importance in the development of Western history and international art and architecture **Medieval Art, Architecture and Archaeology in the Dioceses of Aberdeen and Moray** Jane Geddes, 2016-04-14 Exploring the medieval heritage of Aberdeenshire and Moray the essays in this volume contain insights and recent work presented at the British Archaeological Association Conference of 2014 based at Aberdeen University The opening historical chapters establish the political economic and administrative context of the region looking at both the secular and religious worlds and include an examination of Elgin Cathedral and the bishops palaces The discoveries at the excavations of the kirk of St Nicholas which have revealed the early origins of religious life in Aberdeen city are summarized and subsequent papers consider the role of patronage Patronage is explored in terms of architecture the dramas of the Reformation and its aftermath highlighted through essentially humble parish churches assailed by turbulent events and personalities The collegiate church at Cullen particularly its tomb sculpture provides an unusually detailed view of the spiritual and dynastic needs of its patrons The decoration of spectacular ceilings both carved and painted at St Machar s Cathedral Provost Skene s House and Crathes Castle are surveyed through the eyes of their patrons and the viewers below Saints and religious devotion feature in the last four chapters focusing on the carved wooden panels from Fetteresso which display both piety and a rare glimpse of Scottish medieval carnal humour the illuminated manuscripts from Arbuthnott the Aberdeen Breviary and Historia Gentis Scotorum The medieval artistic culture of north east Scotland is both battered by time and relatively little known With discerning interpretation this volume shows that much high quality material still survives while the lavish illustrations restore some glamour to this lost medieval world *Fodor's Spain 2011* Caroline Trefler, 2010-11-16 Provides a region by region guide to Spain including information on accommodations shopping and points of interest **Fodor's Spain** Fodor's Travel Publications, Inc, 2012 Full color guide Make your trip to Spain unforgettable with illustrated features maps and color photos Customize your trip with simple planning tools Top experiences attractions Convenient overview of each region and its highlights Easy to read color regional maps Explore Spain and beyond Discerning Fodor s Choice picks for hotels restaurants sights and more Word of Mouth tips from fellow Fodor s travelers Illustrated features on the Prado Museum the wines of Spain Gaudi flamenco the Alhambra tapas and Basque Country Best beaches best restaurants best tapas spots and best lodgings Opinions from destination experts Fodor s Spain based writers reveal their favorite local haunts Revised annually to provide the latest information **The Architect** , 1878 [American Journal of Archaeology and of the History of the Fine Arts](#) , 1902 **American Journal of Archaeology** , 1902 **Fodor's Essential Spain 2019** Fodor's Travel Guides, 2018-12-04 Written by locals Fodor s Essential Spain 2019 is the perfect guidebook for those looking for insider tips to make the most out their visit to Madrid Barcelona and beyond Complete with detailed maps and concise descriptions this Spain travel guide will help you plan your trip with ease Join Fodor s in exploring one of the most exciting countries in Europe Spain remains one of the world s most popular tourist destinations for its cutting edge cuisine and superior wine
