Elections And Democratization In Ukraine

Annelies Wilder-Smith

Elections And Democratization In Ukraine:

Elections and Democratization in Ukraine Sarah Birch, 2000-06-22 Elections and Democratization in Ukraine analyses the role of competitive elections in the Ukraine's crucial democratic transition period of 1989 to 1998 focusing on how Ukrainian voters make vote choices and which electoral cleavages are most important. Contrary to those who claim that the Soviet Union left in its wake an atomized society with weak social divisions this study argues that the Ukrainian electorate has from the advent of competitive elections exhibited relatively stable voting behaviour.

Elections and Democracy after Communism? E. Herron, 2009-05-25 This book uses elections as a vehicle to explain the unanticipated outcomes of post-Soviet politics. It assesses how the behavior of voters, candidates and government officials is influenced by the Soviet legacy and rational calculations of self-interest and is the first to address elections across post-Soviet space.

Democratic Revolution in Ukraine Taras Kuzio, 2013-09-13 In 2000 a beheaded journalist was found in a remote forest near Kyiv. The corpse led to a scandal when it was revealed that it was that of a journalist critical of the authorities. The President was heard on tapes made covertly in his office ordering violence to be undertaken against the journalist. The scandal led to the creation of a wide protest movement that culminated in the victory of democratic opposition parties in 2002. The democratic opposition led by its presidential candidate Viktor Yushchenko fought a bitter and fraudulent election campaign in 2004 during which he was poisoned. Widespread election fraud led to Europe's largest protest movement since the Cold War which became known as the Orange Revolution known after the campaign colour of the democratic opposition. This book is the first to provide a collection of studies surveying different aspects of the rise of the Ukraine's democratic opposition from marginalization to protest against presidential abuse of office and culminating in the Orange Revolution. It integrates the Kuchmagate crisis of 2000-2001 with that of the Orange Revolution four years later providing a rich, detailed and original study of the origins of the Orange Revolution. This book was published as a special issue of the *Journal of Communist Studies and Transition Politics*.

Ukraine's presidential election United States. Congress. Commission on Security and Cooperation in Europe, 2006

Democratic Changes and Authoritarian Reactions in Russia, Ukraine, Belarus and Moldova Karen Dawisha, Bruce Parrott, 1997-06-13 Edited by two of the world's leading analysts of postcommunist politics this 1997 book brings together distinguished specialists on the former communist countries of Russia and the Western Newly Independent States. Chapters on Belarus, Moldova and Ukraine plus three chapters on Russia's regional politics, its political parties and the overall process of democratization provide an in-depth analysis of the uneven pattern of political change in these four countries. Karen Dawisha and Bruce Parrott contribute theoretical and comparative chapters on postcommunist political development across the region. This book will provide students and scholars with detailed analysis by leading authorities plus research data on political and economic developments in each country.

Democracy and Post-Communism Graeme Gill, 2003-08-27 The collapse of communism was widely heralded as the

dawn of democracy across the former Soviet region. However, the political outcome has been much less uniform. The post communist states have developed political systems from democracy to dictatorship. Using examples and empirical data collected from twenty six former Soviet states, Graeme Gill provides a detailed comparative analysis of the core issues of regime change, the creation of civil society, economic reform, and the changing nature of post communism. Within these individual cases, it becomes clear that political outcomes have not been arbitrary but directly reflect the circumstances surrounding the birth of independence. Students of Comparative Politics, International Relations, and Russian and Post Soviet Studies should find this book essential reading.

Elections, Democratization, and Human Rights in Azerbaijan United States. Congress. Commission on Security and Cooperation in Europe, 2001

Politics And Society In Ukraine Paul D'anieri, 2018-02-23

With NATO expanding into central Europe, Ukraine has become a pivotal state for the future of European stability, yet it is a country about which little is known in the west. *Politics and Society in Ukraine* fills that gap, providing the first comprehensive and detailed study of the contemporary Ukrainian political system. Beginning with a discussion of the legacy of the Soviet Union, the authors illuminate Ukraine's regional and ethnic tensions, governmental system, efforts at reform, and foreign policy. They consider all of those issues from a comparative perspective that readers unfamiliar with Ukraine will find illuminating. The authors are three of the leading authorities on Ukrainian politics, and each has extensive experience in the country. This book provides much needed analysis of a crucial country. With the expansion of NATO, Ukraine is frequently described as the linchpin of security in Central Europe. And after Russia, it is the largest and most important of the post Soviet states. Yet it is a country about which most westerners know very little, subsumed as it was for decades beneath the Russian Empire and the Soviet Union. *Ukrainian Politics and Society* is the first comprehensive study of politics in post Soviet Ukraine and is therefore vital reading for anyone concerned with European security or with politics in the former Soviet Union. The authors' extensive experience in Ukraine allows them to explain the paradoxes of Ukrainian politics that have led to so many false predictions concerning the future of the Ukrainian state. Their examination of nationality politics shows why ethnic and regional differences have tended to recede rather than to spin out of control as they have elsewhere in the region. At the same time, these differences hamstring the country's political system, and the authors show how difficult a task it is for democratic institutions to provide effective government in a country with little consensus. By viewing economic reform in its profoundly political context, the authors expose the chasm between the theory and practice of economic reform. Understanding of how to make profits has not been lacking, but government regulation to ensure that profit seeking behavior leads to functioning markets has been conspicuously absent. By examining in detail how Ukrainian politics has followed theoretical expectations and where it has contradicted them, the authors arrive at conclusions with implications well beyond Ukraine. Ukraine must first build a state and a nation before it can successfully reform its economy or build a genuine democracy. For Ukraine and its people, the task is daunting. For the west, whose security increasingly relies on

stability in Ukraine this book provides the knowledge necessary to approach the problem as well as good reason not to ignore it

European Institutions, Democratization, and Human Rights Protection in the European Periphery Henry F. Carey, 2014-10-10 The European Union E U along with the Council of Europe NATO and the Office of Security and Cooperation in Europe are regional organizations which despite their different missions all are designed to support democracy human rights and the rule of law The E U has required that all of its candidate countries for potential and actual membership adhere to these three criteria along with free market practices since its 1993 Copenhagen inter governmental summit In this book experts have contributed chapters on the European record of induced improvements in a variety of countries Current scholarship has debated whether the rational incentives of accession to membership conditionality theory the normative power of European identity socialization theory or international legal processes institutional theory have explained what some claim are significant improvements Other scholars demur arguing that the improvements have been superficial or ephemeral or conversely that real improvement would have occurred anyway Still others argue that real improvements are reversible especially after E U membership is attained and regimes revert to former or new ways that erode democratization The E U and its peer institutions they suggest are not heavy anchors to democracy in periods of economic distress rising nationalism and extremism Yet others argue that out of these challenges the E U has saved the Euro built even stronger institutions and remains a beacon of desired ideals and membership among countries that conceivably could graduate from its partner organizations and eventually join the E U as well Each chapter assesses what difference the E U and other regional organizations have made in the record of a particular country These country chapters include those that were candidate countries and became member states Romania and Bulgaria in 2007 and Croatia in 2013 those that are now officially candidate countries Iceland Macedonia and since 2014 Serbia those have all signed stabilization agreements which are usually precursors of E U candidature Montenegro Bosnia Albania and since 2014 despite being regarded as too large the Ukraine and too poor Moldova and finally a new country Kosovo despite its non recognition by five E U member states which nonetheless appears to be on the road to eventual E U candidacy This study is a highly nuanced picture of a varying European record fraught with conflicting interests but portraying a picture of outer Europe struggling to improve because it seeks membership in a still powerful supranational organization

Human Rights and Democracy in EU Foreign Policy Rosa Balfour, 2013-06-17 This book investigates the disparity between rhetoric and performance in the European Union response to abuses of human rights and transgression of democracy With the Arab spring putting the spotlight on the EU s self portrait as committed to promoting global human rights and democracy this book examines the paradoxes of its international posture and the inconsistencies and double standards of its policies With an informative and empirical approach examining EU relations since the end of the Cold War this book seeks to uncover the reasons behind the Union s actions and understand the foreign policy dilemmas and processes that guide its action Including detailed analysis of

Ukraine and Egypt and the EU response to momentous changes for neighbouring nations the author draws upon thoroughly researched investigation into twenty years of EU foreign policy to create a framework using both EU Studies and International Relations Providing a deeper analysis than other dominant explanations this book presents new theories on the reasons behind the mismatch between words and deeds An invaluable and timely volume Human Rights and Democracy in EU Foreign Policy will be of interest to students and scholars of EU politics International Relations and human rights policy

Historical Dictionary of Ukraine Ivan Katchanovski, Zenon E. Kohut, Bohdan Y. Nebesio, Myroslav Yurkevich, 2013-07-11

Although present day Ukraine has only been in existence for something over two decades its recorded history reaches much further back for more than a thousand years to Kyivan Rus Over that time it has usually been under control of invaders like the Turks and Tatars or neighbors like Russia and Poland and indeed it was part of the Soviet Union until it gained its independence in 1991 Today it is drawn between its huge neighbor to the east and the European Union and is still struggling to choose its own path although it remains uncertain of which way to turn Nonetheless as one of the largest European states with considerable economic potential it is not a place that can be readily overlooked The problem is or at least was where to find information on this huge modern Ukraine and since 2005 the answer has been the Historical Dictionary of Ukraine in its first edition and now even more so with this second edition It now boasts a dictionary section of about 725 entries these covering the thousand years of history but particularly the recent past and focusing on significant persons places and events political parties and institutions as well as more broadly international relations the economy society and culture The chronology permits readers to follow this history and the introduction is there to make sense of it It also features the most extensive and up to date bibliography of English language writing on Ukraine **Post-Communist Ukraine** Bohdan

Harasymiw, 2002-02-20 Analysis of successes of Ukraine and its more frequent failures during its transition from authoritarianism to democracy **Presidents, Oligarchs and Bureaucrats** Dr Susan Stewart, Mr Hans-Henning

Schröder, Ms Andrea Schmitz, Ms Margarete Klein, 2013-04-28 Over the last decade the transition paradigm which is based on the conviction that authoritarian political systems would over time necessarily develop into democracies has been subjected to serious criticism The complex political and societal developments in the post Soviet region in particular have exposed flaws in the claim that a shift from authoritarianism to democracy is inevitable Using case studies from the post Soviet region a broad range of international contributors present an original and innovative contribution to the debate They explore the character of post Soviet regimes and review the political transformations they have experienced since the end of the Cold War Through a combination of theoretical approaches and detailed empirical analysis the authors highlight the difficulties and benefits of applying the concepts of hybrid regimes competitive authoritarianism and neopatrimonialism to the countries of the post Soviet space Through this in depth approach the authors demonstrate how Presidents Oligarchs and Bureaucrats in the region lead their countries examine the sources of their legitimacy and their relationship to the societies they govern

and advance the general theoretical debate on regime change and transition paths

Party Politics in Russia and Ukraine Bryon Moraski, 2022-06-07 This book investigates the effects of similar electoral system changes on candidate selection election outcomes and party development in two post Soviet states Russia and Ukraine during a period when Russia's rulers were consolidating a dominant party electoral authoritarian regime and Ukraine appeared to be moving towards electoral democracy

How Ukraine Became a Market Economy and Democracy Anders Åslund, 2009

Ukraine at a Crossroads Nicolas Hayoz, 2005 As the Orange Revolution has shown modern day Ukraine has undeniably come a long way since the dissolution of the Soviet Union This volume contains papers delivered at conferences about Ukraine held at the University of Fribourg Switzerland in 2001 and 2002 Supplementary articles have been solicited from recognized experts in the field to provide a comprehensive picture of a country in transition and to explain some of the challenges of Ukraine's New Deal

Ukraine's election United States. Congress. House. Committee on International Relations, 2005

Three Revolutions: Mobilization and Change in Contemporary Ukraine I Pawel Mink, Georges Reichardt, Iwona Kowal, 2019-10-31 Volume One of Three Revolutions presents the overall research and discussions on topics related to the revolutionary events that have unfolded in Ukraine since 1990 The three revolutions referred to in this project include the Revolution on Granite 1990 the Orange Revolution 2004 2005 and the Euromaidan Revolution 2013 2014 The project's overall goal was to determine the extent to which we have the right to use the term revolution in relation to these events Moreover the research also uncovered the methodological problems associated with this task Lastly the project investigated to what extent the three revolutions are connected to each other and to what extent they are detached Hence the research in this volume not only discusses the theoretical aspects but also provides new analyses on such issues as religion memory and identity in Ukraine

Ukraine, Developments in the Aftermath of the Orange Revolution United States. Congress. House. Committee on International Relations. Subcommittee on Europe and Emerging Threats, 2005

Ukraine: From Chernobyl' to Sovereignty Roman Solchanyk, 1992-06-18 A collection of interviews that reflects the changing face of the Ukraine the second largest Soviet republic The interviews demonstrate the transformation the Ukraine has gone through since the early stages of perestroika

Elections And Democratization In Ukraine Introduction

Elections And Democratization In Ukraine Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Elections And Democratization In Ukraine Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Elections And Democratization In Ukraine : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Elections And Democratization In Ukraine : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Elections And Democratization In Ukraine Offers a diverse range of free eBooks across various genres. Elections And Democratization In Ukraine Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Elections And Democratization In Ukraine Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Elections And Democratization In Ukraine, especially related to Elections And Democratization In Ukraine, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Elections And Democratization In Ukraine, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Elections And Democratization In Ukraine books or magazines might include. Look for these in online stores or libraries. Remember that while Elections And Democratization In Ukraine, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Elections And Democratization In Ukraine eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Elections And Democratization In Ukraine full book , it can give you a taste of the authors writing

style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Elections And Democratization In Ukraine eBooks, including some popular titles.

FAQs About Elections And Democratization In Ukraine Books

What is a Elections And Democratization In Ukraine PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Elections And Democratization In Ukraine PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Elections And Democratization In Ukraine PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Elections And Democratization In Ukraine PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Elections And Democratization In Ukraine PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
