**An Economic History of England 1870-1939. Reprinted** William Ashworth, 1965      *An Economic History of England*, 1960      *A Social History of England 1851-1990* Francois Bedarida, 2013-06-17 In this the second edition of *A Social History of England* Francois B darida has added a new final chapter on the last fifteen years The book now traces the evolution of English society from the height of the British Empire to the dawn of the single European market Making full use of the Annales school of French historiography B darida takes his inquiry beyond conventional views to penetrate the attitudes behaviour and psychology of the British people      **British Economic and Social History** R. C. Richardson, William Henry Chaloner, 1996      **Enterprise and Trade in Victorian Britain** D. N. McCloskey, 2013-10-16 The essays in this book focus on the controversies concerning Britain s economic performance between the mid nineteenth century and the First World War The overriding theme is that Britain s own resources were consistently more productive more resilient and more successful than is normally assumed And if the economy s achievement was considerable the influence on it of external factors trade international competition policy were much less significant than is normally supposed The book is structured as follows Part One The Method of Historical Economics Part Two Enterprise in Late Victorian Britain Part Three Britain in the World Economy 1846 1913      *A Bibliography of British History, 1914-1989* Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index      **English Historical Documents, 1874-1914** David Charles Douglas, W. D. Handcock, 1996 *English Historical Documents* is the most ambitious impressive and comprehensive collection of documents on English history ever published An authoritative work of primary evidence each volume presents material with exemplary scholarly accuracy Editorial comment is directed towards making sources intelligible rather than drawing conclusions from them Full account has been taken of modern textual criticism A general introduction to each volume portrays the character of the period under review and critical bibliographies have been added to assist further investigation Documents collected include treaties personal letters statutes military dispatches diaries declarations newspaper articles government and cabinet proceedings orders acts sermons pamphlets agricultural instructions charters grants guild regulations and voting records Volumes are furnished with lavish extra apparatus including genealogical tables lists of officials chronologies diagrams graphs and maps      **The Cambridge Economic History of Modern Britain** Roderick Floud, Paul Johnson, 2003 Publisher Description      **Modern England,**

**1901-1984** Alfred F. Havighurst, 2004-07-08 The most comprehensive bibliography of printed books articles and standard texts on twentieth century England      **Industrial Structure, Capital Markets and the Origins of British Economic Decline** William Paca Kennedy, 1987-07-09      *the cambridge economic history of europe* Edwin Ernest Rich, 1967      The Cambridge Economic History of Europe H. J. Habakkuk, Michael Moises Postan, 1965      Japan's Industrialization in the World Economy: 1859-1899 Shinya Sugiyama, 2013-12-17 An analysis of Japan's industrialization in an international historical and economic perspective from the time that her ports were first opened to foreign trade First published in 1988 this title is part of the Bloomsbury Academic Collections series      On the Causes of Economic Growth Carlos Sabillon, 2008 What's the secret Can policies grow the economy How do leaders make their countries prosper Since the earliest of times humans have endeavored to uncover the causes of prosperity Step by step Sabillon tests the principal theories on the causes of economic growth against the facts of history Here for the first time the economic statistics of the world are presented in a rationalized format that allows for an easy comparison across countries and through time with a challenge to those who study them What do the statistics show and what are the trends beyond cherished theories that suit various political purposes Tested against the historical data textbook ideas and theories consistently come up short Such analyses are highly troubling because they reveal an absence of correlation between theory and reality The data statistics illustrating the development of the world economy during the last several centuries was extracted from economic history and economic history books from publications of the World Bank the Organization for Economic Cooperation and Development the International Monetary Fund the World Trade Organization the United Nations specialized agencies research institutes and country statistical publications and other books and journals Analyzing the data over geography and time Sabillon concludes that contrary to contemporary wisdom left to market forces alone the economy will not and does not flourish Only decisive intervention in support of manufacturing and technological advancement can provide growth This systematic review of history and test of accepted dogma challenges economic theorists to consider one part of the equation of economic policy that has been wiped off the blackboard in today's politically correct debates      **Victorian England 1837-1901** Josef Lewis Altholz, J. L. Altholz, 2002-08-22 This book contains 2 500 bibliographical entries covering most aspects of the history of Victorian England
