BIBLIO 2000: IICA Jamaica Library Database , Neoliberalism and Class Conflict in Latin America H.

Veltmeyer,J. Petras,S. Vieux,2016-07-27 The 1980s in Latin America saw the implementation of a sweeping programme of economic reforms either imposed as a condition for securing new loans or to embrace the neoliberal doctrine of structural adjustment the ideology of a newly formed transnational capitalist class However the structural adjustment programme also generated widespread resistance especially from within the popular sector of civil society This book analyses both the politics of the adjustment process and the political dynamics of this resistance in Latin America **Capital, Power, And Inequality**

In Latin America Sandor Halebsky,Richard L Harris,Elizabeth W Dore,John Kirk,Michael Kearney,2018-10-08 Over the last two decades economic political and social life in Latin America has been transformed by the region s accelerated integration into the global economy Although this transformation has tended to exacerbate various inequities new forms of popular expression and action challenging the contemporary structures of capital and power have also developed This volume is a comprehensive genuinely comparative text on contemporary Latin America In it an international group of contributors offer multidimensional analyses of the historical context contemporary character and future direction of rural transformation urbanization economic restructuring and the transition to political democracy In addition individual essays address the changing role of women the influence of religion the growth of new social movements the struggles of indigenous peoples and ecological issues Finally the book examines the influence of U S policy and of regionalization and globalization on the Latin American states Sandor Halebsky is professor of sociology at Saint Mary s University in Halifax Nova Scotia He coedited *Cuba in Transition Crisis and Transformation* Westview 1992 Richard L Harris is chair of the faculty at Golden Gate University in Monterey California He is one of the coordinating editors of the journal *Latin American Perspectives* and the author of *Marxism Socialism and Democracy in Latin America* Westview 1992 *The South America Handbook* Patrick Heenan,Monique Lamontagne,2014-01-27 First Published in 2002 The Regional Handbooks of Economic Development series provides accessible overviews of countries within their larger domestic and international contexts focusing on the relations among regions as they meet the challenges of the twenty first century The series allows the non specialist student to explore a wide range of complex factors social and political as well as economic that affect the growth of developing regions in Asia Europe and South America Each Handbook provides an overview chapter discussing the region s economic conditions within an historical and political context as well as 20 or more chapter length essays written by recognized experts which analyze the key issues affecting a region s economy its population natural resources foreign trade labor problems and economic inequalities and other vital factors In addition the volumes offer useful support materials including a series of appendices that include a detailed chronology of events in the region a glossary of terms biographical entries on key personalities an annotated bibliography of further reading and a comprehensive analytical index *Structural Adjustment and the*

Agricultural Sector in Latin America and the Caribbean John Weeks, 2016-01-03 As a result of the regional debt crisis most governments of Latin America in the 1980s entered into a process of profound policy change from an import substitution oriented strategy to a focus upon export promotion with an emphasis upon market liberalisation According to mainstream economic theory the effect of this shift would be to favour agriculture This book with contributors from Latin America and Europe surveys the results on agriculture of a decade of policy change and to produce new and unexpected insights

Annual Report of the Chairman of the National Advisory Council on International Monetary and Financial Policies to the President and to the Congress for Fiscal Year ... National Advisory Council on International Monetary and Financial Policies (U.S.), 1989 **Annual Report to the President and to the Congress** National Advisory Council on International

Monetary and Financial Policies (U.S.), 1989 **Organizing Dissent** Maria Lorena Cook, 2010-11-01 *Guyana* John Gafar, 2003 The purpose of this book is to examine the performance of Guyana's economy during the era of dirigisme and the period of economic liberalisation with emphasis on a market economy using all available micro and macro data In a much broader and meaningful sense this book deals with the socio economic progress of Guyana from the 1960s with heavy emphasis on the market reforms because this is the dominant and interesting story for policy lessons in the Third World This book also focuses on what has happened to poverty inequality and other social indicators during the reform period Until now there has not been any systematic examination of the effects of the economic reforms in Guyana on unemployment wages and industrial activity poverty and inequality farmers response to price liberalisation education and health indicators ethnicity and growth and governance crime and corruption These issues and more are the subject matter of this book The book refers to those aspects of Guyana's history and recent political events that bear directly on economic policy and the performance of the economic system **Rereading Women in Latin America and the Caribbean** Jennifer Abbassi, Sheryl L.

Lutjens, 2002-03-26 This indispensable text reader provides a broad ranging and thoughtfully organized feminist introduction to the ongoing controversies of development in Latin America and the Caribbean Designed for use in a variety of college courses the volume collects an influential group of essays first published in *Latin American Perspectives* a theoretical and scholarly journal focused on the political economy of capitalism imperialism and socialism in the Americas The reader is organized into thematic sections that focus on work politics and culture and each section includes substantive introductions that identify key issues trends and debates in the scholarly literature on women and gender in the region Demonstrating the rich and multidisciplinary nature of Latin American studies this collection of timely empirical studies promotes critical thinking about women's place and power about theory and research strategies and about contemporary economic political and social conditions in Latin America and the Caribbean Valuable as both a supplementary or primary text *Rereading Women* makes a convincing claim for a materialist feminist analysis It convincingly shows why women have become an increasingly important subject of research acknowledges their gains and struggles over time and explores the contributions

that feminist theory has made toward the recognition of gender as a relevant indeed essential category for analyzing the political economy of development Capital, Power, and Inequality in Latin America and the Caribbean Richard L.
