Eleazar Wheelock And The Adventurous Fou:

The Indian History of an American Institution Colin G. Calloway, 2010-05-11 A history of the complex relationship between a school and a people The Hovey Murals at Dartmouth College Brian P. Kennedy, 2015-10-06 Dartmouth College is in the unique position of having a magnificent large fresco by the Mexican muralist Jos Clemente Orozco 1883 1949 adorning the campus library Completed by the artist in 1934 and titled *The Epic of American Civilization* this work was promptly condemned by many alumni as being too critical of the college and academia In response to Orozco s work the illustrator and Dartmouth alumnus Walter Beach Humphrey 1892 1966 persuaded President Ernest Martin Hopkins to allow him to create another mural that would be more Dartmouth in character Humphrey painted his mural four years after the completion of Orozco s frescoes on the walls of a faculty dining hall or grill at the college Based on a drinking song by Richard Hovey Dartmouth Class of 1885 it depicts a mythical founding of the college by Eleazar Wheelock In the first panel Wheelock pulling along a five hundred gallon barrel of rum is happily greeted by young American Indian men whom he introduces to drunken revelry The encounter which takes place as the mural circles the grill room also features many half naked Indian women one of whom reads Eleazer s copy of *Gradus ad Parnassum* upside down Fast forward to the early 1970s and the introduction of the Native American Program and co education at Dartmouth College the Hovey Murals as the work was known became so controversial that they were covered over and the room itself closed This book aims to provide not only the history and art history of this mural but also its wider cultural and historical contexts The existence of both Orozco s fresco and Humphrey s mural on a college campus provides a unique juxtaposition of certain extremes of 1930s mural art As such their creation represents an important and fascinating historical moment while bringing into sharper focus some of the issues surrounding the politics of art and images This book is intended as a textbook for those studying these murals and also as a guide to understanding how they fit into a troubling and difficult history of envisioning Native Americans by non natives in American literature and popular art **Shirts Powdered Red** Maeve E. Kane, 2023-02-15 Beginning with a purchased shirt and ending with a handmade dress *Shirts Powdered Red* shows how Haudenosaunee women and their work shaped their nations from the sixteenth century through the nineteenth century By looking at clothing that was bought created and remade Maeve Kane brings to life how Haudenosaunee women used access to global trade to maintain a distinct and enduring Haudenosaunee identity in the face of colonial pressures to assimilate and disappear Drawing on rich oral archival material visual and quantitative evidence *Shirts Powdered Red* tells the story of how Haudenosaunee people worked to maintain their nations cultural and political sovereignty through selective engagement with trade and the rhetoric of civility even as Haudenosaunee clothing and gendered labor increasingly became the focus of colonial conversion efforts throughout the upheavals and dispossession of the nineteenth century *Shirts Powdered Red* offers a sweeping detailed cultural history of three centuries of Haudenosaunee women s labor and their agency to shape their nations future Race and Ethnicity in
