The Spirituality of Paul Leslie Hardin, 2016 The traditional venues for making sense of the complicated apostle Paul are history and theology Indeed one cannot understand him apart from either However something is still missing from our portrait of Paul Rather than thinking of Paul as a theologian and an apostle Leslie Hardin argues there is great benefit in approaching him as a disciple a Spirit filled man who wanted to pass vibrant spirituality on to those he encountered In The Spirituality of Paul Hardin uncovers the things Paul practiced in his own life and those he taught his followers in order to attempt to live an authentic Spirit filled Christian life Hardin points out that in order to foster the power of the Spirit Paul like each of us had to dedicate himself to everyday routines and practices What were those spiritual disciplines How did they help him And how might they be applied in our modern lives to bring us closer to Christ Whether a general reader or mature believer the reader of this book will find Paul to be a true brother a fellow sinner receiving grace

Spiritual Studies in St. John's Gospel ... Arthur Ritchie, 1888 **Symbols and Spirituality** Michael T. Winstanley, Val O'Brien, 2008 Complementarian Spirituality Natalie Brand, 2013-10-09 In this work Dr Brand seeks to contribute a unique complementarian expression of Reformed spirituality in order to stimulate a spiritual renewal in the contemporary Reformed tradition Using a distinctively feminine approach in a theological arena largely monopolized by male theologians the author anchors corporate and personal spirituality upon the unio mystica so returning to a Calvinistic appreciation of the Christian life Grounding Reformed spirituality on the marital union between Christ and the church a corporate portrait of the church is explored Critical of the neglect of women in Reformed church life and practice the author

calls the tradition to reform proposing an intentional complementarian use of women that can practically and spiritually profit the whole church body The book culminates with an initial tracing of a Reformed feminine spirituality which is pastorally relevant to women as well as encouraging a renewed experiential enjoyment of Christ for both men and women

Theodicy and Spirituality in the Fourth Gospel Daniel DeForest London, 2020-06-15 Daniel DeForest London argues that the Fourth Gospel offers a potentially transformative response to the question of suffering and the human compulsion to blame Based on his reading of John 9 the man born blind London argues that the Gospel does not offer a theodicy but rather a theodical spirituality an experience of praying the question of suffering and remaining open to a divine response London shows how the Johannine Jesus's response poses three sets of symbols in dichotomy day night vision blindness sheep wolf each subverted by another core symbol light judge shepherd By interpreting these symbols in light of mimetic theory he argues that Jesus's response reveals the scapegoat mechanism in which an innocent victim is blamed by violent victimizers However rather than blaming the victimizers Jesus continues to engage with the characters who appear to be villains the light of the world transforms night and day into one continuous day the Good Shepherd welcomes sheep and wolf into his beloved flock In this way readers are invited to bring to the Johannine Jesus their own violence resentment and wolfish rage regarding the question of suffering and to experience the theodical spirituality of the Fourth Gospel
