## **Economía Peronista 1946-1955 La:**

**La economía peronista, 1946-1955** Alejandro Garvie, 2002 Este libro explora los diferentes momentos de los dos mandatos de Perón con sus contextos políticos económicos locales e internacionales para poder comprender no solo la actualidad de la Argentina sino los grandes trazos del derrotero que unen el fin tra **The Politics of National Capitalism** James P. Brennan, Marcelo Rougier, 2009 An analysis of the social relations political strategies and history behind capitalist economic development in Latin America with particular attention to Argentina Provided by publisher *The Fourth Enemy* James Cane, 2012-01-27 An interdisciplinary study examining the newspaper industry in Argentina during the regime of Juan Domingo Perón Traces how Perón managed to integrate almost the entire Argentine press into a state dominated media empire Provided by publisher **La economía de Perón** Roberto Cortés, Javier Ortiz, Laura D'Amato, Gerardo Della Paolera, 2020-12-21 Es imposible entender la Argentina actual sin tener presente el período 1946-1955 los primeros dos gobiernos de Juan Domingo Perón Aunque han pasado casi siete décadas desde entonces los efectos de sus transformaciones se sienten hasta hoy La perspectiva del tiempo histórico transcurrido nuestras sucesivas y cíclicas crisis invitan a analizar ese tiempo de otra manera Este libro dirigido por Roberto Cortés Conde Javier Ortiz Batalla Laura D'Amato y Gerardo della Paolera y con trabajos de reconocidos especialistas se propone exactamente eso una profunda revisión de las decisiones económicas tomadas en esos años Las temerarias medidas de política monetaria y los cambios en el mercado laboral el impacto en la industria y en el campo en las finanzas y en lo fiscal Si se tienen en cuenta los objetivos y las metas declamados por aquel peronismo se verifica que solo una se cumplió la mejora en la vida de los trabajadores La contracara de esto es una sucesión de déficits y desequilibrios y un país que en 1955 estaba descapitalizado y que no era capaz de sostener de manera genuina esas mejoras en el tiempo La base era frágil se habían consumido las importantes reservas que el Banco Central tenía en 1945 en gran medida como consecuencia de la Segunda Guerra Mundial y no se había logrado la transformación económica prometida La economía de Perón discute la forma en que se implementaron esas políticas se alía sus numerosas contradicciones hace una crítica aguda de su legado y demuestra que ciertos dilemas de mediados del siglo XX siguen vigentes y agudizados en la segunda década del siglo XXI **Dignifying Argentina** Eduardo Elena, 2011-08-21 During the mid twentieth century Latin American countries witnessed unprecedented struggles over the terms of national sovereignty civic participation and social justice Nowhere was this more visible than in Peronist Argentina 1946-1955 where Juan and Eva Perón led the region's largest populist movement in pursuit of new political hopes and material desires Eduardo Elena considers this transformative moment from a fresh perspective by exploring the intersection of populism and mass consumption He argues that Peronist actors redefined national citizenship around expansive promises of a dignified dignified life which encompassed not only the satisfaction of basic wants but also the integration of working Argentines into a modern consumer society Drawing on documents such as the correspondence between Peronist sympathizers and authorities

Elena sheds light on the contest over the *vida digna*. He shows how the consumer aspirations of citizens overlapped with Peronist paradigms of state led development but not without generating great friction among allies and opposition from diverse sectors of society. Consumer practices encouraged intense public scrutiny of class and gender comportment and everyday objects became charged with new cultural meaning. By providing important insights on why Peronism struck such a powerful chord, *Dignifying Argentina* situates Latin America within the broader history of citizenship and consumption at midcentury and provides innovative ways to understand the politics of redistribution in the region today.

**Reorganizing Popular Politics** Ruth Berins Collier, 2009-01-01 A comparative analysis of lower class interest politics in Argentina, Chile, Peru, and Venezuela. Examines the proliferation of associations in Latin America's popular sector neighborhoods in the context of the historic problem of popular sector voice and political representation in the region. Provided by publisher.

A History of Argentina in the Twentieth Century Luis Alberto Romero, 2002-02-22 A History of Argentina in the Twentieth Century originally published in Buenos Aires in 1994 attained instantaneous status as a classic. Written as an introductory text for university students and the general public, it is a profound reflection on the Argentine dilemma and the challenges that the country faces as it tries to rebuild democracy. In the book, Romero painstakingly and brilliantly reconstructs and analyzes Argentina's tortuous, often tragic, modern history from the alluvial society born of mass immigration to the dramatic years of Juan and Eva Perón to the recent period of military dictatorship and democracy. For this first English language edition, Romero has written a new chapter covering the decade of the 1990s. A rare book combining great erudition with an engaging narrative, it is destined to be the standard English language history of Argentina for many years to come. The son of Argentina's greatest twentieth century historian, José Luis Romero, Luis Alberto Romero has emerged as one of the leading historians of his generation in Argentina. Romero's generation is one that has witnessed the most dramatic decades of the country's modern history: the decline of Argentina and its descent into violence, dictatorship, and despair, but also the hopeful, if often difficult, process of rebuilding democracy since the mid 1980s. Combining the rigor of the professional historian with a passionate commitment to his country's future, Romero's work is a major contribution to our understanding of one of Latin America's most important nations. This translation by James Brennan himself, a leading English speaking historian of Argentina, makes this valuable book available to a wide readership in the United States and elsewhere in the world.

*Peronism as a Big Tent* Raanan Rein, Ariel Noyjovich, 2022-02-15 Argentina's populist movement led by Juan Perón welcomed people from a broad range of cultural backgrounds to join its ranks. Unlike most populist movements in Europe and North America, Peronism had an inclusive nature, rejecting racism and xenophobia. In *Peronism as a Big Tent*, Raanan Rein and Ariel Noyjovich examine Peronism's attempts at garnering the support of Argentines of Middle Eastern origins, be they Jewish, Maronite, Orthodox, Catholic, Druze, or Muslim, in both Buenos Aires and the interior provinces. By following the process that started with Perón's administration in the mid 1940s and culminated with the 1989 election of President Carlos Menem,

of Syrian parentage Rein and Noyjovich paint a nuanced picture of Argentina's journey from failed attempts to build a mosque in Buenos Aires in 1950 to the inauguration of the King Fahd Islamic Cultural Center in the nation's capital in the year 2000 Peronism as a Big Tent reflects on Peron's own evolution from perceiving Argentina as a Catholic country with little room for those outside the faith to embracing a vision of a society that was multicultural and that welcomed and celebrated religious plurality The legacy of this spirit of inclusiveness can still be felt today

**Historia de la industria en la Argentina** Claudio Belini, 2017-09-01 Un exhaustivo análisis de la historia de la industria en la Argentina desde inicios del siglo XIX hasta la crisis de 2001 que explica los motivos del carácter trunco del proceso de industrialización y examina las vinculaciones entre la industria el contexto macroeconómico el Estado y el empresariado Historiográficamente exhaustiva y rigurosa interpretativamente reflexiva y original esta obra de Claudio Belini examina la compleja trama del proceso de industrialización argentino desde la Independencia hasta la crisis de 2001 y analiza los motivos de su fracaso Desde el nacimiento de nuestro país la imagen idealizada de una pujante industria nacional asociada al anhelo de un desarrollo redentor ocupó lugar central en el debate de la esfera pública Sin embargo la relación de la Argentina con su industria describió históricamente una trayectoria fluctuante cuando no errática o directamente evasiva Ya en el siglo XIX de la mano del modelo agroexportador el desarrollo industrial argentino sufrió sucesivas crisis y no logró consolidar un camino de crecimiento sostenido Entrado el siglo XX los intentos de industrialización orientados a la sustitución de importaciones modificaron la estructura de la economía e inauguraron una nueva etapa que prometía poner al país a la altura de las naciones más prósperas del planeta Pero la Argentina se desvió muy pronto de ese sendero y hacia mediados de la década del setenta se sumió en un período de estancamiento con consecuencias dramáticas En palabras del autor lo que intentamos presentar aquí es una historia económica y social de la industrialización en la Argentina que sin la ingenua pretensión de ser una historia total se propone contribuir a explicar nuestro pasado así como a comprender sus repercusiones sobre el presente Si la historia es útil en algo y creemos que lo es tal vez esta interpretación del progreso y declinación de la industria argentina alimente la discusión de ese pasado y de sus implicancias para el futuro del país

**Workers Go Shopping in Argentina** Natalia Milanesio, 2013-03-01 In 1951 an Argentine newspaper announced that the standard of living of workers in Argentina was the highest in the world More than half a century later Argentines still look back to the mid twentieth century as the golden years of Peronism a time when working people who had struggled to make ends meet a few years earlier could now buy ready made clothing radios and even big ticket items like refrigerators Milanesio explores this period marked by populist politics industrialization and a fairer distribution of the national income by analyzing the relations among consumers consumer goods manufacturers advertising agents and Juan Domingo Peron's government 1946 1955 Combining theories from the anthropology of consumption cultural studies and gender studies with the methodologies of social cultural and oral histories Milanesio shows the exceptional cultural and social visibility of low income consumers in postwar Argentina along

with their unprecedented economic and political influence Her study reveals the scope of the remarkable transformations fueled by the new market by examining the language and aesthetics of advertisement the rise of middle and upper class anxieties and the profound changes in gender expectations A política externa brasileira e a Argentina peronista (1946-1955) Iuri Cavlak,2008 *El peronismo y la consagración de la nueva Argentina* Carlos Piñeiro Iñíguez,2021-04-01 Carlos Piñeiro Iñíguez hace valer la fuerza de lo que el lector ya sabe en contraste con lo que los protagonistas de esta historia del peronismo hacen pues estos no conocen de antemano los resultados La lectura resulta apasionante los hechos aparecen en su dramática minuciosidad aparentemente aleatorios sin ensambles futuros pero cargados de intencionalidad De este modo un documento un nombre una fecha irradian significados que los mbitos gen ricos de la historia del peronismo habitualmente no consideran pero adquieren en este libro un rasgo premonitorio una frescura que parecen haber perdido Los actores de esta historia tienen un plan pero es necesario que lo confronten constantemente con la rebeldía de los hechos que no se amoldan fácilmente a la voluntad de los actores de esta celosa narración de inusitada espesura Lo que se lee en estas páginas de gran originalidad es precisamente esa lucha día a día de los hombres de la política contra la tozudez insigne de los hechos Este libro un imán para detalles que parecen insignificantes capta finalmente la madeja trágica a veces burlona a veces severa que los recubre de sentido Authoritarianism and the Crisis of the Argentine Political Economy William C. Smith,1991 The author carefully reconstructs the crisis of Argentine political economy over the past 25 years He examines the roles of the major protagonists in contemporary Argentine politics The Oxford History of Historical Writing Axel Schneider,Daniel Woolf,2011-05-05 The fifth volume of The Oxford History of Historical Writing offers essays by leading scholars on the writing of history globally since 1945 Divided into two parts part one selects and surveys theoretical and interdisciplinary approaches to history and part two examines select national and regional historiographies throughout the world It aims at once to provide an authoritative survey of the field and to provoke cross cultural comparisons This is chronologically the last of five volumes in a series that explores representations of the past across the globe from the beginning of writing to the present day Transformations and Crisis of Liberalism in Argentina, 1930-1955 Jorge A. Nállim,2014-08-14 Nállim chronicles the decline of liberalism in Argentina during the volatile period between two military coups the 1930 overthrow of Hipólito Yrigoyen and the deposing of Juan Perón in 1955 While historians have primarily focused on liberalism in economic or political contexts Nállim instead documents a wide range of locations where liberalism was claimed and ultimately marginalized in the pursuit of individual agendas Nállim shows how concepts of liberalism were espoused by various groups who invented traditions to legitimize their methods of political religious class intellectual or cultural hegemony In these deeply fractured and corrupt processes liberalism lost political favor and alienated the public These events also set the table for Peronism and stifled the future of progressive liberalism in Argentina Nállim describes the main political parties of the period and deconstructs their liberal discourses He also examines major cultural institutions and

shows how each attached liberalism to their cause N llim compares and contrasts the events in Argentina to those in other Latin American nations and reveals their links to international developments While critics have positioned the rhetoric of liberalism during this period as one of decadence or irrelevance N llim instead shows it to be a vital and complex factor in the metamorphosis of modern history in Argentina and Latin America as well **Por qué Patria Grande** Miguel Ángel

Barrios,2022-02-23 Miguel ngel Barrios ha dedicado sus esfuerzos y su vida a la construcci n de la Patria Grande El t tulo de este libro Por qu Patria Grande teor a y praxis de una pol tica latinoamericana en tiempos de pandemia revela el n cleo de su reflexi n como historiador y geopol tico Barrios ha buscado identificar las causas de los obst culos internos y externos que se han opuesto a la construcci n de la uni n de Am rica del Sur precursora necesaria de la uni n de Am rica Latina La Patria Grande debe tener bases s lidas en la Argentina un Estado naci n de origen espa ol y mestizo y en Brasil de origen portugu s y mestizo Los estadistas y pensadores del pasado llaman a los del presente en especial a Alberto Fern ndez y Luiz In cio Lula da Silva a tomar en sus brazos y en su coraz n la tarea de superar todos los obst culos y continuar sin temor la hist rica misi n de construir la Patria Grande Samuel Pinheiro Guimar es Ideas, política, economía y sociedad en la Argentina (1880-1955) ,2007 **The Role of Elites in Economic Development** the late Alice H. Amsden,Alisa DiCaprio,James A.

Robinson,2012-09-27 Elites have a disproportionate impact on development outcomes While a country s endowments constitute the deep determinates of growth the trajectory they follow is shaped by the actions of elites But what factors affect whether elites use their influence for individual gain or national welfare To what extent do they see poverty as a problem And are their actions today constrained by institutions and norms established in the past This volume looks at case studies from South Africa to China to seek a better understanding of the dynamics behind how elites decide to engage with economic development Approaches include economic modelling social surveys theoretical analysis and program evaluation These different methods explore the relationship between elites and development outcomes from five angles the participation and reaction of elites to institutional creation and change how economic changes affect elite formation and circulation elite perceptions of national welfare the extent to which state capacity is part of elite self identity and how elites interact with non elites **Public Debt Sustainability** Steve H. Hanke,John Merrifield,Barry W. Poulson,2022-01-04 As countries recover

from the coronavirus pandemic they are confronted with an even more challenging debt crisis Xavier Debrun argues in the foreword that in deciding where we go from here that there is no longer a consensus regarding the optimum design and enforcement of fiscal rules Rather we must address a series of questions and challenges to the conventional wisdom This book provides an opportunity for scholars to explore these questions from an international perspective with reference to European countries and emerging nations as well as the United States A New Economic History of Argentina Gerardo della Paolera,Alan M. Taylor,2003-11-03 Argentine economic history has long presented a puzzle how could a country that was once one of the world s richest now fare so poorly What is the economic story behind such long run divergence And how

does economic reality reflect deeper social institutional and political forces Not since the publication of Carlos Díaz Alejandro's *Essays on the Economic History of the Argentine Republic* in 1970 has there been another standard reference for those seeking a more quantitative understanding of Argentina's development In the intervening years research in the new economic history has crafted a more sophisticated interpretation of the past This 2004 book provides the reader access to research focusing on long run economic change major developments in policy making and important shifts in institutions and ideas The lessons from Argentina's turbulent economic past represent the essential context for the issues that confront scholars students and policy makers
