Electoral Change In Britain Since 1945

**David Denver, Christopher
Carman, Robert Johns**

Electoral Change In Britain Since 1945:

Britain Since 1945 Jonathan Hollowell, 2008-04-15 This book offers a comprehensive overview of Britain's development since the end of the Second World War. It comprises 23 contributions from leading authorities and newer scholars set in context with a foreword by Raymond Seitz. A comprehensive and fascinating introduction to Britain from the end of the Second World War. Draws together the themes that have dominated discussion amongst scholars and media commentators. The chapters are set in context with a foreword by Raymond Seitz. Covers topics such as foreign policy, political parties, the media, race relations, women and social change, science and IT culture, industrial relations, the welfare state and political and economic issues in Scotland, Wales and Northern Ireland.

The Changing Electoral Map of England and Wales Jamie Furlong, Will Jennings, 2024-10-23 The 2019 British general election saw a dramatic redrawing of the electoral map with the Labour Party losing seats to the Conservatives in former heartlands in the North of England and Midlands. Yet this had been a long term shift with the opposite trend occurring in major cities and university towns where Labour's support has been increasing. What has driven these changes in electoral geography? Why do they matter? This book offers a definitive account of the changing electoral geography of England and Wales over the past half century. Jamie Furlong and Will Jennings argue that long term trends in social and economic structure have significantly altered the spatial distribution of voters and combined with changes in the parties' appeal to those voters have led to a gradual though recently accelerating realignment of the geographical basis of electoral competition. Constituency level analysis of voting at general elections between 1979 and 2019 reveals a swing from Labour to the Conservatives in demographically left behind areas: areas with largely white working class populations and lower levels of educational attainment while Labour's support has remained stable in areas characterized by high levels of economic deprivation and insecure employment. Areas that have experienced improvements in their socioeconomic condition typically cities where Labour have inefficiently stacked up votes have swung towards Labour whereas areas characterized by economic and population decline have swung towards the Conservatives. Spatial analysis reveals clusters of seats where each party has more support than expected based on sociodemographic composition: places where in short place matters. In Merseyside Labour's vote is much higher than would be predicted by demographics while this is similarly the case for the Conservatives in Lincolnshire and parts of the West Midlands. But what makes these areas distinctive? We present qualitative case studies for Merseyside and Lincolnshire to identify the place based contextual factors that help explain their unusual political characteristics. The book argues for the need to recognize the importance of people, places and parties in shaping the geography of electoral outcomes.

British General Elections Since 1964 David Denver, Mark Garnett, 2014-02-27 Despite a recent decline in voter turnout British general elections are still the centrepiece of Britain's liberal democracy and their results make a real difference to every British citizen. They command strong media interest long before their dates are announced and even uneventful campaigns dominate the headlines. The 2010 general

election saw the first direct televised debates between the main party leaders adding further interest to a battle which was always likely to be close The result was a hung parliament and the first British coalition government since 1945 However as this book shows these were only the latest manifestations of a transformation in British elections which began in the early 1960s While some election rituals remain intact the counting of votes by hand the solemn declaration of individual constituency results and most importantly the peaceful handover of power if the incumbent party loses almost everything of significance has changed Voters have very different attitudes fewer of them have party loyalties which are more than skin deep and they tend to base their choices on short term factors such as the perceived competence of the parties and the image of the leader The parties themselves are barely recognisable from the institutions of 1964 not least because their membership figures have dwindled dramatically Election campaigns are now heavily centralised and focus obsessively on a handful of target seats This book reviews the history of British general elections since 1964 charting the changes in voters and parties at every step In parallel it shows how electoral analysts have responded to these developments The first book of its kind it will be invaluable to readers with a general interest in British politics as well as to undergraduate and postgraduate students of the subject

Political Parties and Electoral Change Peter Mair, Wolfgang C Müller, Fritz Plasser, 2004-06-09 This book provides a comparative overview and account of how the parties in Western Europe have perceived contemporary challenges of electoral dealignment and how they have responded whether organizationally programmatically or institutionally

Elections in Britain D. Leonard, R. Mortimore, 2015-12-11 How do British elections work What about local elections and by elections How are candidates chosen What has been the impact of changes introduced by the present government How can an ordinary voter play his or her part And why do so few people vote these days Dick Leonard a political journalist and former MP and Roger Mortimore an opinion pollster cover all aspects of British elections in this updated edition of the standard work including comprehensive tables of statistics and results

The British Study of Politics in the Twentieth Century Jack Hayward, Brian Barry, Archie Brown, 2003-05 A collection of articles about British studies relating to various political issues including totalitarianism individualism pluralism political parties elections political institutions public administration nationalism authoritarianism and international relations

Electoral Change in Britain Since 1945 Pippa Norris, 1985

Change In British Politics Hugh Berrington, 2005-06-21 First Published in 2004 The most striking change in British politics during the seventies and early eighties was the undermining and then the end of the post war British consensus That consensus had been long in decline before the final seals were set by Mrs Thatcher's victories in 1979 and 1983 The consensus and the end itself had profound effects on the British polity they unsettled the distribution of power within the political parties and hence the working of the institutions of the government the direction of economic policy the character of local government and relations between government and interest groups were transformed What accounts for the ending in the mid 1970s of the policy consensus which characterised British politics for most of the

post war period The essays in this collection seek to explore the causes and some of the consequences of this breakdown

The Modern British Party System Paul Webb,2000-07-26 This is a really excellent book the best on British parties that I have read in recent years Paul Webb utilises the latest research and modern analytical techniques to provide a sophisticated study of parties and the party system which is packed with information It is a major contribution not just to the literature on British politics but also to the comparative literature on political parties David Denver Lancaster University Paul Webb s new book is likely to remain the standard work on the British party system for years to come Peter Mair University of Leiden A landmark study I cannot commend this book too highly to teachers of British politics students and professional analysts alike Ian Budge University of Essex An excellent book that will be much quoted by scholars in future years Alan Ware Oxford University Paul Webb provides the most comprehensive and well documented analysis of the programmatic and organizational changes in the British party system His conclusion that British parties remain critically important to the functioning of democracy is strengthened by his comparative approach This book is a major contribution to the study of British party politics Patrick Seyd University of Sheffield Providing a complete up to date overview of the changing nature of contemporary party politics in Britain this book draws on models of comparative politics and the latest empirical analysis to explain the capacity of British parties to adapt to a changing political environment A number of broad themes include the nature and extent of party competition the internal life and organizational development of parties the variety of evolving party systems in the United Kingdom and the links between parties and the wider political system The current weaknesses of party performance are addressed and the scope of reform explained and examined Contrary to claims of decline however the book demonstrates that party politics remain essentially vibrant and intrinsic to modern British democracy The Modern British Party System will be an essential text for all students of contemporary British politics parties and party systems

Elections and Voters in Britain David Denver,Christopher Carman,Robert Johns,2017-07-04 How do voters in Britain decide which party to vote for in elections Why do smaller parties get more support than they used to How do the mass media influence political opinions The authors examine these and other questions in the third edition of this popular text They trace the evolution of the British electorate over the post war period and focus in particular on recent elections from Labour s victories in the 2000s through to the hung parliament of 2010 As well as examining and explaining theories of party choice including the view that voters evaluations of government performance and party leaders are now the key determinants of election outcomes the authors also devote separate chapters to turnout trends and patterns electoral systems and the geography of party support Campaigning opinion polls and the mass media are also considered Fully revised the text incorporates the latest research on elections and voting behaviour and includes analysis of recent trends and developments including how new media are affecting election campaigning *Electoral Systems and Voting in the United Kingdom* Chris Robinson,2010-07-13 A key feature of the New Labour government s constitutional reform agenda has been

the introduction of a number of alternative methods of voting for both existing elections and for those to new political institutions This book examines the workings of these various systems of elections looking specifically at how they operate within the United Kingdom and their direct impact on representation and governance It also considers voting behaviour in the UK with reference to the context of the electoral system being used In conclusion there is an attempt to discover the extent to which the introduction and operation of different electoral systems has affected voter behaviour *The British Political Process* Tony Wright, 2002-09-11 Written by those close to the political process The British Political Process provides an authoritative reliable and manageable guide to understanding all the key elements of government and politics in Britain

Critical Elections Geoffrey Evans, Pippa Norris, 1999-04-28 Did Labour's landslide victory in 1997 mark a critical watershed in British party politics Did the radical break with 18 years of Conservative rule reflect a fundamental change in the social and ideological basis of British voting behaviour Critical Elections brings together leading scholars of parties elections and voting behaviour to provide the first systematic overview of long term change in British electoral politics

Electoral Change Mark Franklin, Thomas Mackie, Henry Valen, 2024-10-31 Until the last quarter of the 20th Century Western party systems appeared to be frozen and stability was generally taken to be the central characteristic of individual level party choice But during the 1970s and 1980s in a spasm of change that appeared to occur in all countries this ceased to be true Voters in Western countries suddenly demonstrated an unexpected and increasing unpredictability in their choices between parties often to the extent of voting for parties that are quite new to the political scene Understanding these fundamental changes became a pressing concern for political scientists and commentators alike and a matter of extensive controversy and debate In the middle 1980s an international team of leading scholars set out to explore the reasons for these shifts in voting patterns in sixteen western countries all those of the then European Community except for Luxembourg and Portugal together with Australia Canada New Zealand Norway Sweden and the United States In this book they report their findings regarding the connections between social divisions and party choice and the manner in which these links had changed since the mid 1960s The authors based their country studies on a common research design By doing so they were able to focus on the characteristics that the sixteen countries had in common so as to evaluate the extent to which the changes had a common source This is a longitudinal study extending over nearly a generation of changes in voting behaviour that is as fully cross national as it was possible to produce at the time Its findings enabled the authors to break away from conventional explanations for electoral change to arrive at conclusions of far reaching importance The passage of time has not dated this book and in this edition the original text is augmented by a new Preface that describes the ways in which the book's findings retain their relevance for contemporary scholarship and by an Epilogue in which the main analyses reported in the book are brought up to date to the middle 2000s **The Statesman's Yearbook 2004** B. Turner, 2016-12-27 For one hundred and forty years The Statesman's Yearbook has been relied upon to provide accurate and comprehensive information

on the current political economic and social status of every country in the world The appointment of the new editor only the seventh in the book's history brought enhancements to the 1998-99 edition and these have been continued since then The 2004 edition is fully updated and contains more information than ever before A foldout colour section provides a political world map and flags for the one hundred and ninety two countries of the world In an endlessly changing world the annual publication of The Statesman's Yearbook gives all the information you need in one easily digestible single volume It will save hours of research and cross referencing between different sources and it is an essential annual purchase

Parties

Without Partisans Russell J. Dalton, Martin P. Wattenberg, 2002-03-14 Parties Without Partisans provides a comprehensive cross national study of parties in advanced industrial democracies in all their forms in electoral politics as organisations and in government

British Polity, The, CourseSmart eTextbook Philip Norton, 2015-10-30 This book provides a clear conceptual framework for the understanding of British politics influenced in broad terms by a systems approach to public policy It considers the bodies responsible for scrutinizing and legitimizing the policies of the U K government Parliament and the monarchy

Voters' Victory Jack Vowles, 2013-11-01 Completes a triad of studies charting New Zealand's shift to a new MMP electoral system This volume is the story of the first MMP election in 1996 and asks the question is MMP beginning to deliver what its advocates hoped The research for the text used two different multi stage panels and featured a post election postal survey of over 2000 electors and a similar survey of election candidates from those parties securing parliamentary representation a study based on daily telephone interviews throughout the 1996 election campaign and post election re interviews

Global Political Campaigning Fritz Plasser, 2002-02-28 Plasser examines the changing practices of election campaigning worldwide Based on data of an indepth survey of campaign managers and political consultants from 43 countries he provides insights into the professional role definitions and strategic orientations determining the future of electioneering in media centered democracies The first section gives a state of the art overview of the international literature and modernization theories describing and analyzing the ongoing process of modernization and growing professionalization of electioneering around the world The second section deals with the topic of an Americanization of campaign practices in countries fundamentally different from the United States from a diffusion point of view A special focus is the role of U S overseas consultants in influencing and modifying campaign practices in foreign countries based on indepth interviews about the professional experiences of leading figures of the Americans overseas consultancy business The third section deals with central features of campaign practices from a comparative perspective and provides information and data about the media infrastructure and political culture indicators for 50 countries as well as a detailed comparison of country specific campaign regulations party system features and campaign styles The fourth section focuses on the results of Plasser's Global Political Consultancy Survey among 592 campaign professionals from 43 countries The results of this first worldwide survey offer insights into professional orientations role definitions and practices of campaign managers and political consultants

throughout the world The fifth section discusses different area and country specific campaign styles from a comparative perspective The final chapters present a global typology of distinct campaign styles across the world summarize the central findings and link them to the ongoing debate about the future of electioneering in media centered democracies An essential research tool for scholars students and other researchers involved with comparative electioneering political management and political communication **The Handbook of West European Pension Politics** Ellen, M. Immergut, Karen, M. Anderson, Isabelle Schulze, 2007-01-04 Comparative analysis of pension systems in the EU 15 countries and Switzerland Gives an overview of the political institutions and party systems and traces the proposed and enacted pension reforms since the 1980s

Electoral Change In Britain Since 1945 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Electoral Change In Britain Since 1945 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Electoral Change In Britain Since 1945 has opened up a world of possibilities. Downloading Electoral Change In Britain Since 1945 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Electoral Change In Britain Since 1945 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Electoral Change In Britain Since 1945. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Electoral Change In Britain Since 1945. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Electoral Change In Britain Since 1945, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Electoral Change In Britain Since 1945 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Electoral Change In Britain Since 1945 Books

What is a Electoral Change In Britain Since 1945 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Electoral Change In Britain Since 1945 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Electoral Change In Britain Since 1945 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Electoral Change In Britain Since 1945 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Electoral Change In Britain Since 1945 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
