*Ladies of Soul* David Freeland, 2009-09-23 American soul music of the 1960s is one of the most creative and influential musical forms of the twentieth century With its merging of gospel R B country and blues soul music succeeded in crossing over from African American culture into the general pop culture Soul became the byword for the styles attitudes and dreams of an entire era Female performers were responsible for some of the most enduring and powerful contributions to the genre All too frequently overlooked by the star making critics seven of these women are profiled in this book Maxine Brown Ruby Johnson Denise LaSalle Bettye LaVette Barbara Mason Carla Thomas and Timi Yuro Getting started during the heyday of soul each of these talented women had recording contracts and gave live performances to appreciative audiences Their careers can be tracked through the popularity of soul during the 1960s and its decline in the 1970s With humor candor pride and honest recognition that their careers did not surge into the mainstream and gain superstardom they recount individual stories of how they struggled for success Their oral histories as told to David Freeland address compelling issues including racism and sexism within the music industry They discuss their grueling hardships on the road their conflicts with male managers and the cutthroat competition in the recording business As each singer examines her career with the author she reveals the dreams hopes and desires on which she has built her professional life All seven face up to the career swings from the highs of releasing the first hit to the frustrating lows when the momentum stops Although the obstacles to stardom are heartbreaking these singers are committed to their art With determination and style these seven have pressed onward with club appearances and recordings They survive through their savvy mix of talent hubris and honesty about their lives and their music

*Worship Across the Racial Divide* Gerardo Marti, 2017-12-15 Many scholars and church leaders believe that music and worship style are essential in stimulating diversity in congregations Gerardo Marti draws on interviews with more than 170 congregational leaders and parishioners as well as his experiences participating in worship services in a wide variety of Protestant multiracial Southern Californian churches to present this insightful study of the role of music in creating congregational diversity *Worship across the Racial Divide* offers a surprising conclusion that there is no single style of worship or music that determines the likelihood of achieving a multiracial church Far more important are the complex of practices of the worshipping community in the production and absorption of music Multiracial churches successfully diversify by stimulating unobtrusive means of interracial and interethnic relations in fact preparation for music apart from worship gatherings proves to be just as important as its performance during services Marti shows that aside from and even in spite of

the varying beliefs of attendees and church leaders diversity happens because music and worship create practical spaces where cross racial bonds are formed This groundbreaking book sheds light on how race affects worship in multiracial churches It will allow a new understanding of the dynamics of such churches and provide crucial aid to church leaders for avoiding the pitfalls that inadvertently widen the racial divide *The Life You've Always Wanted* John Ortberg, 2009-05-18 Ignite a deeper more vibrant relationship with God that impacts not just your spiritual life but every aspect of your daily life John Ortberg calls readers back to the dynamic heartbeat of Christianity God's power to bring change and growth and reveals how and why transformation takes place *The Life You've Always Wanted* offers modern perspectives on the ancient path of the spiritual disciplines But it is more than just a book about things to do to be a good Christian It's a road map toward true transformation that starts not with the individual but with the person at the journey's end Jesus Christ As with a marathon runner the secret to finishing a race lies not in trying harder but in training consistently training with the spiritual disciplines The disciplines are neither taskmasters nor ends in themselves Rather they are exercises that build strength and endurance for the road of growth The fruit of the Spirit joy peace kindness etc are the signposts along the way Paved with humor and sparkling anecdotes *The Life You've Always Wanted* is an encouraging and challenging approach to a Christian life that's worth living a life on the edge that fills an ordinary world with new meaning hope change and joy **Billboard**, 1996-11-23 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Weekly World News**, 1990-05-15 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site Bluegrass Unlimited, 2006 *A Head Full of Music* Cliff Richard, 2023-10-26 Foreword by Bob Stanley On a sunny Saturday morning in May 1956 a fifteen year old then called Harry Webb was mooching down Waltham Cross High Street He heard some music blaring out of a parked car It stopped him in his tracks The song was Heartbreak Hotel by Elvis Presley It sounded like nothing he had ever heard before In that instant the schoolboy who was destined to take the hit parade by storm as Cliff Richard fell in love with rock and roll It gave him the thrill the purpose and the mission that has shaped his life ever since Cliff lives in and for music And with 65 years as a hitmaker the music filling his head is a broad category His soundtrack begins by blasting us all back into that first life changing explosion of rock and roll and also includes great soul stars such as Aretha Franklin longtime colleagues like Elton John and much missed close friends Cilla Black and Olivia Newton John This book is meaningful to Cliff on many levels The 30 or so songs here that make up the soundtrack to his life have each moved him deeply but it's also about the legendary artists he met and often got to know He shares those stories and memories with you too *A Head Full of Music* is a vibrant personal journey for Cliff and it's a joy to accompany him
