

THE GOSSAMER YEARS

The Diary of a Noblewoman
of Heian Japan

translated by
Edward Seidensticker

The book cover features a traditional Japanese illustration. The top half shows a landscape with a large, gnarled tree on the right, its branches reaching over a body of water. The middle section is a solid tan color. The bottom section shows a wooden veranda where four women in traditional Heian-period court attire are seated. One woman on the left is looking down at a book, while the others are looking towards the right. The background of the illustration is a light tan color.

Gossamer Years The Diary Of A Noblewoman Of Heian Japan

Kageró Nikki

Gossamer Years The Diary Of A Noblewoman Of Heian Japan:

Gossamer Years ,2011-12-20 Kagero Nikki translated here as The Gossamer Years belongs to the same period as the celebrated Tale of Genji by Murasaki Shikibu This remarkably frank autobiographical diary and personal confession attempts to describe a difficult relationship as it reveals two tempestuous decades of the author s unhappy marriage and her growing indignation at rival wives and mistresses Too impetuous to be satisfied as a subsidiary wife this beautiful and unnamed noblewoman of the Heian dynasty protests the marriage system of her time in one of Japanese literature s earliest attempts to portray difficult elements of the predominant social hierarchy A classic work of early Japanese prose The Gossamer Years is an important example of the development of Heian literature which at its best represents an extraordinary flowering of realistic expression an attempt unique for its age to treat the human condition with frankness and honesty A timeless and intimate glimpse into the culture of ancient Japan this translation by Edward Seidensticker paints a revealing picture of married life in the Heian period **The Gossamer Years** Mother of Michitsuna,1964 **The Gossamer Years**

,1989-12-15 Kagero Nikki translated here as The Gossamer Years belongs to the same period as the celebrated Tale of Genji by Murasaki Shikibu This remarkably frank autobiographical diary and personal confession attempts to describe a difficult relationship as it reveals two tempestuous decades of the author s unhappy marriage and her growing indignation at rival wives and mistresses Too impetuous to be satisfied as a subsidiary wife this beautiful and unnamed noblewoman of the Heian dynasty protests the marriage system of her time in one of Japanese literature s earliest attempts to portray difficult elements of the predominant social hierarchy A classic work of early Japanese prose The Gossamer Years is an important example of the development of Heian literature which at its best represents an extraordinary flowering of realistic expression an attempt unique for its age to treat the human condition with frankness and honesty A timeless and intimate glimpse into the culture of ancient Japan this translation by Edward Seidensticker paints a revealing picture of married life in the Heian period

The Sarashina Diary Sugawara no Takasue no Musume,2018-03-20 A thousand years ago a young Japanese girl embarked on a journey from deep in the countryside of eastern Japan to the capital Forty years later with the long account of that journey as a foundation the mature woman skillfully created an autobiography that incorporates many moments of heightened awareness from her long life Married at age thirty three she identified herself as a reader and writer more than as a wife and mother enthralled by fiction she bore witness to the dangers of romantic fantasy as well as the enduring consolation of self expression This reader s edition streamlines Sonja Arntzen and Moriyuki It s acclaimed translation of the

Sarashina Diary for general readers and classroom use This translation captures the lyrical richness of the original text while revealing its subtle structure and ironic meaning highlighting the author s deep concern for Buddhist belief and practice and the juxtaposition of poetic passages and narrative prose The translators commentary offers insight into the author s family and world as well as the style structure and textual history of her work **Male Colors** Gary Leupp, 2023-04-28 Tokugawa Japan ranks with ancient Athens as a society that not only tolerated but celebrated male homosexual behavior Few scholars have seriously studied the subject and until now none have satisfactorily explained the origins of the tradition or elucidated how its conventions reflected class structure and gender roles Gary P Leupp fills the gap with a dynamic examination of the origins and nature of the tradition Based on a wealth of literary and historical documentation this study places Tokugawa homosexuality in a global context exploring its implications for contemporary debates on the historical construction of sexual desire Combing through popular fiction law codes religious works medical treatises biographical material and artistic treatments Leupp traces the origins of pre Tokugawa homosexual traditions among monks and samurai then describes the emergence of homosexual practices among commoners in Tokugawa cities He argues that it was nurture rather than nature that accounted for such conspicuous male male sexuality and that bisexuality was more prevalent than homosexuality Detailed thorough and very readable this study is the first in English or Japanese to address so comprehensively one of the most complex and intriguing aspects of Japanese history Tokugawa Japan ranks with ancient Athens as a society that not only tolerated but celebrated male homosexual behavior Few scholars have seriously studied the subject and until now none have satisfactorily explained the origins of the tradition or elucidated **I'm Married to Your Company!** Masako Itoh, 2008 This approachable and absorbing book offers a unique window into Japanese culture and language Highlighting the overlooked world of the silent majority the housewives and mothers who are the mainstay of Japanese society this work tells the stories of ordinary women in their own voices An annotated translation of a Japanese bestseller the volume explores the daily communication of Japanese women and what their words tell us about their relationships and lives in a globalized post industrial yet still often male dominated Japan Readers will find that many issues explored here are universal to women everywhere while others are specific to Japan With added cultural context and commentary the book offers a fresh understanding of Japanese society even for those who have had little exposure to Japan Students in diverse fields ranging from anthropology to women s studies and from communications to Asian studies will find this an insightful and provocative work **Toxic Archipelago** Brett L. Walker, 2011-07-01 Every person on the planet is entangled in a web of ecological relationships that link farms and factories with human consumers Our lives depend on these relationships and are imperiled by them as well Nowhere is this truer than on the Japanese archipelago During the nineteenth century Japan saw the rise of Homo sapiens industrialis a new breed of human transformed by an engineered industrialized and poisonous environment Toxins moved freely from mines factory sites and rice paddies into human bodies Toxic Archipelago explores how toxic

pollution works its way into porous human bodies and brings unimaginable pain to some of them Brett Walker examines startling case studies of industrial toxins that know no boundaries deaths from insecticide contaminations poisonings from copper zinc and lead mining congenital deformities from methylmercury factory effluents and lung diseases from sulfur dioxide and asbestos This powerful probing book demonstrates how the Japanese archipelago has become industrialized over the last two hundred years and how people and the environment have suffered as a consequence Be a Woman Joan E. Ericson,1997-09-01 Joan Ericson s magnificent survey of writing by Japanese women significantly advances the current debate over the literary category of women s literature in modern Japan and demonstrates its significance in the life and work of twentieth century Japan s most important woman writer Hayashi Fumiko 1903 1951 Until the early 1980s the literary category of women s literature joryu bungaku segregated most writing by modern Japanese women from the literary canon Women s literature was viewed as a sentimental and impressionistic literary style that was popular but was critically disparaged A close scrutiny of Hayashi Fumiko s work in particular the two pieces masterfully translated here the immensely popular novel Horoki Diary of a Vagabond and Suisen Narcissus shows the inadequacies of categorizing her writing as women s literature Its originality and power are rooted in the clarity and immediacy with which Hayashi is able to convey the humanity of those occupying the underside of Japanese society especially women Asian Animal Zodiac Ruth Q. Sun,Norma Sun,2012-02-07 This guide to the Asian zodiac gives a complete history and explanation of the zodiac as well as detailed instructions on how to read one s own animal signs In much the same way that Westerners analyze their personalities and predict their futures by studying the positions of the stars under which they were born Asians use the ancient animal zodiac to explain individual personalities and predict their futures Originally the Chinese zodiac this custom spread to all corners of East Asia According to legend the twelve years in the Asian animal cycles were named for the twelve animals who visited Buddha on his deathbed the rat ox tiger hare dragon snake horse ram monkey cock dog and boar This informative and delightful book examines each animal of the zodiacal cycle and describes its history its virtues and flaws its all too human characteristics Traditional tales from China Japan Korea Tibet and Vietnam illustrate each animal s personality as the people of those nations see it With carts descriptions and stories in this zodiac book the Western reader too may find useful wisdom in the Asian animal zodiac **The Making of Romantic Love** William M. Reddy,2024-05-31 In the twelfth century the Catholic Church attempted a thoroughgoing reform of marriage and sexual behavior aimed at eradicating sexual desire from Christian lives Seeking a refuge from the very serious condemnations of the Church and relying on a courtly culture that was already preoccupied with honor and secrecy European poets romance writers and lovers devised a vision of love as something quite different from desire Romantic love was thus born as a movement of covert resistance In *The Making of Romantic Love Longing and Sexuality in Europe South Asia and Japan* William M Reddy illuminates the birth of a cultural movement that managed to regulate selfish desire and render it innocent or innocent enough Reddy strikes out from this

historical moment on an international exploration of love contrasting the medieval development of romantic love in Europe with contemporaneous eastern traditions in Bengal and Orissa and in Heian Japan from 900 1200 CE where one finds no trace of an opposition between love and desire In this comparative framework Reddy tells an appealing tale about the rise and fall of various practices of longing underscoring the uniqueness of the European concept of sexual desire **Rituals of Self-Revelation** Irmela Hijiya-Kirshnereit, 2020-03-23 Irmela Hijiya Kirshnereit brings a sophisticated and graceful method of analysis to this English translation of her book on the shish setsu one of the most important yet misunderstood genres in Japanese literature Thorough and insightful this study of the Japanese version of the I novel provides a means of researching and interpreting the tradition of the genre linking it to forms of autobiographical fiction as well as to cultural assumptions of the classical period of Japanese history Hijiya Kirshnereit provides a model of systematic inquiry into literary traditions that will stimulate American and English Japanologists providing a much needed bridge between German Japanologists and the rest of the field
