[The Vimy Trap](#) Ian McKay, Jamie Swift, 2017-03-16 The story of the bloody 1917 Battle of Vimy Ridge is according to many of today s tellings a heroic founding moment for Canada This noble birth of a nation narrative is regularly applied to the Great War in general Yet this mythical tale is rather new Vimyism today s official story of glorious martial patriotism contrasts sharply with the complex ways in which veterans artists clerics and even politicians who had supported the war interpreted its meaning over the decades Was the Great War a futile imperial debacle A proud nation building milestone Contending Great War memories have helped to shape how later wars were imagined The Vimy Trap provides a powerful probe of commemoration cultures This subtle fast paced work of public history combining scholarly insight with sharp eyed journalism and based on primary sources and school textbooks battlefield visits and war art explains both how and why peace and war remain contested terrain in ever changing landscapes of Canadian memory
