialist feminist movement She was India's ambassador to Asia and Africa an articulate and unflinching exponent of the idea of decolonization and one of the earliest advocates of the idea of the global South A staunch champion of women's rights she held views on women's equality that continue to resonate in our times Greatly disheartened by the partition of India in 1947 Kamaladevi became involved in the resettlement of refugees and appeared to withdraw from political life Indeed the Kamaladevi that most Indians are familiar with is a figure who above all revived Indian handicrafts became the country's most well known expert on carpets puppets and its thousands of craft traditions and nurtured the greater majority of the country's national institutions charged with the promotion of dance drama art theatre music and puppetry Throughout her life however she upheld with all the intellectual vigour and emotional force at her command the idea of the dignity of every human life Kamaladevi wrote voluminously and her sojourns took her all over the world She travelled in China during World War II lectured in Japan visited Native American pueblos in New Mexico and forged links with working women and anti colonial activists in countries across Asia Africa and

Europe Sadly most of her writings have long been out of print The editors of this comprehensive anthology which is the first serious scholarly attempt to grapple with Kamaladevi s life and body of work have sought to represent the wide range of her interests The extensive selections comprised largely of journal articles and excerpts from Kamaladevi s books are accompanied by a set of original essays by contemporary Indian and American scholars which analyse and contextualize her life and work This volume should provide the resources for further examination and appreciation of Kamaladevi Chattopadhyay s unusual gifts and her place in modern Indian and world history Published by Zubaan *Teenplots* John T. away from the tyranny of the British Empire to build a nation based on the principles of freedom equal rights and opportunity for all men But life in the United States today is vastly different from anything the original Founders could have imagined in the late 1700s The notion of an African American president of the United States or a woman such as Condoleezza Rice or Hillary Clinton as Secretary of State would have been unimaginable to the men who wrote the Declaration of Independence and the Constitution or who ratified the Constitution or the Bill of Rights Among the modern day pioneers Williams writes about in this compelling new book are the passionate conservative President Reagan the determined fighters for equal rights Thurgood Marshall and Martin Luther King Jr the profound imprint of Rev Billy Graham s evangelism on national politics the focus on global human rights advocated by First Lady Eleanor Roosevelt the leaders of the gay community who refused to back down during the Stonewall Riots and brought gay life into America s public square the re imagined role of women in contemporary life as shaped by Betty Friedan Williams reveals how each of these modern day founders has extended the Founding Fathers original vision and changed fundamental aspects of our country from immigration to the role of American labor in the economy from modern police strategies to the importance of religion in our political discourse America in the 21st Century remains rooted in the Great American experiment in democracy that began in 1776 For all the changes our economy and our cultural and demographic make up there remains a straight line from the first Founders original vision to the principles and ideals of today s courageous modern day pioneers

The Passionate Economist Sally Sheard,2014 Brian Abel Smith was one of the most influential figures in the shaping of social welfare in the twentieth century A modern day Thomas Paine the British economist and expert advisor was driven to improve the lives of the poor working with groups like the World Health Organization International Labour Organization and the World Bank to help bring health and social welfare services to millions across the globe The Passionate Economist is the first biography to chronicle his life and the many programs he helped create Sally Sheard details Abel Smith s work as an economist and advocate setting it against the backdrop of the larger history of health and social welfare development since the 1950s She analyzes these developments and the effects that long running welfare debates have had on both poverty and state responses to it She compares welfare implementation in different developing countries and examines how it was administered by the agencies for which Abel Smith worked The result is an accessible book on a leading humanitarian and through him a history of exactly how we have cared for each other in the globalized era

Who Murdered FDR? Stephen B. Ubaney ,2017-01-10 Why did Eleanor Roosevelt in 1957 12 years after FDR s death suddenly hire a private investigator to probe the case Why were all of FDR s medical records were stolen from a locked filing cabinet at Bethesda Naval Hospital History now reveals that FDR died in the presence of two Russian spies who were painting his portrait and in 1995 his cousin published a diary claiming that his doctors knew he was being poisoned but couldn t determine the cause Are we really expected to believe that FDR Hitler and Mussolini all died within an 18 day span of each other by coincidence This book answers all of these questions and is a full

fledged punch in the face to anyone who believes the lies that we've been told in the history books for more than 75 years
FDR didn't just die he was murdered Prepare to be fascinated
